We strive to provide a high quality public education to meet the needs of our students and our community.

We are a values driven organization and, therefore, believe the success of the District depends upon a shared vision held by the school board, LPISD staff, parents, and community, and we will strive, to the best of our ability, to uphold these aspirations.

Written and agreed upon team procedures provide a common framework and shared understanding, and serve to:

- Clarify expectations;
- Minimize confusion and discord;
- Maximize efficiency and effectiveness;
- Tell the who, what, when, where, and how of various situations and practices;
- Improve working relationships;
- Ease new members' transition;
- Keep agreements clear to all;
- Identify best practices for effective teamwork;
- Share procedures with community and staff; and

We adopt these operating procedures to guide our actions and assist us in our role as trustees. We further commit to review these operating procedures annually and to update, adopt or reaffirm them, as appropriate, at or near the annual Board reorganization. (*Refer to Appendix for the annual adoption Action Item.*) These procedures are intended to align with the local policies adopted by the Board to govern District operations. In the event of a conflict between these procedures and any legal or local Board policy, the applicable rule of law and/or Board policy *shall* control.

Policy Ref: BQ (Local)

BOARD EVALUATION

The Board will annually evaluate its performance using the TASB Effective Board Practices: An Inventory for School Boards or another evaluation format agreed upon.

BOARD MEETINGS

The Board generally holds its regular business meetings on the second Tuesday of each month. Additional called meetings, usually work sessions held for the purpose of studying various topics, may be called by the board president by request of the superintendent, by consensus of the Board or used as a replacement for the traditional board meeting.

All Board meetings are held for the purpose of conducting the business of the District in public. While meetings are held in public, they are not public forums for the purpose of engaging in interactions with the public. To allow for meaningful public participation in Board meetings, the Board provides a public forum section on the agenda for each regular

business meeting. The Board intends that all meetings *shall* be conducted in compliance with the Texas Open Meetings Act and all applicable law.

Policy Ref: BE (Local), BBE (Local)

Developing the Board Agenda

- To ensure that the agenda for each Board meeting includes topics that are necessary for the operations of the District and to assist the Board and Administration in preparing for Board meetings, the Board's administrative secretary will maintain an annual Board Agenda Planning Calendar that includes not only recurring matters the Board may consider, but also matters that are anticipated to come before the Board and other topics that the Board has requested.
- The Superintendent (or administrative designee) will develop a draft agenda for each meeting and present it to the Board President for approval at least one day before the agenda is posted and distributed to the Board and/or staff.
- The draft agenda will include those items reflected on the Board Agenda Planning Calendar, any items required by law, routine items and other items necessary for District operations, and any other items requested in accordance with operational procedures.
- Any 2 members of the Board of Trustees may request that a subject be included on the agenda. That request shall be forwarded to the Superintendent and President of the Board as soon as possible but not less than noon of the sixth day prior to the meeting.
- Items submitted for inclusion after the deadline or that require preparation time may, at the discretion of the Board President, be deferred to a later meeting. This decision is based on the time needed to prepare supporting information and to abide by legal posting requirements. (The Texas Open Meetings Act requires a governmental body to post the agenda for a meeting no later than 72 hours before the meeting is scheduled to begin except in an emergency, as defined by Texas law.)
- Use of a consent agenda to present items for a single vote without discussion will conform to the following guidelines:
 - Placement of items on the consent agenda will be at the discretion of the Board President.
 - In compliance with the Texas Open Meetings Act, the public notice for meetings will include the list of all Consent Agenda items; and the Board will be provided ample information about these items in advance.
 - Any individual Board member may ask questions or discuss an item on the consent agenda by identifying it and asking for individual consideration before the consent agenda is called for a vote. Following action on the consent agenda, the Board President will allow discussion on any item(s) that were removed for individual consideration.
 - Examples of items routinely included on the consent agenda:
 - Out-of-state field trips, election and termination of personnel, regular bid and purchase items

- Minutes of regular and special Board meetings
- Acceptance of financial reports
- Approval of personnel contracts that comply with district policies

Policy Ref: BE (Local)

