

I spy walk

For this game, all you need is an adult to accompany you on a walk, and an outdoor space where you can stay at least 6 feet apart from anyone that you do not live with. This activity cannot be done with ten people or more.

If you are able to go on a walk while staying 6 feet from everyone else, this is an activity to make your walk more interesting.

As you walk, take turns playing “I spy” by saying “I spy with my little eye something _____” The blank can be filled with a color.

Allow your walking partner to look around and guess.

(it's best to pick something in the distance or something that is repeating, like a far-away house or a cloud so that you don't pass the thing your partner is guessing)
