

Dental Assisting Complaints

This is a required notice of opportunity and procedure to file complaints with the Commission on Dental Accreditation. The Commission will review complaints that relate only to the program's compliance with the accreditation standards. The Commission is interested in the sustained quality and continued improvement of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion, or dismissal of faculty, staff, or students.

For a copy of the appropriate accreditation standards or for those individuals who are interested in submitting complaints, requests may be made to the Commission at 211 East Chicago Avenue, Chicago, IL 60611-2678, or by calling (312)440-4653.

Sincerely,
