

My name is Michael Brague, and I am seeking to be elected to an open seat on the Region 14 Board of Education.

I've lived in Region 14 since 2008, in both the towns of Woodbury and Bethlehem. For the past four years I've enjoyed raising my family on Mill Pond Road in the bucolic town of Bethlehem.

I have four children, one of whom is currently a student at Nonnewaug High School in the Vo-Ag Program. I am an active parent sharing my enthusiasm of motocross racing on the New England Circuit with my oldest son, in addition to my hobbies of saltwater fishing and camping with my family in my spare time.

I've been heavily involved in my community of Bethlehem, which includes volunteering with the Bethlehem Fair since 2005.

With my many years of experience in sales and construction, I will bring a solid work ethic, and strong management skills to effectively serve my community as a Board of Education member.

I have the background, commitment, and passion necessary to be an integral member of the Region 14 Board of Education. Plus the skill set to ensure the focus of this board continues to provide a high quality public education for our children.

I have chosen to run for the seat on the Board of Education because I am passionate about being a microphone for the parents in meeting the educational goals for our children.
