Mrs. Pustolka

Mrs. Pustolka, an English teacher in our school, will be retiring this year after 25 years of teaching, fifteen years spent at BPHS. She grew up in Gloversville and attended Mayfield High School. As a student growing up in Gloversville, she has fond memories of watching films at the Glove Theater and going to Washburn's Ice Cream Parlor. Mrs. Pustolka also participated in newspaper club, choir and was a majorette during her high school years. She first knew she wanted to be a teacher early in life while admiring her own teachers.

When we asked Mrs. Pustolka what she enjoyed most about teaching, she replied, "The kids! I love the kids". Her favorite memory here at B-P was when two students baked a cake that said, "You're our Atticus," a character from the book To Kill A Mockingbird by Harper Lee.

After retirement, Mrs. Pustolka plans to play lots of golf, travel, and perhaps pursue art. In this slightly modified quote by Robert Frost, she says, "Perhaps I'll follow the path that will make all the difference." After leaving B-P, Mrs. Pustolka says she will miss all the students and her fellow teachers. Mrs. Pustolka has touched many lives and she will be greatly missed here at B-P. Thank You!!!

Dedications

Mr. Litwa

After 27 years of teaching at Broadalbin-Perth, Mr. Litwa will retire this year. Mr. Litwa, having grown up in Amsterdam, credits becoming a Math teacher to his 9th grade Algebra teacher, Mrs. Knapp. Mr. Litwa believes that watching the improvement of students and watching them gain confidence and achieve their goals is the most rewarding experience in teaching.

Once he retires, Mr. Litwa plans to complete some home improvement projects on the house he just purchased. He believes that perhaps someday he will go back to school to learn more about computers. When asked what he would miss the most about teaching here at B-P, Mr. Litwa said he would miss the people because over time they have become like a family.

Mr. Litwa had a difficult time picking a favorite memory of his tenure at B-P. However, the graduation of the Class of 1987 stands out in his mind. Having worked with that class for four years as class advisor, Mr. Litwa said he became close with them, especially the class officers.

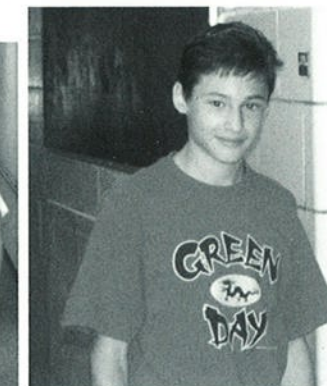

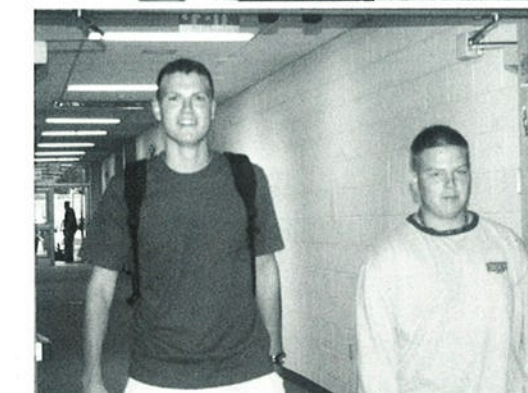

We here at B-P will miss Mr. Litwa very much, and we wish him a happy and healthy future. Thank you for your hard work and dedication to our students.

The times were good,
The times were bad,
Sometimes happy,
Sometimes sad.

We laughed,

WHY WRESTLE?

Wrestling prepares a person to fight the game of life.
The wrestler is the one athlete that must meet his opponent and do battle completely on his own;
No one can substitute: no time outs are possible.
He has no one to check, screen, block, or assist him in anyway;
There is no blame for his mistakes.
When he wins, he must show quiet pride and modesty.
When he loses, the responsibility is his.
Wrestling is a true sport.
In other sports, when contact is made, they blow the whistle to stop the action;
In wrestling, when contact is made, we're just getting started.
No other sport requires more sacrifice than wrestling.
The individual, through self-denial, offers more of his character than ever be explained here.
It is something he carries with him throughout life...
Through every trial, test, and tribulation.

Graduation

Walking along the grass trail outside.
I looked behind me to say goodbye.
It's not so much that I wanted to go.
But there was nothing left for me to show.
So long friends you know I'll miss you.
You know I'll have to after all we've been through.
Oh how I so wish you could come along.

But you can't you have your own mistakes to make and grass trails to walk on.

I have learned so much knowledge from you, which I am sure to use.

In return I give you a piece of me, which I hope to never lose.

All I can say is may you find your dreams and good luck to all.

May you find love, happiness, and return on your path if you fall.

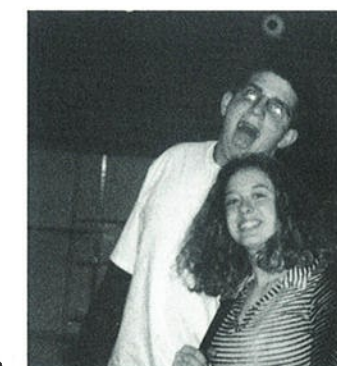

We are all going to the top, just taking different ways.

May our paths cross again on some sunny, summer days

Walking along the grass trail outside.

Looked straight ahead and never felt more alive.

TO WEAR MY NAME,
YOU HAVE TO PASS
THE TOUGHEST TEST IN
THE INDUSTRY. OR
MARRY MY SON.

Most dealers, I'm happy to say, opt for the former — the Lennox Quality Dealer Standards Program. Which means you

not only get the finest products in the heating and cooling industry, you also get a dealer you can trust to provide the highest standard in customer service. All of which means you have one less thing to worry about. (Come to think of it, so does my son.)

LENNOX ONE LESS THING TO WORRY ABOUT.

Dreams come true!*

As the sun sets on our year here, we think of all the memorable times we had at BP. The dances, the games, the parties and meetings, all the lunches and trips, our teachers and classes, and most importantly our friends, none of this can be forgotten. Now, as the seniors are excited to go on to great things, and the underclassmen prepare for another fun year, I hope this book will serve as a memento for you. May you all live a good life, and always remember BP with happiness. It has been a great year, thank you all.
