- 1.2 The terms "District," "Management," and "District Management," as utilized in this Agreement shall be deemed to be synonymous, and shall, as appropriate, by law, include the District as an entity, the Board of Trustees, the Superintendent, and all other members of District Management.
- 1.3 This Agreement is entered into pursuant to Chapter 10.7, Section 3540-3549 of the Government Code ("Act").

ARTICLE 2: RECOGNITION AND SCOPE OF BARGAINING UNIT

- 2.1 The District Board recognizes the Association as the certified exclusive representative of the certificated Bargaining Unit Member unit for the purpose of meeting and negotiating and for the purpose of representation of Bargaining Unit Members in the unit on the matters set forth in this Agreement.
- 2.2 The Dinuba Teachers Association/CTA/NEA and Dinuba Unified School District do hereby agree that the certificated bargaining unit for the Dinuba Unified School District shall be comprised of all the certificated Bargaining Unit Members of the District, excluding positions requiring Administrative, Supervision, Pupil Personnel and Psychologist credentials, Speech Therapists, substitutes, hourly Bargaining Unit Members, and retirees of the school district.

ARTICLE 3: TERM OF AGREEMENT

- 3.1 The term of this Agreement shall commence on October 1, 2019, through September 30, 2022, or until such time as a Successor Agreement is reached.
- 3.1.1 For the 2020-2021 school year, negotiations are closed, with the exception of Employee Benefits Article 14.1.2.1 and Salaries Article 15.8, unless both parties mutually agree to reopen the Contract for negotiations.
- 3.1.2 For the 2021-2022 school year, reopeners will be Article 14 - Employee Benefits, Article 15 - Salaries, and up to two reopeners each party.
- 3.2 It is the intention of the parties that this Agreement set forth the full and entire understanding of the parties regarding all matters set forth herein. Both parties agree to live within the terms and conditions of the contract and agree not to meet and negotiate on any of the matters contained herein, and any prior or existing understanding or agreements by or between the parties, whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety.
- 3.3 The parties agree that it is to their mutual benefit to encourage the resolution of differences through the processes provided by this Agreement. Therefore, it is agreed that the Association and the District will support this Agreement for its term, and will not seek change in any matter subject to the meet and negotiate process, except by mutual written agreement of the District and the Association.
- 3.4 The Board shall not reduce or eliminate any benefits as provided by the terms of this agreement so long as this agreement is in effect.
- 3.5 In the event that any provision of this Agreement shall, at any time, be declared invalid by any administrative agency or court of competent jurisdiction, such decision shall not invalidate any other provisions of this agreement, and all remaining provisions shall remain in full force and effect.
- 3.6 Should a provision or application be deemed invalid as described in paragraph 3.5 above, the Board shall retain any benefits to the extent

allowable under law, but not to exceed any provisions granted by this Agreement.

ARTICLE 4: DISTRICT RIGHTS

- 4.1 It is agreed the District retains all of its powers and authority to direct, manage and control the educational program to the full extent of the law, except as limited by the terms of this Agreement. Included in, but not limited to, those duties and powers is the right to:

 - 4.1.5 establish its educational policies, goals and objectives;
 - 4.1.6 insure the rights and educational opportunities of students;
 - 4.1.7 determine staffing patterns;
 - 4.1.8 determine the number and kinds of personnel required;
 - 4.1.9 maintain the efficiency of District operations;

 - 4.1.12 establish budget procedures and determine budgetary allocation;
 - 4.1.13 determine the methods of raising revenue;
 - 4.1.14 contract out work to be done or services to be rendered, except that work performed by members of the certificated bargaining unit shall not be contracted out during the term of this Agreement.
- 4.2 All current and future policies, rules and regulations of the District not in conflict with this Agreement shall remain in full force and effect, provided that this reference to such policies, rules, and regulations shall not be

deemed to make such matters subject to the Grievance Article of this Agreement.

- 4.3 The Board has the right to take any action on any matter in the event of an emergency if so declared in public meeting.

