**RE: Payment of Supplemental Kindergarten Enrollment Pursuant to the Colorado Public School Finance Act, C.R.S. 22-54-101 et. seq.**

Dear Ms. Secor and Mr. Cerny:

Thank you for taking the time to meet with Ms. Mary Chesley, Superintendent of Schools, and myself on March 22, 2012. The purpose of our meeting was to finalize discussions regarding the Cherry Creek Academy's ("CCA") receipt of supplemental funding from the school district for purposes of funding full-day kindergarten programming at the CCA.

Per your request, this letter serves to summarize that the district and the CCA have agreed the district shall pass along to the CCA its proportionate share of the .08 additional kindergarten funding monies the district receives under applicable provisions of the Public School Finance Act ("Act"). These monies will be paid to the CCA for the first nine (9) months in March, 2012, and subsequent payments will be made monthly for the school year 2011-2012 and for subsequent years going forward.

We appreciate the opportunity to work with you collaboratively to complete this process. Please feel free to contact Ms. Chesley or me if you have any questions or require further assistance with this matter.

Sincerely,
