Academic Rigor

Target Companies/Organizations:

_____	_____
_____	_____
_____	_____
_____	_____

The following are questions commonly asked by prospective students, but there is space for you to write questions that you want answered.

Example 1: Does your school accept the Common Application? What departments are the best/strongest/most popular? Can I double major? Do you have a study abroad program? What type of financial aid is offered to students? What do the majority of students do after graduation, go to graduate school, work or travel?

Example 2: What are the dorms like? What kinds of clubs, organizations, teams, fraternities, sororities and events are on campus?

Example 3: How many students attend the college? What is the average class size? Is the student body diverse in age, race, family income and gender? Is the campus safe?

Asking Questions at Campus Visits and College Fairs

Use the space below to draft questions that you will ask admission officers, current students, professors, and others while you visit a college campus, attend a college fair, or attend a college info session at your high school.
