

Redlands Unified School District Athletics

Instructions for Online Athletic Clearance Packet

RUSD Athletic Packets are now ready for the 2023-2024 School Year. In order to participate in athletics during the upcoming/current school year, all athletes must complete and submit the online athletic clearance packet linked below before attending any tryouts or practices. Redlands Unified School District is using a secure registration platform, [Home Campus](#), that provides our families with a safe, easy, and user-friendly way to sign up for athletics!

Did you complete the online athletic clearance packet for a prior school year? If so, you may use the same account for your students this year. If you have not used it before, please create an account for your family.

Home Campus Instructions:

- Visit [Home Campus](#) and log in/register.
- **Returning Student Athletes:**
 - **Log in** using your same username (email) and password from the previous year for [athleticclearance.com](#).
- Select “Start Clearance” in the top right-hand corner to begin.
- Choose the school, school year, and sports in which your student participates. Make sure to select all sports your athlete is interested in playing for the school year. Click “Next.”
- Complete all required fields for Student Information, Educational History, Medical History, and Signature Forms.
- Press “Submit” and print your Confirmation Message/Consent Form to sign and return to your school’s Athletic Office.

After Clearance Packet Submission:

- **Please note that your student will still need to turn in a hard copy of his/her Sports Physical to the Athletic Department at his/her school, complete with a Dr.’s signature and OFFICE STAMP. Without this form, your student will not be cleared to participate in any sport within the Redlands Unified School District.**
- All of your submitted data will be electronically filed with your school’s Athletic Department for review.
- After all items are completed **and** turned in, you can monitor the status of your athlete’s clearance by logging into your account and looking under ‘All Clearances’ on your home page.
- Once cleared, your athlete can start participating in practices with our sports teams!

Questions/Concerns can be directed to your school’s Athletic Department.
