

## *Summer 2023*

Dear Parents,

Summer is here and we know the students are ready for a break. However, it is so important that the students continue reading throughout the summer. You can help your child keep learning by encouraging fun activities and projects that reinforce critical thinking, problem solving, and just fun. Read, read, read with your child this summer. Select a consistent time each day set aside just to read.

Each student is to select **two** chapter books that are appropriate for their reading level. For each of the books, the student must fill out the attached book report forms (can be written or typed).

**\*Book reports are due Friday, August 11, 2023.**

### **Books selected:**

<u>Title</u>	<u>Author</u>
1. _____	_____
2. _____	_____

*Have a great summer and HAPPY READING!*
