Good Evening,

Fall sports registration is approaching fast! We hope that you will find this information helpful, so all student-athletes will be prepared for the first day of practice this fall season.

There will be a lot of information included in this email, so as always please feel free to reach out to the East and West athletic offices with any questions. The [East and West athletic websites](#) are a great place to find all the information mentioned in this message.

Sports Physicals: If you plan to participate in high school athletics, now is the time to schedule your sports physical! All information about physicals can be found on our **forms & sign-up information** tab on our athletics and activities websites. Physicals dated after 4/1/22 will be good for the 23-24 school years. Physicals dated after 4/1/23 will be good for the 23-24 and 24-25 school years. On the East and West webpages you will also find a list posted of students that will not need a new physical for the 23-24 school year. Information and guidance regarding online athletic registration in Infinite Campus is also posted, which will provide you with information on how to register your child for their sport through the infinite campus parent portal. All families in the SPASD have a parent portal. If you need assistance with your login information, please contact Kris at our district support center, her email is:

kkwendo@sunprairieschools.org

Forms to turn in?

- If your child is on the list as not needing a new physical, nothing needs to be turned in.
- If your child needs a new physical, that will be the only form you will need to send to our office.
- Student-athletes will not be permitted to participate until they have turned in a current physical and have registered for their sport in Infinite Campus.

Physicals can be scanned and sent to:

Sun Prairie East: cardinalsathletics@sunprairieschools.org

Sun Prairie West: wolvesathletics@sunprairieschools.org

****Note:** the physical needs to be signed, dated, and stamped by the physician. We do not accept an appointment summary or a print out from My Chart.

Registration for high school athletics (grades 9-12) will open in the Infinite Campus Parent Portal for the 23- 24 school year on July 1, 2023. Winter sports registration begins October 1, and Spring sports registration opens Feb. 1. Adapted sports registration will be available July 18, 2023.

Sport Start Dates: [Here](#) are the start dates for all sports offered at Sun Prairie East and West High schools. You will be able to find all coach contact information under our **team** pages for each sport as well as specific team schedules. We will be updating our **announcements** web page with sport specific information from coaches as they submit it to our office.
