**WELCOME TO**

**BROADALBIN-PERTH  
HIGH SCHOOL**

# Dedication

Mrs. Hugo has been a member of Broadalbin-Perth Faculty since 1971. From a young age she was influenced by family and friends to become a teacher, and were glad she did. Mrs. Hugo said that teaching has brought her a lot of joy over the years. She said that the challenge of working things out, helping others, and learning made her want to teach even more.

One fact about Mrs. Hugo known by all of her students is her intense dislike of snow. When asked about it she stated that she didn't want students to view her as a machine; her hatred of snow is a reminder of her humanity, and it also brings a fun and interesting conversation to the classroom. Judging by the "snowmen" that have a way of appearing outside her window, she was right.

Mrs. Hugo believes that "you never stop learning" and that we (the students) are "the fountain of youth". For any one student who hopes to become a teacher Mrs. Hugo has a little advice. "Have a sense of humor, be firm, and don't be afraid of learning something from your students."

We would like to dedicate this yearbook to Mrs. Hugo to thank her for all she has given to us, the students of Broadalbin-Perth throughout her career. Although we would like her to stay forever, when she does decide to retire, we hope that her future is filled with joy and new explorations, and we hope that Broadalbin-Perth will always keep a warm place in her heart.

# In Memorium of C.J. Kolbe

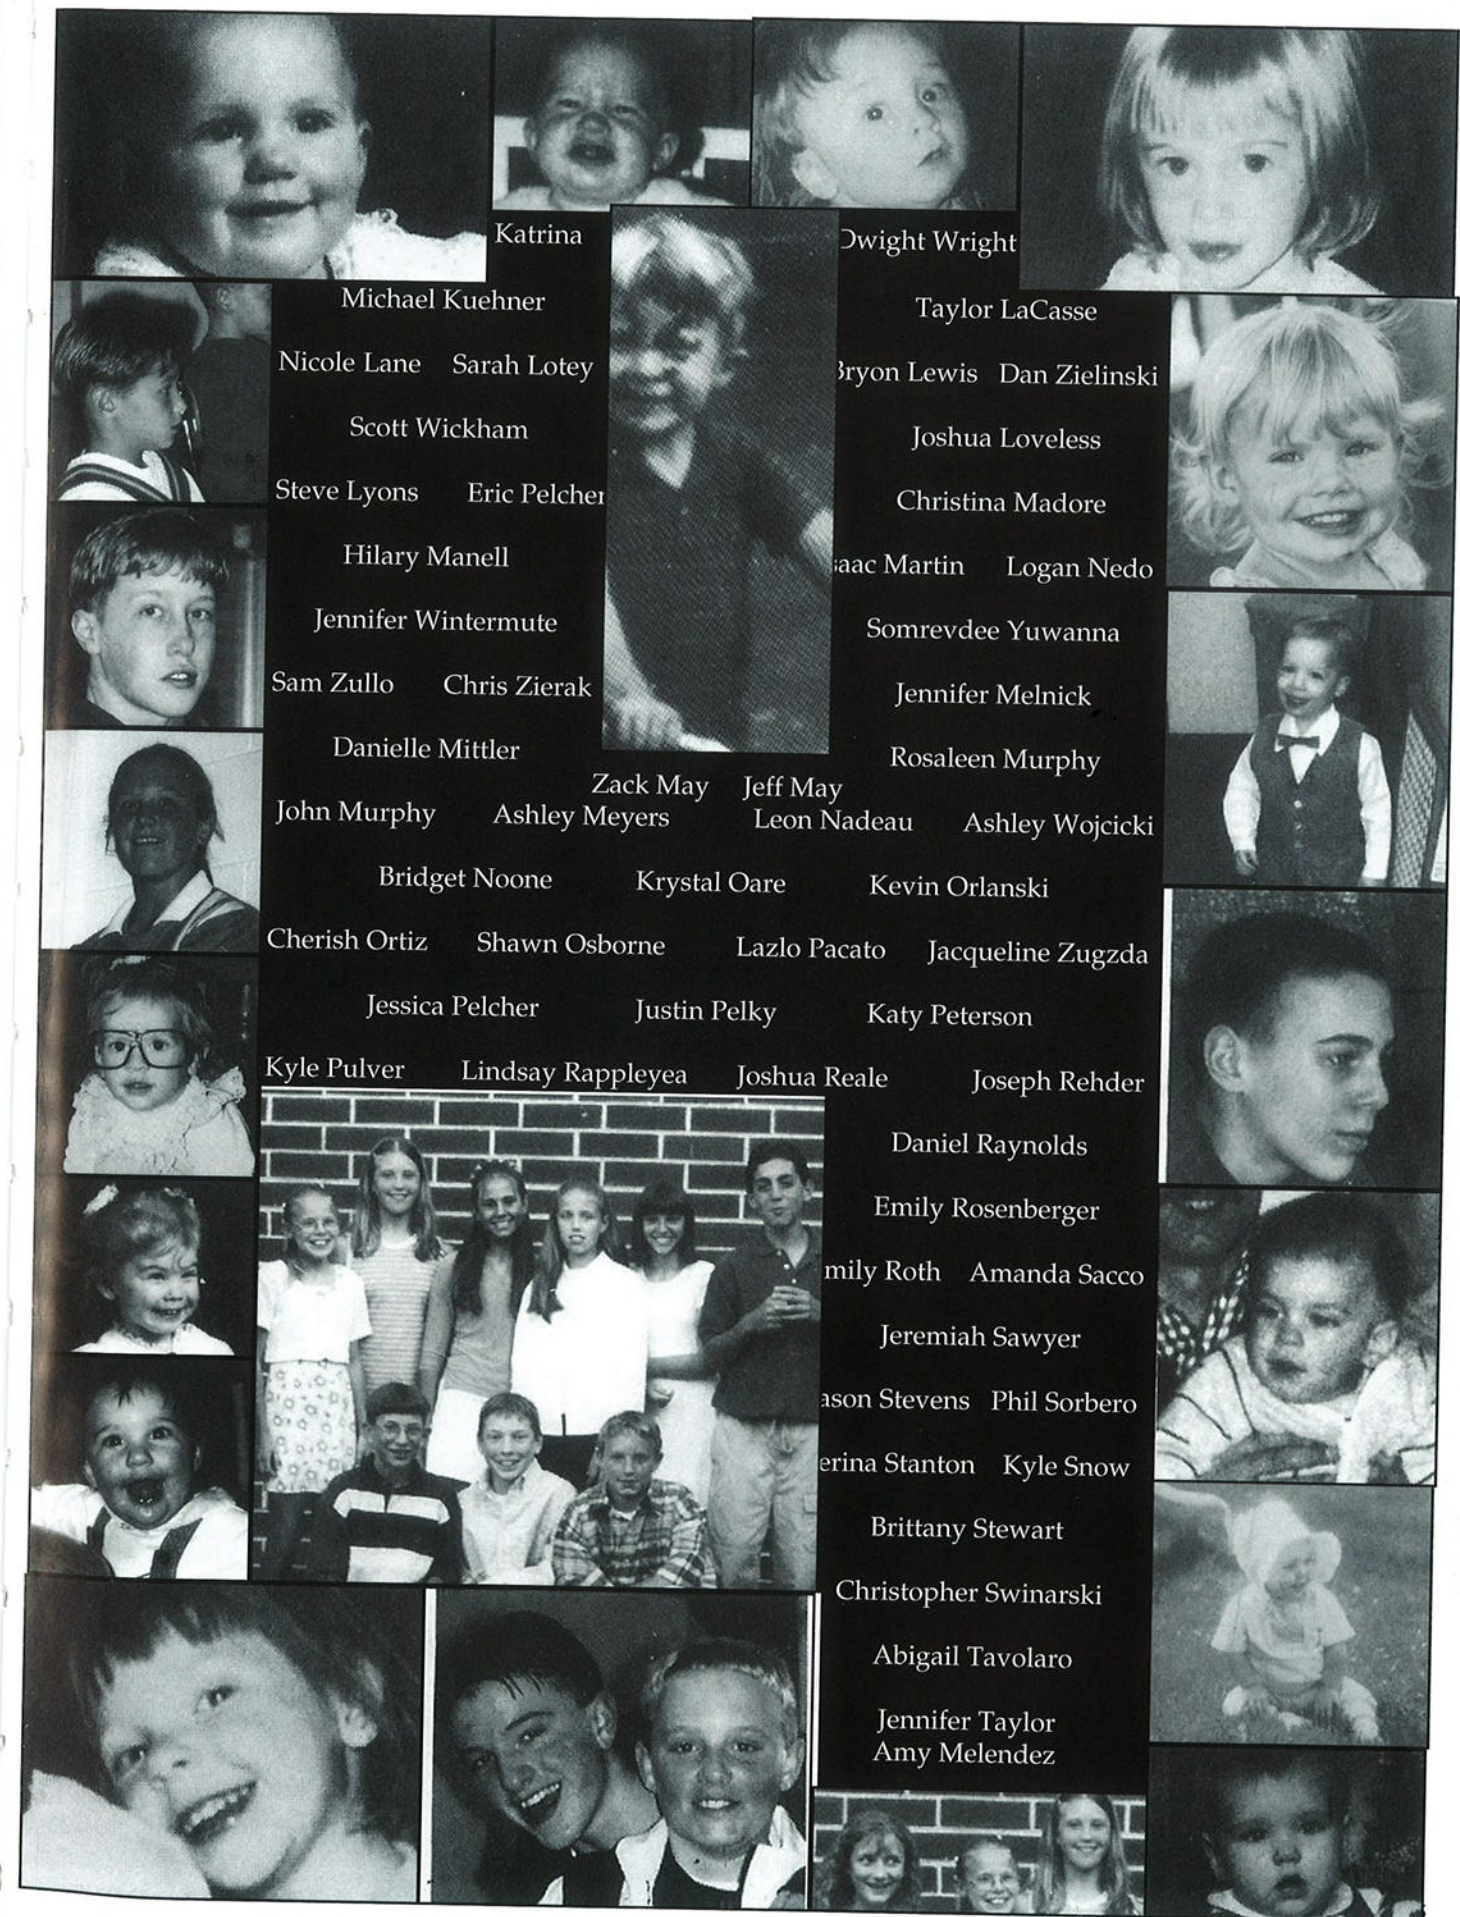

God saw you were getting tired  
And a cure was not to be,  
So he put his arms around you  
And whispered, "Come to me."  
With tearful eyes we  
watched you,  
And saw you pass away.  
Although we loved you dearly,  
We could not make you stay.  
A golden heart stopped beating,  
Hard working hands at rest.  
God broke our hearts  
to prove to us,  
He only takes the best.

Now is the time to share the memories.  
Look back at the good times and bad.  
I promise, I will remember you,  
will you remember me?

The years went by so fast,  
the future became the past.  
Don't let life pass you by,  
weep not for the memories,  
remember the good times we had?

