Susan Schmidt, Superintendent
Sullivan BOCES
6 Wierk Avenue
Liberty, NY 12754

Dear Superintendent Schmidt:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 11/22/2016

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:

<https://www.engageny.org/resource/appr-3012-d>.**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 2. Transition Student Performance - Required (Teachers) - Task 2 Alternate SLOs

Page Last Modified: 11/22/2016

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

Up to 50% of Student Performance category, if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Thoughtful Classroom Teacher Effectiveness Framework (July 2016 Edition)	(No Response)

4.2) Assurances

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/SubcomponentsFor guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable domains will be weighted equally and averaged.

4.4) Calculating Observation Ratings**Assurances**

Please check the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

Page Last Modified: 11/22/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

SULLIVAN COUNTY BOCES - APPR AND/OR TIP APPEALS PROCESS FOR SCBTA MEMBERS

Introduction

Personnel who disagree with the “ineffective” or “developing” overall rating can appeal their final overall rating.

The appeal process for *tenured staff* shall follow Levels 1-5 as described below, in the order written.

The appeals process for *untentured staff* shall follow Levels 1-4 as described below, in the order written.

Note that the term “days” used throughout this document means scheduled employee work days (i.e., a personal day or sick day would count as one of these days). Also, items not meeting the time line requirements must be viewed as resolved at the lowest level of involvement.

WHAT MAY BE CHALLENGED IN AN APPEAL

Appeal procedures limit the scope of appeals under Education Law 3012-d to the following subjects:

- The substance of the annual professional performance review; which shall include the instance of a teacher rated ineffective on the student performance category but rated Highly Effective on the observation/school visit category based on an anomaly, as determined locally
- The school district’s or board of cooperative educational services’ adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d and Subpart 30-3 of the rules of the Board of Regents;
- The adherence to the Commissioner’s regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures as required under Education Law 3012-d;
- The school district’s or board of cooperative educational services’ issuance and/or implementation of terms of the teacher improvement plan under Education Law 3012-d

Level 1 – Discussion with the Evaluator

Personnel who disagree with the ineffective or developing overall rating will make a formal, written request (email or letter) for a professional discussion with the person designated as responsible for the overall rating (for the purposes of this document we will call that person the Supervisor). Said request must be made within five (5) school days of receipt of the overall rating or the TIP; or within five (5) days of when the teacher should have known about the perceived error in the implementation of the TIP. The request will specify the area(s) of concern, but must be limited to those matters that may be appealed as prescribed by the regulation (Ed Law 3012-d).

The discussion must occur within five (5) school days of the request. The parties may be accompanied by other staff. At this meeting the parties may bring artifacts or evidence related to the rating to support their respective positions. The Supervisor must render a written decision within five (5) school days of the discussion. It shall be the duty of the Supervisor to answer the question, “Has the employee demonstrated that the APPR and/or TIP should be modified?” In the course of answering this question, the Supervisor may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR and/or TIP. The Supervisor may either revise the rating or leave it unchanged.

Level 2 – Senior Manager

If the matter is not resolved at Level 1, personnel may make a formal, written request (letter) for a review by the in-line Senior Manager or the Deputy Superintendent. Said request must be made within ten (10) days of receipt of the decision at Level 1. The request will specify the area(s) of concern, but must be limited to those matters that were addressed through the Level 1 process. No additional evidence or artifacts may be submitted beyond those submitted at Level 1. However, the Senior Manager or Deputy Superintendent may meet with individuals and or request other evidence, if he/she chooses and must note this to the parties. Individuals who are called to meet may bring other staff with them.

The Senior Manager or Deputy Superintendent will render a written decision within fifteen (15) school days of receipt of the written request for Level 2 appeal. It shall be the duty of the Senior Manager or Deputy Superintendent to answer the question, “Has the employee demonstrated that the APPR and/or TIP should be modified?” In the course of answering this question, the Senior Manager or Deputy Superintendent may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR and/or TIP. He/she may sustain the position of one of the parties or may return the decision for additional Level 1 discussion.