Notification of Board Meetings

- Board members will be notified at least 72 hours prior to a regular or special Board meeting and at least one hour prior to an emergency meeting.
- The Texas Open Meetings Act requires the District to post the agenda at least 72 hours in advance of any meeting. In an emergency, a meeting may be posted on one hour's notice.
- The Superintendent will forward the meeting agenda and any Board Agenda Packet of supporting information on the Friday prior to the meeting to each Board member. Board Agenda Packets are available on the TASB Boardbook website, and upon request may be delivered to each Board member at his or her residence unless an alternate delivery location has been requested in advance.
- Items appearing on the Agenda should be supported by an Executive Summary containing Background Information about the item, and the Administration's recommendation regarding the agenda item.
- Board member questions regarding the information in the Board Packet should be directed to the Superintendent or his designee as far in advance of the meeting as possible to provide sufficient time for response.
- The Board Meeting calendar prepared at the beginning of the each year shall serve as notice to Board members of the dates of regular meetings and study sessions over the course of the year. The Board's administrative secretary will attempt to schedule called meetings at times when all Board members can attend.

Policy Ref: BE (Local)

Conducting Board Meetings

- A quorum (four or more members must be physically present) is required before a Board meeting may be convened. When a committee comprising one or more members of the Board of Trustees convenes to discuss school district business, it is considered a meeting and must be posted in compliance with the Texas Open Meetings Act.
(Policy Ref: BE(LEGAL))
- The Texas Education Code requires a school board to hold its meetings within the boundaries of the school district except in limited circumstances.
- The Board expects that Board members will attend every meeting except where unavoidable conflict prevents a member's attendance.
- The Superintendent *shall* attend all Board meetings unless his/her attendance has been excused in advance by the Board President or presiding officer.

- Parliamentary Procedure
 - The Board President serves as the Presiding Officer at Board Meetings. In the absence of the President, the Vice President will preside. If both are absent, the Board Secretary will preside.
 - The Board *shall* be guided by the procedures detailed in *Roberts Rules of Order, Revised* (or as identified in adopted procedures).
 - The Presiding Officer has the responsibility to keep the discussion to the matter at hand and *shall* restrain discussion that is not pertinent to the business presently before the Board.

- Open and Closed (Executive) Session Format
 - The Open Session of every meeting *shall* begin at the time designated on the Agenda.
 - The Board may meet in Closed Session to address agenda items as allowed by the Texas Open Meetings Act.
 - Prior to entering a Closed Session, the Presiding Officer *shall* announce in Open Session that a Closed Session will occur and cite the applicable provisions of the Texas Open Meetings Act that authorize the Closed Session.
 - No action will be taken in closed session. Any and all action taken by the Board *shall* be taken and only will be taken in Open Session.
 - The Superintendent *shall* attend all Closed Sessions except when the Board is deliberating the Superintendent's performance or at Superintendent's recusal.
 - It is the responsibility of each person who attends a Closed Session to maintain the information discussed in Closed Session in strict confidence.
 - No person other than board members, the superintendent and those persons invited by the Board President and Superintendent, grievants and their representatives is entitled to attend or participate in Closed Sessions.

- Transacting Business:
 - When an agenda item is presented for consideration, the Board *shall* deliberate as necessary before a vote is called.
 - The Board should work toward a consensus model of decision-making, which may not always be possible.
 - Once a decision has been made by the majority of the Board, all Board members should respect the majority vote, recognizing that it carries the full authority of the Board, and respect that decision.

Policy Ref: (BE (Local))

Trustee Participation in Board Meetings

- The Superintendent will supply each Board member with supporting information required for informed decision-making via the Board Meeting Agenda Packet or as a carry-in item with approval of Board President.
- The Superintendent will post (unless special or unique circumstances occur) the Board Meeting Agenda Packet by the Friday before the Board meeting in order for Board members to have adequate time to prepare for the meeting.
- All participants will be prepared to address items on the Agenda.
 - Board members will read Agenda Packet materials before each Board meeting and be prepared to ask agenda-related questions and to deliberate the items as needed.
 - The ability to ask agenda-related questions during a meeting should not and does not serve as an excuse for lack of preparation by any Board member.
 - Voting *shall* be by the electronic voting board or voice vote, as directed by the President. Any member may abstain from voting and a member's vote or failure to vote shall be recorded.
 - Board members will strive to submit posted agenda item questions to the Superintendent 48 hours ahead of time.
- Board members *shall* not comment on or disclose personally identifiable information about any student in public session except when announcing student awards or recognition, unless the parent has requested that the discussion be held in public pursuant to the Texas Open Meetings Act.
- Board members *shall* not comment on personnel matters related to a specific employee in public session unless the employee has requested, pursuant to the Texas Open Meetings Act, discussion of the information in public.
- Except in the case of an emergency, no Board member *shall* engage in any electronic communication (i.e. e-mail, text message) with anyone else during a Board meeting.