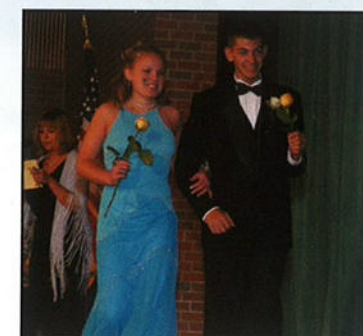

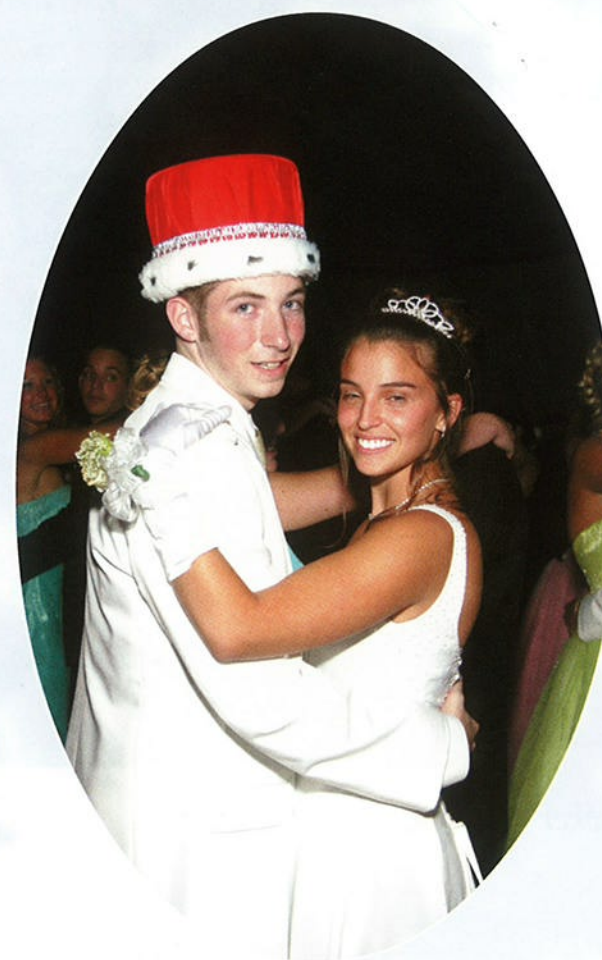

Now is the time we move on,  
to follow our hopes and dreams.  
Years from now I will remember you,  
will you remember me?

## Dreams For Tomorrow

"WHAT WERE YOU THINKING?!", **Dillon Dziedzic** screamed at **Leon Nadeau** who was in the seat next to him on Dillon's TV show Dr. Dill. "Investing all your money into a business that makes paper hats?!" "C'mon, PAPER HATS?!" Dr. Dillon's show was abruptly interrupted for a special report.

**Jillian Frasier**, the new anchor sat at the desk in front of the large KLNb news logo shuffling her stack of papers. "This just in...the dead body of an unidentified male was found on the banks of the Mississippi River this morning by a man passing by. The man, **Adam Westerling**, had just left his RV to go for an early morning stroll along the banks of the river." As the camera zoomed in on two people the anchor said, "We now bring you our own news correspondent who is at the scene right now. What can you tell us Maurice?" Standing next to KLNb correspondent **Maurice Green** was a woman who according to the marquee at the bottom of the TV screen was **Michelle Insognia**, Crime Scene Investigator.

"Thank You Jillian, here with me now is investigator Insognia, investigator can you tell us yet if the death was accidental?" asked Maurice.

"Well, right now we're only at liberty to say that the death looks suspicious." Stated Investigator Insognia as she turned toward the river where policeman **Jason Stevens** was standing near an area surrounded by yellow "CRIME SCENE DO NOT CROSS" tape, "Right now our forensic team of **April Smith, Zack May, Bryon Lewis** and **Jeremy Blinsinger** are combing the area for evidence."

"Do we know who the victim is?" asked Maurice.

"We have not yet identified the body. That's all I can say right now. Chief **Evan Putman** or District Attorney **Amy Melendez** will give a statement when all the facts become available." stated Investigator Insognia.

As I began to channel surf the words 10 million dollars caught my attention so I paused to see what it was about. **Shannon D'Addio** was relaying the day's business news. "multi-millionaire **Archie Boyd** who donated millions to research a cure for cancer was missing. Only his assistant **Megan Montgomery** could be reached for comment and she refused to answer questions and directed us to their corporate lawyer **Stephen Kissenger**.

It seems that Mr. Boyd was intrigued by the discovery of a new cancer causing agent that may lead to a cure for cancer. It seems that marine Biologist **Heather Kline** and well-known oncologists **Lindsay Rappleyea** and **Jessica Dunne** working together discovered the agent that was causing a rare cancer that seemed to have been area specific in a town in Florida. They found that the cancer causing agent was in the water supply and with further investigation Rappleyea and Dunne believe that their search for a cure for cancer looks promising.

"In other news" began **Nikki Skiff**, the news anchor, "The USO has just sent more performers overseas to entertain out troops. **Sarah Gardner**, who has performed in Kiss Me Kate on Broadway, and **Taylor LaCasse**, who toured with the Broadway play Chicago last year, also going over is the comedy trio **Shane Cherico, Mike Tambasco** and **Paul Greco** not to mention world famous musician **John Murphy**."

"In other Entertainment news a star is born in the blockbuster hit Authority starring **Eric Jacobsen**. In interview Jacobsen attributed his great success to his supporting cast of **Jessica Keck, Shaun Krutz, Roxanne Sherman**, and **Tamara Damphier** and to the great special effects by graphic artists **Jeff Mayer** and **Katrina White**."

