# Upcoming Recognitions:

## Speech Pathologist Day

**May 18, 2023**

You'll find speech language pathologists in hospitals, rehabilitation facilities, nursing homes, schools, early intervention settings, universities and private practices. In 2010, the United States dedicated May 18th as 'National Speech Pathologist' day, a day to recognize these incredible individuals.

## Mental Health Awareness Month

A strong sense of community within neighborhoods protects mental health through shared support, resources, and joy.

For Mental Health Month this year, Mental Health America is encouraging individuals to look around and look within. From your neighborhood to genetics, many factors come into play when it comes to mental health conditions. We encourage everyone to consider how the world around them affects their mental health.
