

Dear CHCA Parents and Students:

The English Department requires summer reading by students to foster growth in vocabulary development and complex reading skills and to ready students for class work. The assigned reading will form the basis for an assessment and/or writing assignment during the first weeks of school. A student's summer reading assignment depends on their English class. Students in 7th grade, 8th grade, and in AP English Language and Composition (11th grade) need to see their additional posted documents for information. **In addition, some classes have listed the materials that students should bring to their first day of school.**

All students in 9-12, please be aware that there will also be an early first quarter grade when you are required to produce a Cincinnati Hamilton County Public Library card. Apply online or at any branch.

Parents,

We want you to know that these books have all been thoughtfully chosen and reviewed to challenge students and to provide a foundation to start the next academic year. Thank you for supporting your student(s) in locating the literature and encouraging them to complete the reading. Should you have any questions about the list, contact Ms. Michelle Barron, English Department Chair, by email michelle.barron@chca-oh.org before June 7th or after August 7th.

In His Service,

Upper School English Department 7-12

.....
