

Summer 2017

LEYDEN

HIGH SCHOOL DISTRICT 212

Superintendent's Corner

Nick Polyak, Ed.D.
Superintendent

Hello Leyden Family,

On behalf of our faculty and staff, I'd like to congratulate our graduates and wish them well in their next phases of life. I'd also like to congratulate and thank our retirees for their service. Their contributions have made a difference in the lives of countless kids.

Additionally, I would like to recognize Dr. Mikkel Storaasli. After 21 years at Leyden, he left this summer to serve as the superintendent for Grayslake Community High School District 127. Mikkel has been a math teacher, a math department chair, an assistant principal, and was most recently our assistant superintendent for curriculum and instruction. He has been instrumental in almost everything that happens at Leyden. We are excited for him, but he will be greatly missed by the entire Leyden family.

With Mikkel moving on, we have welcomed back a familiar face – Dr. Michael Manderino. He rejoined Leyden after working as a professor at Northern Illinois University for the past six years. Mikkel and Michael have been working closely to ensure a smooth transition this summer.

Leyden also welcomed Patrick Hatfield this summer. When Tom Janeteas retires next summer as the district's Chief School Business Official, Patrick will take over. This next year will allow for a seamless transfer of the district's finances, investments, and the management of our construction projects.

As I've noted in previous issues, Leyden has begun significant construction projects at both high schools. When we completed strategic planning last summer, one of our goals was to improve communication and transparency with all of our stakeholders. With that in mind, we have established a new page on our website devoted to our construction projects. You can view real-time images of the progress, read about the purpose of the projects, and submit questions. That page can be found at www.leyden212.org.

I am always excited to share what is happening at Leyden, and I thank you again for all you do to support our students and our community.

With #leydenpride,
Nick Polyak

District 212 Earns The Meritorious Budget Award

The Association of School Business Officials (ASBO) International has awarded Leyden High School District 212 the Meritorious Budget Award (MBA) for excellence in budget presentation during the 2016 - 2017 budget year.

The association notes that the district has been participating in the MBA program for three years, a reflection of the district's commitment to fiscal integrity.

The MBA program promotes and recognizes excellence in school budget presentation and enhances school business officials' skills in developing, analyzing and presenting a school system

budget. After a rigorous review by professional auditors, the award is conferred only on school districts that have met or exceeded the program's stringent criteria.

"At Leyden we take great pride in being responsible stewards of our local resources," says Nick Polyak, District 212 Superintendent. "The recognition for the Meritorious Budget Award is possible because of the work of our Chief School Business Official Tom Janeteas and his fiscal services team. Tom is a champion for public education and fiscal responsibility. This award is a reflection of his team and the work they do every day in support of our students and our community."

This is the 12th consecutive year Voya Financial, Inc. has sponsored the MBA program.

The corporation is composed of retirement, investment, and insurance companies that serve the financial needs of approximately 13 million individual and institutional customers in the United States.

Founded in 1910, ASBO International is a professional organization of 5,000 members that provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of education resources.

Student Board of Education Members Recipients of Award of Merit

East Leyden senior Vanessa Gallegos and West Leyden senior Noelle Lowther have been recognized as Award of Merit recipients in the 2017 Distinguished Service Awards Program sponsored by the Illinois Chapter of the National School Public Relations Association (INSPPRA). The young women were nominated in the student category by District 212 Superintendent Nick Polyak.

The statewide Distinguished Service Awards program honors those who have consistently extended themselves on behalf of their school and worked to underscore the importance of education to the community.

"Both Vanessa and Noelle were selected to represent the student body on the School Board because of their school involvement and strong character," recalls Superintendent Polyak. "They were not afraid to speak up and add student voice to the decision-making process of the Board. They also provided input and raised issues of importance to themselves and their classmates."

The graduated seniors were recognized at INSPPRA's awards luncheon on Friday, May 5, at the Bolingbrook Golf Club.

The young women were honored as Award of Merit recipients in the 2017 Distinguished Service Awards Program sponsored by the Illinois Chapter of the National School Public Relations Association (INSPPRA). The pair was recognized for their efforts as the first student members of Leyden's Board of Education.

District Hosts 29th Annual William H. Fern Awards Ceremony

District 212 students, faculty, and staff were honored at the 29th Annual William H. Fern Awards Ceremony held on Thursday, April 20, at the East campus. William Fern, a former Leyden teacher, began the awards program after he retired from teaching several years ago. He spoke at the awards ceremony, encouraging award winners to be life-long learners and to pursue their dreams.

