SPECIAL CONSIDERATIONS AND PRECAUTIONS

(regarding school activities, sports, trips, etc.)

Describe any special considerations or precautions: _____

A SEIZURE CONSIDERED AN EMERGENCY WHEN:

- A convulsive (tonic-clonic) seizure lasts longer than five minutes
- Student has repeated seizures without regaining consciousness
- Student has a first time seizure
- Student is injured or has diabetes
- Student has breathing difficulties
- Student has a seizure in water

→ **IF CHECKED STUDENT WILL SELF-CARRY SEIZURE MEDICATION.**

This student is capable and has been instructed in the proper method of self-administering medications named above. If checked this student will self carry emergency medicine throughout the school day and during all field trips. ALL middle and upper school students are responsible for self carrying emergency medicine during after school activities and overnight field trips, including sports, clubs, Winterim, Senior Trip and all summer activities/camps. Student and/or parent will notify teachers, coaches, chaperones and school nurses emergency medication will be located should a seizure occur. All students are encouraged to provide an additional emergency medication to the health room.
