HOME LANGUAGE SURVEY

Directions to Parents/Guardians:

The California Education Code contains legal requirements, which direct schools to assess the English language proficiency of students. The process begins with determining the language(s) spoken in the home of each student. The responses to the home language survey will assist in determining if a student's proficiency in English should be tested. This information is essential in order for the school to provide adequate instructional programs and services.

As parents or guardians, your cooperation is requested in complying with these requirements. Please respond to each of the questions listed below as accurately as possible.
