

Oakland VLAC

VIRTUAL LEARNING ACADEMY CONSORTIUM

K-8 and High School Enrollment Steps

STEP 1:

Prior to applying for VLAC, your child must be enrolled in a public school that participates with VLAC. Please view the available districts on our website under the Enrollment tab and select the Participating Districts link.

STEP 2:

Visit www.vlac.org. Look for the “enroll now” on the home page of our website and under the 'enrollment' tab or click the following link: <https://mistar.oakland.k12.mi.us/ostc/parentportal/>. Fill out the 4-step application in full and click “Submit Completed Pre-Enrollment”. An automated message will be sent to the email provided once your application has been submitted. If you do not receive this message, please check that you have submitted the online application or email us at info@vlac.org.

STEP 3:

VLAC will reach out to your district to obtain a signed district verification form. This form will complete your enrollment and you will receive a confirmation email from info@vlac.org. For high school students, VLAC will obtain your transcripts from your district. VLAC will work with your district to find the best placement if your child is credit deficient.

STEP 4:

Please watch your email throughout late August and September for updates about account login information and possible curriculum deliveries depending on curriculum and grade level (high school students are 100% digital curriculum). Further information will be emailed to you regarding the REQUIRED virtual VLAC Orientation. Your mentor teacher will reach out to you in late August or after your enrollment is complete.
