 - Will need to look into costs
- Discussed possible options of how to run the Concession Stands next year
 - Option #1: Leave concessions up to SPPC to stock and run (with the understanding that they will share with other groups as requested)
 - Option #2: Boosters stocks the stands and schedules the teams to run them and will split the profits 50/50
 - Will discuss this more and will need to have a plan in place by early summer