ARTICLE 5: GRIEVANCE PROCEDURE

- 5.1 Grievance is any complaint, misunderstanding or dispute by a Bargaining Unit Member, or a group of Bargaining Unit Members, as to the interpretation or application of this agreement.
- 5.2 Days for the purpose of this Article shall be defined as school days, except that during the time that school is in recess for vacation, days shall mean those days that the District office is open for the conduct of normal business.
- 5.3 **Informal Level** - Bargaining Unit Members should attempt to resolve any grievance on an oral informal basis prior to the utilization of the grievance procedure.
- 5.4 **Level 1** - An aggrieved Bargaining Unit Member will present his/her grievance in writing to the Bargaining Unit Member's principal (or designated replacement, who shall have the authority to make a determination) within 10 workdays after the Bargaining Unit Member can be reasonably assumed to have knowledge of the occurrence giving rise to the grievance (the Bargaining Unit Member may have a representative with him/her if so desired). The principal shall reply in writing to a grievance within ten workdays.
- 5.5 **Level 2** - If the grievant is not satisfied with the reply in Level 1, within ten (10) workdays thereafter, the Bargaining Unit Member shall file a written grievance with the District Superintendent or his/her designee who shall have the authority to make a determination. The Superintendent or his/her designee shall, upon request, meet with the grievant and his/her representative if so desired by the grievant within ten (10) workdays of the request. Said meeting to take place during regular District office business hours. The Superintendent or his/her designee shall reply in writing to the grievant within ten workdays thereafter.
- 5.6 **Level 3** - If the grievant is not satisfied with the decision at Level 2, within ten (10) workdays thereafter, the Association may file a written request that the matter be submitted to Mediation. A mediator from the State Mediation and Conciliation Service will be contacted and a meeting to attempt

resolution will be held as soon as practicable. Participants in the Mediation process shall include the Superintendent or his/her designee, the grievant, and representatives of the Association.

- 5.7 **Level 4** - If the grievant is not satisfied with the decision at Level 3, the Bargaining Unit Member may, within ten (10) workdays, submit a request in writing to the Superintendent for arbitration of the dispute. The grievant/association and the District shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the California State Conciliation Service to supply a panel of five names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by lot.

The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the grievant. All other expenses, including fees for witnesses, or the actual costs of substitutes for witnesses, shall be borne by the party incurring them.

The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues that were submitted to arbitration.

If the parties cannot agree upon a summary of the issues, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each level. In disputed cases regarding whether or not a grievance claim is within the scope of these proceedings, the arbitrator shall rule on the arbitrability of the issue.

The arbitrator shall have no power to add to, subtract from or modify the terms of agreement. The finding of the arbitrator shall pertain only to the grievance filed and must be determined within the provisions of this agreement. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit, within thirty (30) calendar days, to all parties, a final and binding decision.

5.8 Each of the formal requirements and time limitations stated herein for the processing and determination of grievances shall be strictly adhered to provided, however, that any time limits may be extended by the express written agreement of both parties. If the grievant fails to appeal the grievance within the time limit specified in any step of the grievance procedure, the grievance shall be deemed waived and terminated. If the District fails to comply with any of the time limits specified the grievance shall move automatically to the next higher step, if a higher step exists.

ARTICLE 6: ASSOCIATION RIGHTS

- 6.1 The Association shall have the right of access to District Bargaining Unit Members at reasonable times. The term "reasonable times" as used herein means meal periods, and any time before or after a Bargaining Unit Member's workday, as specified by the Board of Trustees, when such a Bargaining Unit Member is present upon District property, but is not expected to be performing service, or ready to perform services, on behalf of the District.
- 6.2 Representatives of the Association shall have the right to make use of school equipment, District buildings and facilities for Association business when the District does not otherwise need such equipment. Such equipment shall include computers, typewriters, telephones, other duplicating equipment, calculating machines, Email, and all types of audio-visual equipment. The Association shall provide its own supplies.
- 6.3 Representatives of the Association may contact Bargaining Unit Members in any lounge facility, meeting room, office, or classroom of the District provided that nothing herein shall be deemed to permit such access to a Bargaining Unit Member at any time set aside for consultation or conference periods, or at any time that students or parents are present in the classroom where such access might otherwise be permissible, and provided further that if such access occurs in the proximity of District Bargaining Unit Members who are otherwise performing duties on behalf of the District, such access shall not be utilized in a manner that will disturb, disrupt, or otherwise interfere with the work of any Bargaining Unit Member of the District. Notwithstanding the provision of 6.3, the representatives of the Association may contact members of the Dinuba Teachers Association during school hours provided that classes are not interrupted, other members of the staff are not disturbed, and the educational process is not affected by this contact. However, this provision does not allow for meetings during normal required hours of service.