Faculty and staff select the honorees by voting for those who have exhibited extraordinary effort, talent, and dedication to their goals and work. In recognition of their accomplishments, each winner received a monetary gift from Dr. Fern.

Leyden Breaks Ground on Historic Construction Project

May 18, it was a beautiful day; a perfect day for a groundbreaking ceremony. The event marked "the beginning of a historic construction project that will benefit generations of Leyden students," said Superintendent Nick Polyak at the start of the ceremony. "We're very excited about the construction projects that will enhance the education process for students at both campuses."

Future and current students, school board members, administrators, staff, and community members witnessed the start of the project as local elementary students donned hard hats and joined current Leyden students to break ground together – a gesture that signified the district's foresight.

"These projects are looking ahead to the future, so it is important for us to recognize the impact they will have on our local elementary students when they come to Leyden," Polyak said.

The plans include an estimated \$55 million project at East Leyden and an estimated \$25 million project at the West campus. Construction is going forward without the need for a tax referendum, Polyak noted.

Construction at the West campus began on May 25, one day after school ended for the summer. The plan features

an addition inside part of the inner courtyard. The first floor will include a cafeteria/commons area and kitchen renovation. The second floor addition will contain a new library and media center. Renovated classrooms and office areas also are part of the project.

At East, plans include new classrooms, practice rooms for band and choir, a new cafeteria/commons, an enclosed inner courtyard, aquatic center, preschool, and

daycare facility. Work at the East campus is scheduled to begin during the next school year.

"This is a massive multi-year project," Polyak said. "I want to thank our current students and staff for their patience as we work around the construction for the next two years.

"The end result will be worth it, and it will provide opportunities for generations of Leyden Eagles," he added.

You'll Be Missed 2016 -2017 Retirees

Congratulations to the District 212 employees who retired during the 2016-2017 school year. Collectively, these 15 employees represent 333 years of service and dedication to the Leyden community. Happy retirement and all the best to:

FACULTY – Chuck Alvarado, Eileen Falls, Pat Godziszewski, Therese Landschoot, Beatriz Porro, and Mark Emmons

EDUCATIONAL SUPPORT – Deborah Dedinsky, Ruth Morales, Diane Klinger, Mike Prokop, Irene Knispel, Nancy Krupa, and Peggy Kasallis

Loyal Eagles Honored

Rosemont residents Ed and Mary Balogh were recently honored as this year's recipients of Leyden's Loyal Eagle Award. The couple was selected on the basis of their 12 years of enthusiastic volunteer service to the East Leyden Concert Band.

The district's music department chair Bryan Miller nominated the Baloghs by submitting their names to the Loyal Eagle Award committee members who made the selection. Miller spoke about and presented the Baloghs with the award at the April 27 Board meeting held at the East campus.

The Baloghs have four grown children – all of them attended East Leyden and played in the band. "Ed and Mary are dedicated and engaged parents," Miller said during the award presentation. "They not only attended virtually every concert, parade, festival performance, and home game but led a team of volunteers who also provided support."

Ed Balogh volunteered his services as a carpenter, constructing platforms for performances during home football games. Mary Balogh helped with the band costumes.

Every other year the pair chaperoned band members on the bus trip to Disney World in Orlando, Florida, where Leyden students performed numerous times.

In addition, Ed Balogh helped the band with equipment and performance space when he worked at the Donald E. Stephens Convention Center in Rosemont. One especially memorable contribution was the donation of lights from the convention center.

Miller noted that, "Ed's kindness ultimately resulted in a near \$100,000 lighting donation which has impacted almost every concert, dance, drama, and assembly event ever since – and will for the foreseeable future."

Sports Highlights

Baseball

Eagles baseball had an outstanding season that ended at 22-7-2. The team clinched the West Suburban Gold Championship for the first time since 2011 with a 12-7 win at Downers Grove South. Leyden had six All-Conference players, and Michael Wilms was the first player in Leyden's history to be named Conference Pitcher of the Year.

Softball

Leyden softball finished the season at 21-9-1, placing 2nd in the West Suburban Gold Conference with an 8-4 record, and winning the St. Ignatius Regional Championship held at UIC. The team had four All-Conference players and six All-Conference All-Academic Student Athletes. Two players signed letters of intent to play college softball.

Boys Volleyball

The volleyball team finished the season at 18-15, tied for 2nd place in the West Suburban Gold Division, with a 4-2 record, won the Regional Championship for the first time since 2012, and took 1st place at the Eagle Invite. Teammates Mike Motyka and Robert Elem were named to the All-Conference team, and Motyka also was named the Daily Herald All-Area Player of the Year. Roman Sydoruk earned an All-Area Honorable Mention.
