### PROGRAMS OF EXCELLENCE

In 2019, schools identified up to three Programs of Excellence areas as priorities. These priority areas indicate the intent of the school to plan, implement, and evaluate activities that support

the whole child. In future years, schools will be able to self-identify as Programs of Excellence at one of three levels - bronze, silver, or gold - with input from staff, school leadership, and stakeholders. When available, these identifications will be reflected here.