Level 3 – Review Panel

If the matter is not resolved at Level 2, personnel may make a formal, written request (letter) for a review by the Review Panel. This panel consists of two (2) unit members selected by the SCBTA President and two (2) administrators selected by the District Superintendent. All Review Panel members must be trained in the APPR and/or TIP process, the appeals process and in Education Law Section 3012-d (5) (training to be provided by and paid for by the BOCES). None of the panel members may be involved in other levels of the appeals process. Said request must be made within ten (10) school days of receipt of the decision at Level 2. The request will specify the area(s) of concern, but must be limited to those matters that were addressed through the earlier processes. No additional evidence or artifacts may be submitted beyond those previously submitted. The Panel will review the evidence and artifacts, and will render a decision in writing within fifteen (15) school days of receipt of the written request for Level 3 appeal. No minority decision will be written. It shall be the duty of the Review Panel to answer the question, “Has the employee demonstrated that the APPR and/or TIP should be modified?” In the course of answering this question, the Review Panel may consider claims of procedural violations

Annual Professional Performance Review - Education Law §3012-d

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 11/22/2016

and shall determine whether the claimed violations are significant enough to warrant modification of the APPR and/or TIP. The panel may sustain the position of one of the parties or may return the decision for additional Level 1 discussion.

Level 4 – District Superintendent Review

If the matter is not resolved at Level 3, personnel may make a formal, written request (letter) for a review by the District Superintendent. Said request must be made within ten (10) school days of receipt of the decision at Level 3. The request will specify the area(s) of concern, but must be limited to those matters that were addressed during Levels 1-3 of the process. No additional evidence or artifacts may be submitted beyond those submitted at earlier levels of the process. However, the District Superintendent may meet with individuals and or request other evidence, if he/she chooses and must note this to the parties. Individuals who are called to meet may bring other staff with them.

The District Superintendent will render a decision in writing within fifteen (15) school days of receipt of the written request for Level 4 appeal. It shall be the duty of the District Superintendent to answer the question, “Has the employee demonstrated that the APPR and/or TIP should be modified?” In the course of answering this question, the District Superintendent may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR and/or TIP. He/she may sustain the position of one of the parties, set aside the rating, may return the decision for additional Level 1 discussion, or take other action.

Level 5 – Arbitration

If the matter is not resolved at Level 4 for tenured staff members, the SCBTA member may make a formal, written request (letter) for a review by an arbitrator. Said request must be made within ten (10) school days of receipt of the decision at Level 4. The request will specify the area(s) of concern, but must be limited to those matters that were addressed through the earlier levels of the appeals process. No additional evidence or artifacts may be submitted beyond those submitted at earlier levels of the process. In all other aspects the arbitration shall be conducted in accordance with the voluntary labor arbitration rules of the American Arbitration Association. The decision of the arbitrator shall be final and binding. The costs of any arbitration shall be borne equally by the SCBTA and the BOCES. It shall be the duty of the arbitrator to answer the question, “Has the employee demonstrated that the APPR and/or TIP should be modified?” In the course of answering this question, the arbitrator may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR and/or TIP. The arbitrator shall have no power to add, subtract, change or modify any provision of the Agreement and make no decision, which requires any act prohibited by law or is in violation of the terms of this Agreement.

The SCBTA and the BOCES have agreed that one of the following arbitrators will be contacted at this level.

- Jay Siegel · Dennis Campana
- Jeffrey Selchick · Ira Lobel
- Bonnie Siber Weinstock

The SCBTA and the BOCES agree to collaboratively select an alternate arbitrator if none of the above are available.

This arbitration shall be timely and expeditious in accordance with education law section 3012-d.

PROHIBITION AGAINST MORE THAN ONE APPEAL

A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds to appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

BURDEN OF PROOF

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

Conclusion

This appeal procedure constitutes the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a unit member’s performance review and/or improvement plan. A unit member may not resort to any other contractual grievance procedures for the resolution of challenges and appeals to a professional performance review and/or teacher improvement plan except as otherwise authorized by law.

***The SCBTA and Administration shall review this appeals process and make recommendations for modification no later than July 1, 2017.** All such modifications shall be submitted to the State Education Department for approval as a material change to the APPR plan, and shall not become effective until SED approval is secured.

6.5) Assurance: Evaluators

Please check the box below.

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Annual Professional Performance Review - Education Law §3012-d

Page Last Modified: 11/22/2016

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

Sullivan County BOCES will ensure that all Evaluators/Lead Evaluators and Independent Evaluators are properly trained, certified and re-certified in accordance with the requirements of 3012-d. Training of all evaluators will be conducted by the Sullivan County BOCES instructional support services staff. All new evaluators will attend full day initial training which will include independent practical work. The BOCES senior management team will work with the instructional support services staff to ensure that all evaluators maintain inter-rater reliability. All evaluators will complete a re-certification training that will be a minimum of three (3) hours in duration, every three years. Additional training is provided by both Thoughtful Classroom consultants as well as Oasys, the electronic system that will be used for observation forms. Training for all evaluators will include the nine criteria for lead evaluators in accordance with the requirements of Regents Rule 30-3. Sullivan County BOCES will not be using peer observers.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 11/22/2016

Please check all of the boxes below.

