**Welcome to**

**Broadalbin-Perth High School!**

# Dedication

## Mrs. Fallis

"We hold these truths to be self evident: that all men and women are created equal."  
~Woman's Declaration of Independence 1848

After working eighteen years at Broadalbin-Perth one would think it was time to throw in the towel, but Mrs. Fallis has shown us that if you are dedicated enough you can achieve anything. Mrs. Fallis has made a point to show her students and co-workers that being a part of BP has been a joy and that she is fulfilled everyday. There are many things that she has achieved in her years at BP. She has been the Social Studies Curriculum Coordinator, Club advisor, and in charge of the Youth Senate Program. Mrs. Fallis is also the founder of the BPHS talent show. However, out of all the years she has been with us her most memorable students are her children Erin and Evan. Her past times are reading, golfing, and working in her home. When it comes down to it Mrs. Fallis is a real trooper and a real role model for the BPHS students.

# Dedication

## Mrs. Swatling

"Worry is like paying interest on a debt you may never owe."

~Mark Twain

Mrs. Swatling has been teaching French classes for Thirty-two years at Broadalbin-Perth High School. Not only has she been teaching, but she has also donated her time to be a class advisor twice. With that, Mrs. Swatling has also been very dedicated to starting and running the BP French Club.

Out of all of the students Madame Swatling has had, one remains in her mind and will always be remembered. That student is David Civic. "David always knew how to make me laugh. He was bright and so funny." Madame Swatling has touched the hearts of all students at BP and on the same note many people have touched her heart. In her thirty-two years of being here she has had many memorable moments. Her favorite memory was "Cabaret Night" and following a close second was when her French IV students taught the elementary classes. Madame Swatling loves to travel, go to the beach, loves to go boating, and enjoys playing with her dog. After she retires she will have more time for these interests. She would like to travel more, do volunteer work at a hospital or church, and maybe do some part time work. Madame Swatling should always know that her years at BP have touched so many people in many different ways. Thank you Madame Swatling for your many years of service at BPHS.

We believe good things are ahead for you...and we believe in you!

*We hope you never lose your sense of wonder.*

*You get your fill to eat but always keep that hunger.*

*May you never take one single breath for granted.*

*God forbid love ever leave you empty handed.*

*We hope you still feel small when you stand beside the ocean.*

*Whenever one door closes we hope one more opens.*

*Promise us that you'll give faith a fighting chance.*

*And when you get the choice to sit it out or dance.*

*We Hope You Dance*

*We hope you never fear those mountains in the distance.*

*Never settle for the path of least resistance.*

*Living might mean taking chances, but they're worth taking.*

*Loving might be a mistake, but it's worth taking.*

*Don't let some hell bent heart leave you bitter.*

*When you come close to selling out reconsider.*

*Give the heavens above more than just a passing glance.*

*And when you get the choice to sit it out or dance.*

*We Hope You Dance*

Time is a wheel in constant motion, always rolling us along. Tell us who  
wants to look back on their years and wonder where those years have gone!

-Mom, Keith, and Cari

Brent-

We are very proud of you and always will be. We love you very much.

-Mom, Dad, Tom, and Emily

Sarah-

From the very beginning we could see the intelligence, beauty, and goodness in you. You have never disappointed us-in fact, you have always exceeded our expectations. You have never lost sight of who you are and what you want out of life. You are exactly the person you present yourself to be-no pretense, no facade. You are a beautiful person, inside and out.

We are so very proud of you. Little "Me too" grew up into a beautiful, intelligent, self-reliant young lady. Keep reaching for those stars and always continue to be-just Sarah.

