

WILLAMETTE CAREER ACADEMY

Willamette Career Academy

Available to Grades 11-12

Apply Online: www.wesd.org/wca

The Willamette Career Academy offers Career and Technical Education in program areas where jobs are plentiful and pay well. Programs are structured for a two-year sequence best suited for juniors and seniors. Students can start their senior year but will not complete all certifications. Despite that they are still encouraged to start their journey with us!

Programs will operate on a half-day schedule at the state-of-the-art facility in Salem and transportation will be provided. Students will still attend Stayton High School where they can play sports, participate in activities and work towards a Stayton High School diploma.

Be prepared for licensure, immediate employment, or continue with further education!

2021-2022 Programs

COSMETOLOGY

- Express individual creativity by providing a wide range of artistic hair, nail, and skincare services using the latest technology, trends, and name-brand products.
- Operate and experience a full-service interactive salon and spa environment.
- Work alongside professional cosmetologists to explore all aspects of quality salon services and management.

State Licensure ♦ Work-Based Experience ♦ Early Placement

DIESEL TECHNOLOGIES

- Maintain, repair, and fine-tune systems including electrical, hydraulic, engines, air systems, brakes, and preventative maintenance alongside an ASE Master Technician.
- Use the same advanced diagnostic and repair equipment as Master Technicians to troubleshoot complex diesel systems.
- Practice operation theory, maintenance, and repair of large trucks and off-road equipment.

ASE Certifications ♦ Work-Based Experience ♦ College Credit

HEALTH SERVICES

- Cultivate a passion for providing quality patient care in a variety of healthcare settings.
- Work alongside registered nurses and other healthcare professionals in a clinical environment to perform various tests and procedures.
- Experience the thrill and reward of improving patient lives in simulations and on-the-job experiences.

State Certification ♦ Work-Based Experience ♦ College Credit