- 6.4 Representatives of the Association shall have the right to utilize District facilities for the conduct of meetings with District Bargaining Unit Members. Requests to utilize such facilities shall be made upon forms to be prescribed by the District, and shall be subject to prior requests for the utilization of such facilities by groups entitled to their use under provisions of the Education Code. Meetings conducted in such facilities shall in no way conflict with the work of District Bargaining Unit Members, and shall in no way conflict with the public school purposes of the District.
- 6.5 To assure the safety and security of students, any representative of the Association who wishes to enter a school campus of the District during hours in which students are present shall notify the Principal's office of his/her identity and his/her status as the representative of the Association. Appropriate identification and credentials may be required in instances when management at the campus level does not know or have reason to know the individual's identity or affiliation.

Such release time in increments of one-half or one full day shall be used at the discretion of the Association providing the immediate supervisor or designee is given reasonable notice of twenty-four (24) hours of impending absences. This time shall not be used for renegotiating this Contract.

7.2.3 An evaluation shall be completed at least every five years for Bargaining Unit Members with permanent status who have been employed at least 10 years with the school district, and whose previous evaluations rated the Bargaining Unit Member as meeting or exceeding standards, if the evaluator and the certificated Bargaining Unit Member being evaluated agree. The certificated Bargaining Unit Member or the evaluator may withdraw consent at any time. Both the evaluator and the certificated Bargaining Unit Member must provide written consent annually and note the year of the evaluation cycle. (See Appendix H for five-year (5) Evaluation Cycle Consent Form.)

7.2.6 The formal written evaluation of a Bargaining Unit Member shall be based upon a number of classroom observations of sufficient length to enable the evaluator to form a valid opinion of the Bargaining Unit Member's work.

7.2.6.1 Lesson observation(s) for the purpose of formal evaluation, shall normally be arranged by the evaluator and the evaluatee by mutual agreement at least 48 hours in advance of the observations. Short-term observations may be carried out on an unannounced basis.

7.2.6.2 Any certificated Bargaining Unit Member who receives an unsatisfactory observation may, upon request, be entitled to a subsequent observation, conference and written evaluation, as prescribed above. Permanent Bargaining Unit Members who receive an unsatisfactory evaluation may request a different qualified evaluator prior to a mandatory annual evaluation.

7.2.6.3 The formal filing of the evaluation shall be preceded by an evaluation conference in which the evaluator and the certificated Bargaining Unit Member shall review the observation(s) and what is to be incorporated into that evaluation report within five working days.

- 7.2.7 An evaluator shall base a formal evaluation of a certificated Bargaining Unit Member on information which is collected through direct observation of such Bargaining Unit Member or other documented information. This excludes public charges and other negative material in the personnel file that has not been documented.
- 7.2.7.1 Permanent certificated Bargaining Unit Members who receive an unsatisfactory evaluation in the areas cited in Article 19 shall be referred to Peer Assistance and Review.
- 7.2.8 The certificated Bargaining Unit Member's evaluator shall take affirmative action to assist the Bargaining Unit Member in the correction of any cited deficiencies. Such action shall include specific recommendations for improvement and direct assistance in implementing such recommendations, using the Strategy for Assistance Form.
- 7.2.8.1 Permanent certificated Bargaining Unit Members who receive an unsatisfactory evaluation in the areas cited in Article 19 shall be referred to Peer Assistance and Review.
- 7.2.9 If subsequent remedial action eliminates the negative evaluation and/or the identified deficiencies, the evaluator shall place appropriate comments in the evaluatee's personnel file.
- 7.2.10 Bargaining Unit Members shall not be required to participate in the observation and/or evaluation of other Bargaining Unit Members other than within the formal structure of PAR. They shall not be required to formally assess their own performance except by mutual agreement between the evaluator and the evaluatee.

7.2.11 Evaluators shall receive district-standardized training in evaluative techniques and procedures.

7.2.12 In the event that the evaluatee disagrees with the evaluation, the evaluatee shall institute the grievance process beginning at the informal level.

