

DIGITAL CURRICULUM

Course Lists 2021–2022

Foster a love of learning and set students on the **pathway to lifelong success** with an online curriculum designed to help them realize their potential. Our suite of more than **350 digital courses** covers a full spectrum of **core subjects and electives**, all supported by **cutting-edge online technology** and brought to life by **extraordinary educators**. Stride Learning Solutions digital courses combine rich content with proven pedagogy to facilitate **dynamic, engaging online and blended learning** experiences to meet your district or school's unique needs.

Our expansive course catalog for **grades K–12** allows you to **meet every learner's needs—from those who are struggling** or at risk of dropping out or not graduating on time, **to those seeking greater academic challenges** or enrichment in their learning. Whether your students are looking to launch a career right after graduation or pursue postsecondary studies, our digital curriculum will provide them with more options to **jumpstart their futures today**. Give us a call at **844.638.3533** to discuss how together we can pave the way to a bright future for all learners.

The courses included in this list reflect offerings for the 2021–2022 school year. However, district certification requirements, teacher availability, and other factors may impact instructional support availability. All high school and middle school courses are available on both the PEAK and Online School (OLS) platforms unless otherwise noted. Elementary courses are available on the OLS platform only.
