Lactose Intolerance Special Diet Form

Student's Name: _____

Student's Birth Date: _____

School: _____

Griffith Public Schools provides soy milk as the alternate to cow's milk (under current regulations Lactaid milk is not an allowable substitution). If your child also cannot tolerate cheese, yogurt or other items containing milk due to lactose intolerance, please indicate that below. A physician's signature is required for the substitution of soy milk and all other special diet/food allergies.

Please check one of the options below:

I certify that my child is lactose intolerant and needs to be provided with soy milk in place of cow's milk (cheese and yogurt are fine to provide to my child). *Please provide physicians documentation.