- 8.2 While the foregoing paragraph delineates the normal hours of service that may be required of a Bargaining Unit Member on a daily basis, it is generally acknowledged and agreed by the Board and the Association that for purposes of planning and preparation, Bargaining Unit Members must normally devote reasonable amounts of time to professional responsibilities beyond the hours specified above. It is further acknowledged and agreed that preparation time requirements will vary generally in direct relationship to the number and variety of course offerings for which a Bargaining Unit Member is responsible.
- 8.2.1 No junior or senior high school Bargaining Unit Member shall have more than four separate course preparations per day

without his/her voluntary consent, except in cases where it would be impossible to fill the Bargaining Unit Member's daily teaching schedule with only four preparations.

- 8.8 The District shall be permitted reasonable discretion in rearranging blocks of instructional time as shown above to accommodate busing schedules, special programs and to meet statutory requirements. Total amounts of instructional time and required hours of service shall not be altered, except in the second semester to meet statutory requirements because of weather (fog) or emergencies.

- 8.9 Bargaining Unit Members are expected to help with District and site committees. Bargaining Unit Members will, from time to time, be asked by their administrators to assist on special assignments. It is preferred that all Bargaining Unit Members do their share by volunteering for service when needed. Release time for committee work will be considered when

appropriate and approved by the Administration.

- 8.10 On foggy days, Bargaining Unit Members shall be required to report for duty fifteen (15) minutes before the scheduled instructional start time of that day, if the start time is delayed. It is understood that certain grade levels waive preparation time for that day during the delayed start time. Bargaining Unit Members who report that driving conditions are unsafe, even after the delay time is over, must contact their site to notify the site office of their delay.

- 8.11 It is recognized and acknowledged that in addition to all hours indicated above, Bargaining Unit Members may be expected to spend reasonable time in school-related activities such as, but not limited to, parent/teacher conferences and back to school night. Bargaining Unit Members may be expected to fulfill these obligations as long as they are consistent with and do not significantly exceed those established by the District prior to the adoption of this Agreement.

8.11.1 If a general education Bargaining Unit Member attends more than three (3) IEP meetings annually, which begin outside the contractual day, the Bargaining Unit Member shall be compensated at the hourly rate of pay for the duration of the meeting rounded to the nearest quarter hour.

the projected impact on staff, students and the educational process.

8.12.3 A sixty seven percent (67%) vote of the eligible Association members at the school site casting ballots is necessary to waive any portion of the Collective Bargaining Agreement.

8.12.4 Completed waiver applications shall be submitted to the DTA Executive Board and the DUSD Board of Trustees for final ratification.

8.12.5 The parties named in the paragraph above, agree that during the month of March of each year, they will review waivers of negotiated contract provisions as to the continuation of these waivers into the subsequent year.

8.13 Sierra Vista Bargaining Unit Members will not have Minimum Days throughout the year based on the regular dismissal time of students at that site.

ARTICLE 9: CLASS SIZE

- 9.1 The District and the Association recognize that class size is a major factor in determining the quality of education received by students. Therefore, the following standards are established:

The payment for the extra students shall be computed from the first day of enrollment.
(Day one of the seven days.)

9.8 Whenever the number of students assigned to any Bargaining Unit Member exceeds the maximums established in 9.2 for seven (7) consecutive days, the Principal shall notify the Bargaining Unit Member and the District in writing using the appropriate form.

"As of the Tentative Agreement dated January 26, 2015, Longevity only applies if a coach does not change sports. If a coach moves from one sport to another, even a newly developed program, years of service toward longevity will begin again".

"Longevity will be considered for coaches moving from one level of competition to another (i.e. JV Football Coach moving to a Varsity Level, or Freshman Coach moving to JV Level, etc.). In such cases the coach will be placed on the lowest step of longevity that ensures an increase of compensation".

*These positions would be authorized based on sufficient participation in the sport as determined by the AD and site Principal, with the concurrence of the Superintendent and approval of the Board.

**Cross Country add one assistant at 75 participants, add one more at 100 participants verified by AD roster.

***Wrestling - one additional assistant if over 50 participants verified by AD roster.

****Track - one assistant for every 20 students; capped at 5; verified by AD roster.

"As of the Tentative Agreement dated January 26, 2015, Longevity only applies if a coach does not change sports. If a coach moves from one sport to another, even a newly developed program, years of service toward longevity will begin again".

"Longevity will be considered for coaches moving from one level of competition to another (i.e. JV Football Coach moving to a Varsity Level, or Freshman Coach moving to JV Level, etc.). In such cases the coach will be placed on the lowest step of longevity that ensures an increase of compensation".