- ☒ Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- ☒ Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- ☒ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data**Please check all of the boxes below.**

- ☒ Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- ☒ Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- ☒ Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 11/22/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math

Page Last Modified: 11/22/2016

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

K	5	☒ Grade 4 ELA ☒ Grade 5 ELA ☒ Grade 4 Math ☒ Grade 5 Math
6	12	☒ Grade 6 ELA ☒ Grade 7 ELA ☒ Grade 8 ELA ☒ Grade 6 Math ☒ Grade 7 Math ☒ Grade 8 Math ☒ All applicable Regents assessments which are used to generate the principal's State-provided growth score

7.1) Assurances

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Task 7. Original Student Performance - Required (Principals) - Original Tasks 7.2 (SLOs), 7.3-7.6

Please check all of the boxes below.

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 11/22/2016

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Assurances

Please check the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.5(d)(1)(ii)(b) of the Rules of the Board of Regents.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

SULLIVAN COUNTY BOCES - APPR APPEALS PROCESS FOR PRINCIPALS

Introduction

Personnel who disagree with their overall rating of “ineffective” or “developing” can appeal their final summative rating.

Note that the term “days” used throughout this document means scheduled employee work days (i.e., a personal day or sick day would count as one of these days). Also, items not meeting the time line requirements must be viewed as resolved at the lowest level of involvement.

WHAT MAY BE CHALLENGED IN AN APPEAL

Appeal procedures limit the scope of appeals under Education Law 3012-d to the following subjects:

- The substance of the annual professional performance review; which shall include the instance of a teacher rated ineffective on the student performance category but rated Highly Effective on the observation/school visit category based on an anomaly, as determined locally
- The school district’s or board of cooperative educational services’ adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d and Subpart 30-3 of the rules of the Board of Regents;
- The adherence to the Commissioner’s regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures as required under Education Law 3012-d;
- The school district’s or board of cooperative educational services’ issuance and/or implementation of terms of the teacher improvement plan under Education Law 3012-d

Level 1 – Discussion with the Evaluator

Personnel who disagree with the ineffective or developing overall rating will make a formal, written request (email or letter) for a professional discussion with the person designated as responsible for the overall rating (for the purposes of this document we will call that person the Supervisor). Said request must be made within five (5) school days of receipt of the overall rating or the PIP; or within five (5) days of when the principal knew or should have known about the perceived error in the implementation of the PIP. The request will specify the area(s) of concern, but must be limited to those matters that may be appealed as prescribed by the regulation (Ed Law 3012-d). The discussion must occur within five (5) school days of the request. The parties may be accompanied by other staff. At this meeting the parties may bring artifacts or evidence related to the evaluation to support their respective positions. The Supervisor must render a written decision within five (5) school days of the discussion. It shall be the duty of the Supervisor to answer the question, “Has the employee demonstrated that the APPR or PIP should be modified?” In the course of answering this question, the Supervisor may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR or the PIP. The Supervisor may either revise the rating or leave it unchanged.

Level 2 – Deputy Superintendent

If the matter is not resolved at Level 1, personnel may make a formal, written request (letter) for a review by the Deputy Superintendent. Said request must be made within ten (10) days of receipt of the decision at Level 1. The request will specify the area(s) of concern, but must be limited to those matters that were addressed through the Level 1 process. No additional evidence or artifacts may be submitted beyond those submitted at Level 1. However, the Deputy Superintendent may meet with individuals and or request other evidence, if he/she chooses and must note this to the parties. Individuals who are called to meet may bring other staff with them. The Deputy Superintendent will render a written decision within fifteen (15) school days of receipt of the written request for Level 2 appeal. It shall be the duty of the Deputy Superintendent to answer the question, “Has the employee demonstrated that the APPR or PIP should be modified?” In the course of answering this question, the Deputy Superintendent may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR or PIP. He/she may sustain the position of one of the parties or may return the decision for additional Level 1 discussion.