Board Member Participation in "Public Forum"

- The Board provides time for comments from the public at its regular business meetings under the agenda item, "Public Forum." Persons wishing to address the Board during Public Forum must comply with the Board's policy and guidelines for audience for guest during Board meetings that are available at the meeting.
- During the Public Forum section of the meeting, Board members will listen to comments, but only the Presiding Officer, as the designated spokesperson, or the Superintendent may respond if a response to the speaker is required. Those responses are limited to:
 - Correcting misstatements of fact presented by the speaker.
 - Referring the speaker to applicable Board policy.
 - Placing the item on a future Board Agenda for discussion if not listed on the current Board Agenda.

- Referring the speaker to a member of the administration for further information and/or follow-up.
- With the approval of the Board, the Presiding Officer may direct the Superintendent to investigate matters brought forward during Public Forum and report findings to the Board at a later meeting.
- If a member of the public has been afforded an opportunity to speak and his or her comments reflect a complaint about an individual district staff or board member, the Presiding Officer will refer the speaker to the appropriate formal grievance policy.
- Persons who speak during Public Forum have First Amendment rights.
- The total time for Public Forum shall generally be limited to 30 minutes during Board meetings, to be divided equally between speakers who sign up to speak. If the Board determines that, because of the number of speakers, this would not allow each speaker sufficient time to address the Board, or that the significance of the issues being addressed warrants additional time, the Board by majority vote may enlarge the time allowed.

Policy Ref: BED (Local)

Visitor Participation at Board Meetings

The LPISD Board is pleased to conduct its business meetings in public and public comments are welcomed.

- The Board offers opportunities during business meetings for members of the public to convey information to the Board during Public Forum.
- The public comment period is not the appropriate forum for presentation of specific complaints or discussions of individual personnel or students. The Board will only consider complaints that remain unresolved after they have been addressed through proper channels and when they have been placed on the Agenda. Specific information or reference to an existing policy may be furnished in response to inquiries.
- The Board cannot deliberate or make a decision on any subject that is not on the Agenda and the Board will not engage in extended dialogue with the speakers.
- A person who wishes to address the Board must complete a form at the opening of the meeting, and place it in the designated box.
- Each speaker should clearly state his or her name and the topic being addressed before beginning to comment.
- Each speaker is limited to five minutes and a speaker may not use time of other speakers to extend his or her comment period. The Board Vice President will keep time for each speaker. Any person who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting. The Presiding Officer may extend the speakers time if appropriate.
- The Board will not tolerate disruption of the meeting by audience members. Any person who continues to disrupt the meeting by words or actions, after having been warned, may be removed from the meeting by District officials or law enforcement.

PERSONNEL

Superintendent

- Hiring a Superintendent
 - The Superintendent is the only District employee that the Board directly hires.
 - If a vacancy for the Superintendent occurs or is anticipated, the Board will determine the process it desires to follow to fill the vacancy.
 - The Board will follow all applicable law in the hiring process.
- Evaluating the Superintendent (*Policy Ref: BJCD (Local)*)
 - The Board will evaluate the performance of the Superintendent at least annually. The evaluation *shall* be discussed during a Closed Meeting using the evaluation instrument that the Board has developed.
 - The Board, will regularly review the Superintendent's evaluation instrument to ensure it continues to be appropriate.
 - Prior to the annual evaluation, each Board member may complete an approved written instrument to independently evaluate the Superintendent's performance. A Board member must provide the individual assessment to the Board President (or President's designee) by an agreed-upon date before the scheduled evaluation so the ratings and comments may be consolidated into a single evaluation document to be provided to the Superintendent during the evaluation.
 - Interim performance evaluations may be conducted at such times as the Board determines will be beneficial. The Board *shall* provide the Superintendent with adequate notice of any evaluation and the Superintendent and Board President *shall* confer to develop the format.
 - A Board member who has a concern about the professional performance of the Superintendent shall discuss such concern with the Board President who *shall* determine the most appropriate manner to bring the concern to the Superintendent's and the Board's attention.
- The Board President *shall* have the authority to approve reasonable out-of-state travel for the Superintendent. At any time the Board President questions the appropriateness of the Superintendent's travel, he/she should place the item on the Board's agenda to seek approval from the Board