We love you,

## ...Class of 2001!

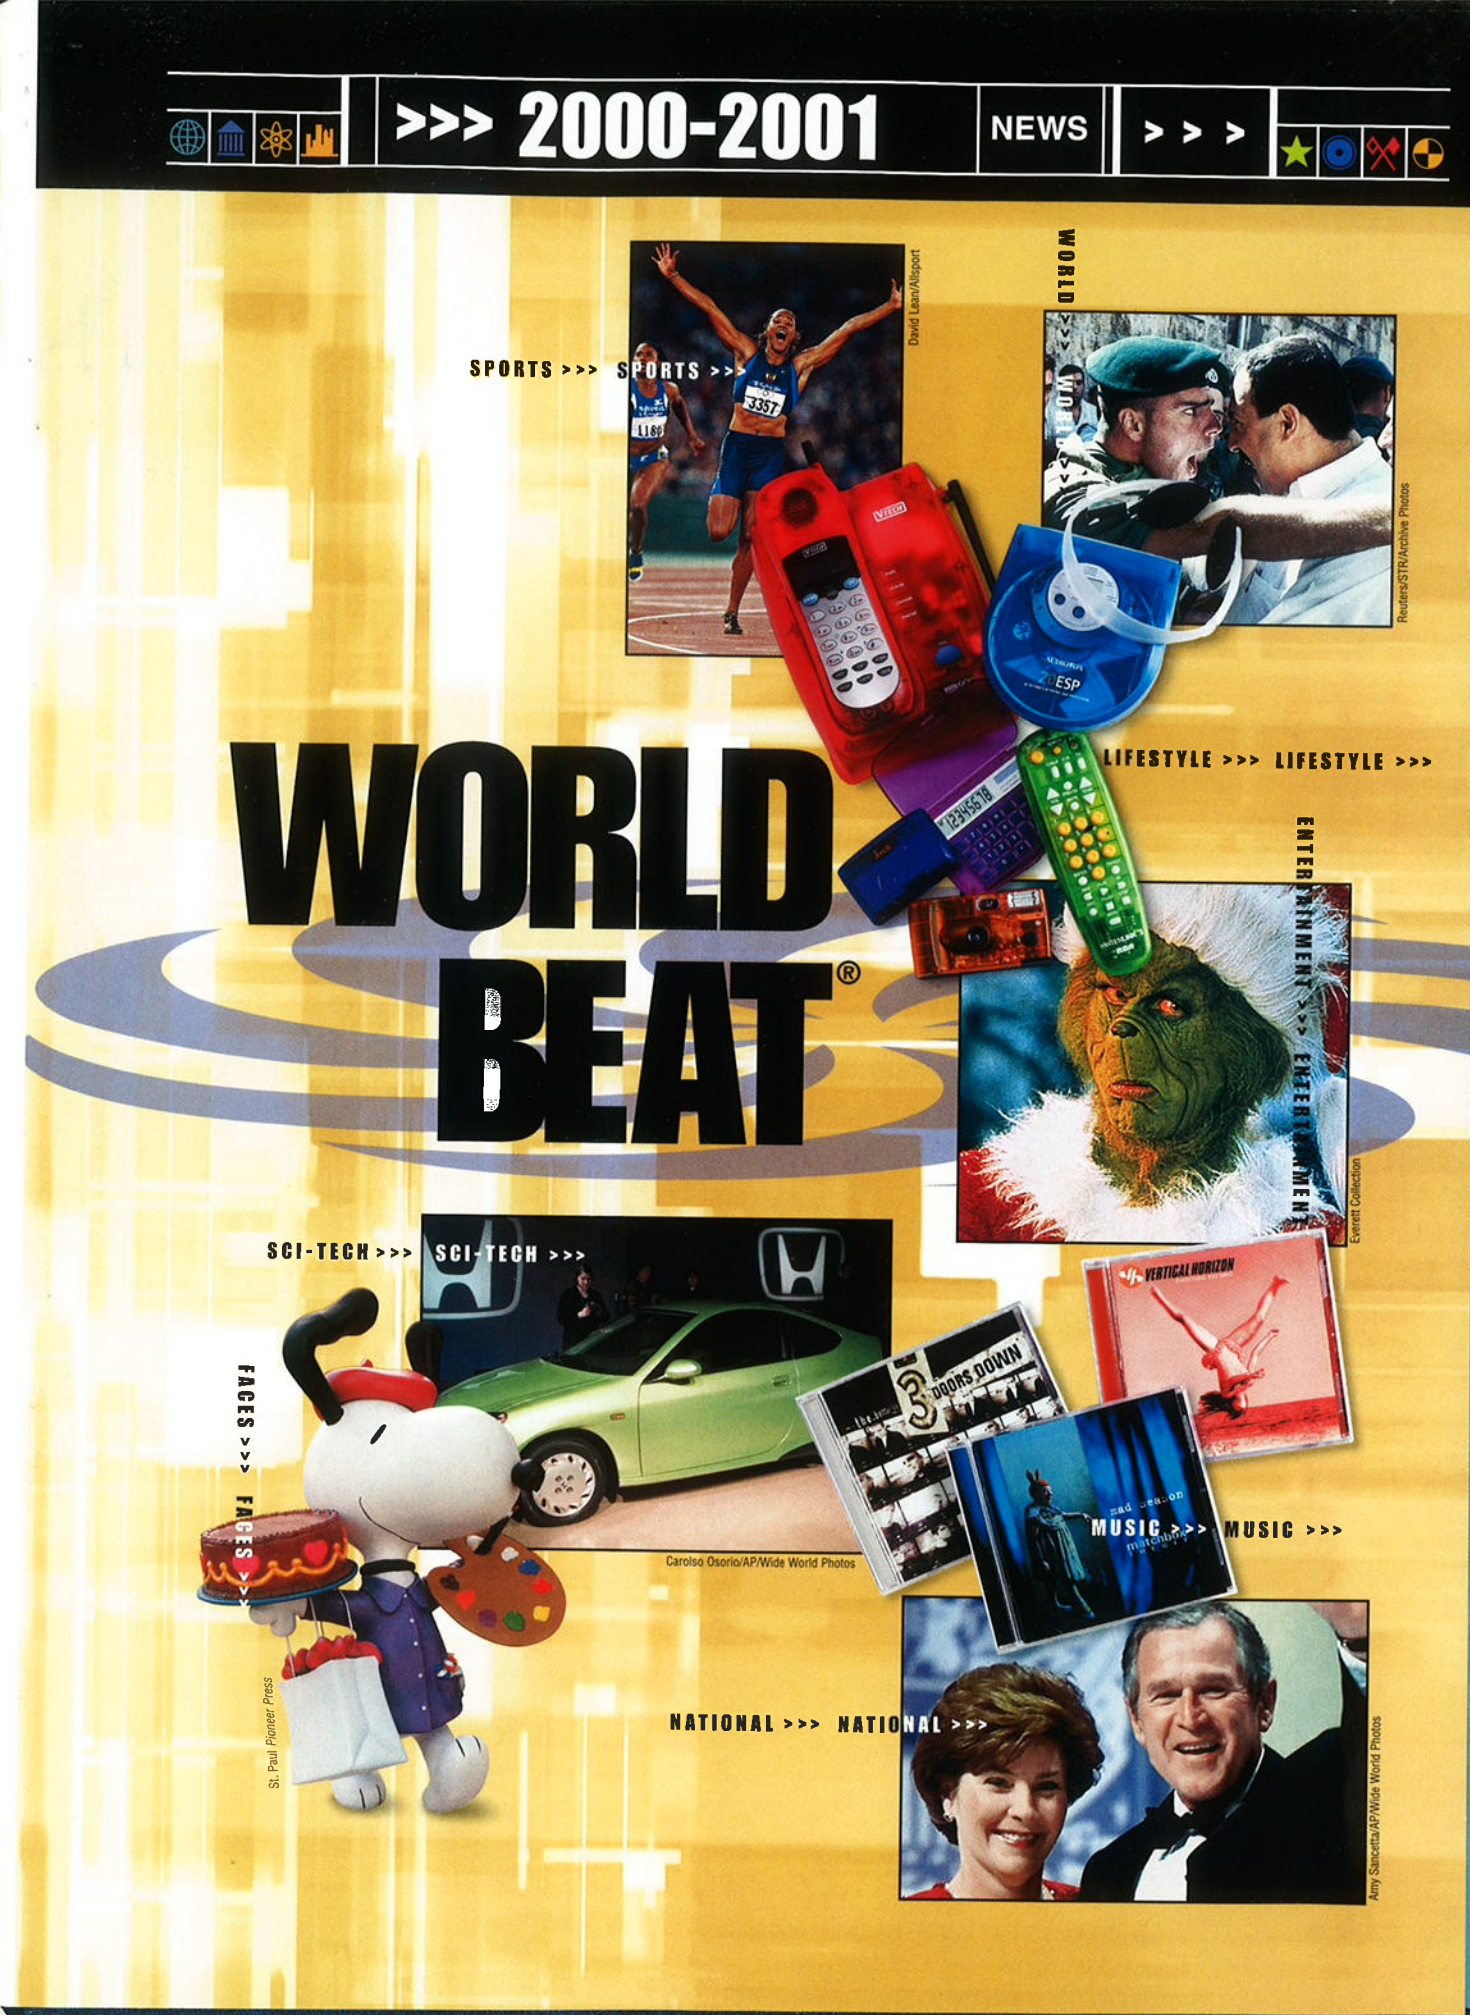

# So Long..,

# Class of 2001!

▲ Gas prices soar across Europe. Heavy taxation policies in France and England cause massive protests and transportation blockades. Both governments eventually promise relief.

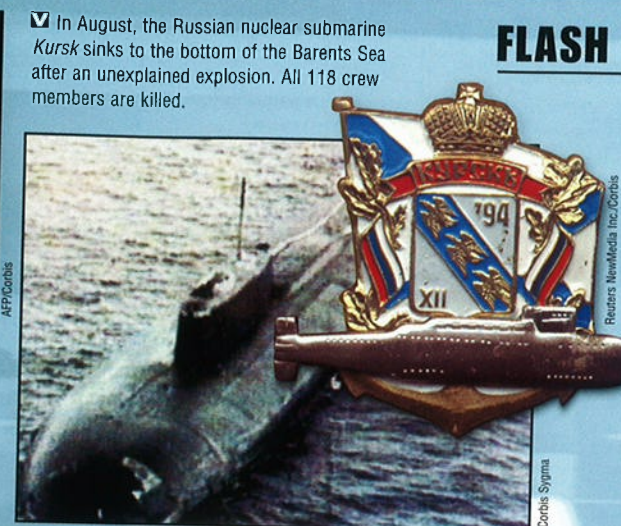

✓ The Millennium Bridge, a footbridge across the River Thames connecting London's St. Paul Cathedral with the Tate Modern Art Gallery, opens in June. It is the first bridge to be built over the Thames in 100 years.

▲ Former KGB agent Vladimir Putin is sworn into office as Russia's new president in May 2000, succeeding long-time leader Boris Yeltsin. Despite fears of an authoritarian style, Putin's public approval ratings remain high.

▲ Two hundred North and South Koreans separated from family members since the 1950-1953 Korean war reunite in August. The four-day visits are a goodwill gesture by both countries' leaders, who met for the first time in June.

✓ In August, the Russian nuclear submarine *Kursk* sinks to the bottom of the Barents Sea after an unexplained explosion. All 118 crew members are killed.