Level 3 – District Superintendent Review

If the matter is not resolved at Level 2, personnel may make a formal, written request (letter) for a review by the District Superintendent. Said request must be made within ten (10) school days of receipt of the decision at Level 3. The request will specify the area(s) of concern, but must be limited to those matters that were addressed during Levels 1-3 of the process. No additional evidence or artifacts may be submitted beyond those submitted at earlier levels of the process. However, the District Superintendent may meet with individuals and or request other evidence, if he/she chooses and must note this to the parties. Individuals who are called to meet may bring other staff with them. The District Superintendent will render a decision in writing within fifteen (15) school days of receipt of the written request for Level 3 appeal. It shall be the duty of the District Superintendent to answer the question, “Has the employee demonstrated that the APPR or the PIP should be modified?” In the course of answering this question, the District Superintendent may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to warrant modification of the APPR or PIP. He/she may sustain the position of one of the parties, set aside the rating, may return the decision for additional Level 1 discussion, or take other action.

PROHIBITION AGAINST MORE THAN ONE APPEAL

A principal may not file multiple appeals regarding the same performance review or principal improvement plan. All grounds to appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

Annual Professional Performance Review - Education Law §3012-d**Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9**

BURDEN OF PROOF

In an appeal, the principal has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

Conclusion

This appeal procedure constitutes the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a unit member's performance review and/or improvement plan. A unit member may not resort to any other contractual grievance procedures for the resolution of challenges and appeals to a professional performance review and/or principal improvement plan except as otherwise authorized by law.

Training and certification/re-certification of all evaluators will be conducted by the Sullivan County BOCES instructional support services staff. All new evaluators will attend full day initial training which will include independent practical work. The BOCES senior management team will work with the instructional support services staff to ensure that all evaluators maintain inter-rater reliability. All evaluators will be required to complete a re-certification training that will be a minimum of three (3) hours in duration every three years. Additional training can also be provided by MPPR consultants. All training will be in accordance with the requirements of Regents Rule 30-3. Sullivan County BOCES will not be using peer observers.

PRINCIPAL IMPROVEMENT PLAN

As the APPR is a significant factor in tenure determination, retention and dismissal, any principal who is rated as ineffective or developing must have a Principal Improvement Plan (PIP). The principal is rated on multiple measures and receives a composite rating. Principals are not terminated based on one rating of ineffective. The district must develop a PIP with the principal. A principal with two (2) consecutive ratings of ineffective could be charged with incompetence.

PIP(s) are needed for principals with a rating of developing and/or ineffective as determined by the rating of all measures of effectiveness from the previous school year. The PIP must be in place and implemented by October 1 or as soon as practicable thereafter. The creation of a PIP is the culmination of a collaborative process of improvement, quality assurance and professional learning. Principals and their supervisors work together to develop a meaningful improvement plan for principal action.

The PIP is also part of a negotiated process for staff members not covered by 3012-d who are covered by 100.2 (o).

All PIPs will address the required elements:

- Area(s) in Need of Improvement – goals and standards to be met with a timeline for achieving improvement – frequency and duration of meetings
- Manner in which improvement will be assessed/measured
- Differentiated activities to support improvement/differentiated PD and potential assignment of a mentor
- Costs incurred by staff for any district assigned PD is the responsibility of the district

In some cases it may not be necessary to wait until the start of a new school year to implement a professional development growth plan for a principal. For example, at the end of the school year, a principal may exhibit the need for support prior to their final evaluation score that includes the outcome of state assessment scores. Another example may be that upon observation or another circumstance a concern emerges that necessitates an improvement plan is in place. Potential professional development is offered in recognition that all staff should have the opportunity to grow and improve outside of a required Principal Improvement Plan. Therefore, an administrator may recommend a specific professional development opportunity for a principal to strengthen specific areas of concern, quality of performance or other growth opportunity.

Progress Monitoring of growth in the PIP

PIPs for probationary principals will be based on a three to five month time period. A plan less than 5 months in duration may be extended to a maximum of 5 months based on district discretion. The time period may be shortened by mutual agreement. Progress monitoring is included in the PIP plan. The administrator and the individual will maintain a schedule to review progress as specified in the plan. A written record will be maintained on the PIP Progress Monitoring Chart. Both the principal and his/her supervisor should bring formative and summative data to these sessions. A final evaluation of the PIP will determine if the goals and expectations have been met.

PIPs for tenured principals will be based on a five to ten month time period. A plan less than 10 months may be extended to a maximum of ten months based on district discretion. The time period may be shortened by mutual agreement. Progress monitoring is included in the PIP plan. The administrator and the individual will maintain a schedule to review progress as specified in the plan. A written record will be maintained on the PIP Progress Monitoring Chart. Both the principal and administrator should bring formative and summative data to these sessions. A final evaluation of the PIP will determine if the goals and expectations have been met.