Other Personnel (*Policy Ref: DC (Local)*)

- The Board reserves the right to approve or disapprove the hiring, discharge, or nonrenewal of personnel who are employed under Chapter 21 contracts.
- The Board has delegated to the Superintendent the authority to hire and discharge non-certified, at-will personnel.
- Board members may serve as ambassadors to educate potential employees about employment with the District, but should refrain from lobbying the

Superintendent or other Board members for the employment of specific individuals

ELECTIONS

Board Members serve three-year terms that expire on a rotating basis. A Trustee election is held each May, or as otherwise required by law, to fill seats that are or will become vacant. If all seats are uncontested, the election may be cancelled.

Board members strive to govern the District in a nonpartisan manner and to work with all elected officials in the other governmental entities with which LPISD interacts. To support that goal, the Board will not endorse any candidate running for public office. Individual Board members may participate in the electoral process according to their individual consciences but should refrain from using their influence as a Board member as a forum for endorsing candidates.

- The Board elects the following officers each year at the first regular meeting following board elections:

- No Board member *shall* maintain the same board office position for more than three consecutive years. There is no automatic progression of board positions. This does not preclude that same Board member from occupying that same office at a later time.

 - TASB Delegate Alternate

Policy Ref: BDAA (Local)

- Board members are expected to comply with these Standards and other best practices to serve the best interests of the District.
- A Board member who believes another Board member repeatedly has failed to comply with these procedures *shall* first discuss the concern personally with the Board member.
- If personal discussion between the individual Board members fails to satisfactorily resolve the concern, the concerned Board member should seek assistance from the Board President who will engage in further discussions with the Board members or attempt other informal measures to assist the members in resolving the concern.

COMMUNICATIONS

Board members are the leaders of the LPISD and must always strive to serve the best interests of the District in their actions and communications. In carrying out this important role, Board members must always be mindful of their actions and words. A Board member shall take no action that would impugn the reputation of the District, its employees, or other trustees in any manner. When communicating, orally or in writing, or otherwise in representing the District in any activity, Board members are expected to:

- Interact in a positive and professional manner and serve as ambassadors for the District;
- Promote understanding of the District's vision, beliefs, and goals;
- Understand that no comment or statement is "off the record;"
- Treat employees, students, and community members in a polite and respectful manner;
- Avoid criticism of fellow Trustees, employees, students, and community members;
- Avoid disclosing any confidential information about District operations, employees, or students;
- Respect all Board decisions;
- Align communications with District and Board official positions and Board decisions;
- Disclose only accurate information and refer questions that he or she is unable to accurately answer to the Superintendent for further response;
- Clarify the Board member's authority, limitations, responsibilities, and obligations when speaking or acting as a member of the Board
- Copy the Board President on all communications to the Superintendent and/or staff.

REQUESTING INFORMATION ABOUT MEETING AGENDA ITEMS

- Members are encouraged to seek such information as they reasonably require to participate in meaningful deliberation about the agenda item and to carry out the business of the District.
- Board members *shall* direct all questions about agenda items or requests for additional information about them to the Superintendent or his/her designee within a reasonable time prior to the Board meeting so as to allow the Administration to be prepared.
- If a written report is provided in response to the request, the Superintendent will provide all members with a copy.
- Provided the matter is on the agenda, Board members may discuss the provided information in the meeting if necessary.
- Board members may ask additional questions about agenda items in the meeting.

Policy Ref: BBE (Local)

COMMUNICATING WITH BOARD MEMBERS BETWEEN MEETINGS

- Board members may communicate with other individual members for purposes of asking questions, clarifying factual information, attending approved training, or socializing under circumstances that do not conflict with or circumvent the requirements of the Texas Open Meetings Act. (*Ref: Tex. Gov't Code, Ch. 551*)
- The Superintendent or designee will communicate with Board members regularly and on an as-needed basis to inform Board members of all pertinent District information, including such items as:
 - District events
 - District operational matters related to students, personnel, or facilities
 - Progress reports on directives
 - Follow-up reports in answer to Board member questions
 - Updates on administrative matters or District operations
 - Other matters as may be required to ensure that Board members remain well-informed
- The Superintendent will meet with the Board President as needed, or communicate by telephone, fax, and/or email to inform him or her of District issues that may need to come before the Board for information or action.
- The Board President may direct the Superintendent to distribute copies of documents to each Board member for information.
- The Superintendent will promptly communicate information requested by a Board Member to all Board members. If requested information is not readily available so that it can be provided no later than the next Board Packet without unduly interfering with the regular conduct of District business, the Superintendent shall inform Board members when the information can be provided.
- Board members may not and *shall* not communicate with any other Board members for purposes of soliciting votes with respect to items of business that may come before the Board.
- Board members who wish to share information relevant to District business will relay the information to the Superintendent's office for distribution to all members or distribute to Board members via voice mail or e-mail.

