Recovery Teacher’s On Campus Schedule:

*Tangipahoa Parish School System
Summer School*

(Completed form must be turned in at registration)

Name of Student: _____

I understand the above student must work from home to complete all lessons including Topic Tests and Cumulative Exams. Failure to complete a course will result in **NO FINAL GRADE ASSIGNED AND NO CARNEGIE UNIT EARNED**. The maximum number of credits available will be a total of 2 Carnegie units. Students and parents can monitor progress through the student’s online account.

Edgenuity courses will be utilized during summer school. The courses will be designed differently from the regular school year. Courses will allow the student to work without “locking” the course. However, failing quizzes and/or tests multiple times will impede progress, therefore it is imperative the student do their best on all assignments. A failing grade will result in **NO CARNEGIE UNIT** earned.

No computer lab will be available; however the summer school teacher will be available at the school site for assistance. The credit recovery teacher’s schedule is listed on page 1 of this document. Summer school assignments, grades and completion are the responsibility of the student and parent/guardian.
