

BOARD POLICIES	QUALITY (BP-1007) METRO TECHNOLOGY CENTERS	The on-line version of the policy is official. Therefore, all printed versions are unofficial copies.
-----------------------	---	--

1.0 POLICY:

Metro Technology Centers provides the highest quality programs and services, enabling students to succeed in their chosen career fields. We are committed to complying with requirements of accrediting bodies and continually improving the effectiveness of teaching, of learning, and of the quality management system, based on customer needs and expectations.

Metro Technology Centers focuses on the individual student. In assisting each individual to become a responsible citizen, the technology center is contributing to the betterment of our nation and society as a whole. Education is essential to the development of character, physical and mental health, and emotional security and provides the foundation for successful living in an ever-changing world. We are committed to complying with requirements and continually improving the effectiveness of teaching and learning, based on customer needs and expectations.

2.0 CROSS REFERENCE: N/A
