

Library Search Practice

#1 - Keyword Search

Your teacher would like you to read a book from the genre - FANTASY. In Destiny, type in Fantasy and search by keyword. From the list provided, select one of the books and look to see if it is available (if not, use a different book). Once you know the book is available, go locate it in the library. Complete the following information about the book:

Call # _____
Number of copies available _____
Did you find the book? _____

#2 - Title Search

You want to read the 2nd book of the series Divergent titled *Insurgent*. Type *Insurgent* in the Find box and search by Title. Answer the following and go locate the book.

Call # _____
Number of copies available _____
Did you find the book? _____

#3 - Author Search

Your favorite author is Wendy Mass and you want to know what books we have by her. In the Find box, type in the author's name and search by author. Answer the following:

How many different titles do we have by Wendy Mass? _____

#4 - Subject Search

- You want to know about different types of cars. In the Find box type in Cars and do a search by subject. Choose the book titled Sports Cars by Sallie Stephenson. Go find the book and answer the following:

Call # _____
Number of copies available _____
Did you find the book? _____

- You are interested in learning more about Martin Luther King Jr. Complete a Subject search to find his biography.

What is the call # _____
Did you find the biographies on him? _____

#5 - Series Search

You really like the *Diary of a Wimpy Kid* book series. You want to see what books in the series the library has and if they are available. Complete a Series Search by entering *Diary of a Wimpy Kid* in the find box and clicking on the Series button. Answer the following then go locate the books:

How many books do we have in the series? _____
Which books are currently not available for checkout?

What is the call number? _____
Did you find the *Diary of a Wimpy Kid* books? _____