REQUESTING INFORMATION OR DOCUMENTS

Board members sometimes feel the need for information in addition to that provided by the administration that is related to a pending meeting agenda item. Likewise, they sometimes would like information about the District that is not directly related to a pending meeting agenda item.

Members are encouraged to seek such information as they reasonably require to participate in meaningful deliberation about agenda items and to carry out the business of the District. However, requests for information and records by individual Board members can easily become burdensome to staff who are asked to gather the information, especially if the requests do not pertain to pending agenda items.

To ensure access to information without creating burdens, the Board has developed the following protocols:

- Board members *shall* direct all questions about agenda items or requests for additional information about them to the Superintendent or his/her designee within a reasonable time prior to the Board meeting, so as to give the Administration an opportunity to provide the information without negatively impacting preparations for the meeting.
- Members should request information not related to a meeting agenda item directly from the Superintendent with a copy of the request to the Board President. Members normally should not seek such information directly from other staff members.
- The Superintendent will determine if the information requested is available from existing sources or records or if it requires that a special, one-time-only report be developed.
- If the requested information can be provided from readily available data with no diversion of staff time, then it normally will be provided within five business days after the request. Responses to requests for information or documents that are made shortly before a board meeting but that are not related to a meeting agenda item may be delayed until after the board meeting, to allow the Administration to focus on preparing for the board meeting.
- Information and/or documents will be provided in a reasonable manner determined by the Superintendent to be most efficient and expedient, without creating any unnecessary additional burden on staff time or expense to the District. Such methods may include directing the board member to the appropriate location on the District's website, or requesting that the Board member set up a meeting with the Superintendent or an appropriate staff member.
- The Superintendent may redirect a Board member's request to the full Board for authorization if, in the Superintendent's opinion, the request requires a material amount of staff time or resources, would require the creation of a special report that would divert staff time from established priorities, or is otherwise disruptive or unreasonable.

- Board members, however, will not be refused information that the District would be obligated to provide to a member of the public
- The Board President *shall* place the request for information on the next meeting agenda to determine if a majority of the board agrees the requested information is important for its future decision-making.
- If the Board agrees that the information is important for future decision-making, then the Superintendent will direct that a report be developed and provided as requested by the Board and commit to a time frame for providing the information.
- All Board members will receive a copy of any report generated by a Board member's request in accordance with this procedure.

Policy Ref: BBE (Local)

BOARD MEMBER COMMUNICATIONS WITH THE MEDIA

- The Board President or designee will serve as the Board's spokesperson to the media on issues regarding board actions.
- The Superintendent or, in his or her absence, a specified designee *shall* be the official District spokesperson to the media on issues of District operations or activities.
- Any Board member who receives a call from the media requesting information, comments, or an interview *shall* direct the media representative to the Superintendent (or Superintendent's communications department designee) for District business and to the Board President for Board-specific issues.
- A Board member who chooses to speak to a media representative should clarify at the beginning of the interview that he or she is speaking only as an individual and not as an authorized representative of the Board of Trustees. Along with the Board member's personal comments, the Board member will remind media representatives of any official position or action already taken on the issue by the Board of Trustees and refer media to the spokesperson for further information.
- Written communications dealing with school district issues submitted for media publication (such as letters to the editor, magazines, blogs, etc.), with the exception of Board member campaign material, should be coordinated with the Board President and then communicated to other Trustees.
- It is inappropriate for a Board member to state an opinion on an upcoming issue that is scheduled for discussion at a board meeting.
- Board members *shall* be bound by all provisions of the open government laws concerning discussion during any closed session.
- Members will not speak negatively about another member, superintendent, or staff in the community.

