Twenhofel Middle School is continuing its partnership with FinalForms, an online forms and data management service, for the 23-24 school year. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update. **At this time, you may now create or update your Final Forms account to prepare for the 2023-2024 School Year.**