BOARD MEMBER COMMUNICATIONS WITH THE COMMUNITY

- Board members are encouraged to participate in community activities as liaisons between the public and the District. When doing so, Board members are expected to:
 - Accurately relay information about District mission, vision, beliefs, and goals.
 - Clarify a Trustee's limitations, obligations, and responsibilities as a member of the Board.
 - Respect Board decisions.
 - Interact in a positive manner.
 - Listen politely and respectfully to comments.
 - Make no commitment on behalf of the Board or District.
 - Avoid criticism of District personnel and fellow Board members.
 - Refer questions about specific District activities to the appropriate staff person if he/she does not know the answers.
 - Be cognizant that the Board member is seen and perceived as a Board member. Comments or statements are not made "off the record."
- While the Board of Trustees encourages community input, it will not take action on the basis of anonymous calls or letters.
- Communications received by the Board or a Board member may be forwarded to the Superintendent for review.

MEMBER-TO-MEMBER COMMUNICATIONS

- General Communications
 - Board members are expected to communicate with each other and with District staff in a professional and collegial manner to support the mission of the District.
 - Board members should be respectful of fellow Board members' opinions offered during deliberations.
 - Board members may communicate information to one another provided all such communications are consistent with the member's obligations under the Texas Open Meetings Act (*Ref: Tex. Gov't Code, Ch. 551*).
 - Written communications dealing with the business of the District constitute public information under the Texas Public Information Act and may be subject to disclosure upon request (*Ref: Tex. Gov't Code, Ch. 552*).
- Conflict Resolution
 - It is expected that Board members will attempt to informally work out any personal or professional conflicts with each other such that the members continue to work in a collaborative and effective manner to serve the best interests of the District.
 - If conflicts arise between Board members related to Board business that cannot be resolved through personal communications between the members, the Board President will attempt to informally mediate the conflict and achieve resolution.

BOARD MEMBER VISITS TO CAMPUSES OR DISTRICT FACILITIES

- Board members are encouraged to attend as many school events or to accept any invitations as their time permits.
- Board members will notify the Superintendent of their intent to visit a campus excluding public events or parent-related activities.
- Board members may visit any campus. To avoid disruption of the learning process, Board members are to confer with the campus principal about the best time to visit.
- Board members *shall* check in with the principal's office upon arrival and follow all campus guidelines for visitors. Board members are strongly encouraged to display their badge identifying them as a Board member at all times.
- Board members may not give any direction to any staff or students, except when safety or liability is immediately at risk.
- When visiting with teachers or administrators of their own children, Board members will make it clear that they are acting as parents rather than as Board members.
- Board members will not request or accept extraordinary consideration nor "favors" from any District employee.

BOARD DEVELOPMENT AND ADVOCACY

CONTINUING EDUCATION

- The Board places a high priority on continuing education and continuously seeks to improve Board and individual member effectiveness through intentional and deliberate participation in continuing education programs.
- Each Board member commits to completing all legal requirements for continuing education.
- , At the last regular meeting of the board of trustees before an election, the current president shall announce the name of each board member who has completed, who has exceeded, and who is deficient in meeting the required continuing education as of the anniversary of the date of each board member's election or appointment to the board.. *Reference: Board Policy BBD (LOCAL).*
- The Board *shall* determine priority areas for continuing education for each member during the upcoming year with the use of an Annual Continuing Education Calendar. Considerations should include:

 - Board member individual growth; and
 - Financial constraints and travel required for various programs
 - Approved board member continuing education programs
- Board members have typically participated in one or more of the following development opportunities each year:

 - TASB Conferences, Conventions and Summer Leadership Institute
 - Team Building (Conducted in District)
 - Region IV Workshops
 - In-house educational updates provided by staff or invited guests

- The Board will strive to attend a minimum of one of the following events each year as a team:
 - TASB/TASA Convention
 - TASB Summer Leadership Institute
- To ensure the most effective use of District funds, the Board President will coordinate the training activities that Board members will attend where travel or large enrollment fees are required.

- Board Members who desire to attend a workshop or convention should inform and seek approval from the Board President prior to making plans or financial commitments. A Board member may receive reimbursement for legitimate business expenses incurred in attending approved continuing education programs in accordance with District policies and procedures and applicable law. In order to be reimbursed, the continuing education should receive continuing education credit hours from TASB.

Learning empowers people to reach their full potential: physically, mentally, socially, and emotionally.

Everyone is a teacher, everyone is a learner.