I turned off the TV when I realized it was lunch time and I wanted to catch the NASCAR race on TV down at **Nick Fraumane's** new sports bar restaurant "No Worries" which had just opened. It was located near **Evan Blodgett** and **John Hines'** golf course. On my way there I noticed a new establishment where **Dan Reynolds** was putting up a sign that read, "Ashley's Day Care Center". **Ashley Meyers** could be seen putting an open sign in the window while **Jackie Sikora, Rachel Arata** and **Brittany Skiff** were rushing their children towards the door.

As I entered "No Worries" I scanned the room for the perfect place to sit. There was a group of business people seated in the back. I noticed seated among them was **Will Hayes** and **Jeff Jasewicz**. I waved to them and then went on to my chosen seat which gave me a good view of the TV. I noticed **Shawn Collins** rushing around behind the bar with platters of food while carpenter extraordinaire **Francis Billa** was making some last minute improvements. Some more business people filed in for lunch and among one of the groups were **Josh Belfance** and **Nicole Lane**. I ordered lunch and began watching the race. It was great! Drivers **Chuch Dumblewski** and **Chrissy Madore** were fighting for the lead. The announcer rambled on as I turned by attention to my pastrami sandwich. I heard the announcer explain that the custom detailing on Chrissy's car was done by none other than **Chris Zierak**, who restores cars, as a personal favor for his former classmate. Must be nice I thought as I took another bite of my sandwich. Out of the corner of my eye I saw **Vinnie Ruggeri**, co-owner of the establishment waltzing through the dining room asking people if they were enjoying their lunch. A commercial came on the TV. It was **Jon Shear's** car dealership. The commercial featured a variety of shiny new cars with price tags as well as a group of sales representatives including **Justin Pelky, Josh Kerr**, and, **Jeremiah Sawyer**.

As I finished eating I decided I should go visit my aunt in the hospital today or I would never hear the end of it from my mother.

I had to wait a few minutes before I could see my aunt because she was having x-rays taken. In the waiting room I picked up a magazine with an article about the football star, **Tim Cornell**. The article explained that Tim was going to begin an advertising campaign with Nike because he had been seen with **Steve Lyons**, who works for Nike, and a well known ad exec. **Bridget Noone** as well as the famous photographer, **Jennifer Melnick** who has photographed such stars as models **Jessica Pelcher** and **Erica Wager**. Cornell's agent, Jon Burek confirmed the rumor during a press conference with **Jake Hentnik**, the radiologist who confirmed the injury Cornell suffered during his last game. He assures us that with the help of athletic trainer **Cherish Ortiz** he should recover completely. The rest of the article in the magazine bored me so I picked up Time magazine which had a picture of **Joe Doran** on the cover with a caption under it questioning who his running mate would be if he chose to run for president next election. Some of the names and profiles that were included in the article were that of **Emilie Rosenberger**, **Jon Hemstreet**, **Rich Farley**, **Krystal Oare**, and **Joe Rehder**. I was pondering his choices when I heard a ruckus in the hall and went to find out what it was all about.

I saw doctors and nurses running about. Nurse **Nicole Ferlazzo** was helping **Russel Shoop**, a robotics engineer, down the hall. Other people like Army General **Jen Taylor**, Marine Corps photographer **Christopher Swinarski**, Air Force airplane engineer **Rose Murphy**, Maine Aircraft mechanic **Jenn Wintermute**, weapons engineer **Josh Reale**, and army flight-nurse **Tammy Carpenter** were being helped to their rooms by **Katy Peterson**, **Matt Werenzak** and **Ashley Wojcicki**. I remembered seeing their faces in the paper upon their return from their mission to free American POW's that had been discovered by Shoop's newest robotic invention that allowed unmanned aircrafts to take aerial pictures undetected by foreign technologies. The police had been called to hold back the crowd of news reporters, but the only reporters I recognized were **Adrienne Cichy** and **Sarah Carter**. In the mean time, radiologist Kyle Snow brought my Aunt back to her room so that I could visit with her for a while. I had to get home because I had a Meet the Teachers night at school and since I had both a seven and thirteen year old, I had a long night ahead of me.

In the elementary school I came across **Samantha Harder**, **Dani Mittler**, **Amy Georgia**, **Amanda Sacco**, and **Crystal Franklin**, then as I went through the High School I ran into teachers **Courtney Buchanan**, **Gail Brooker**, **Shannon Egan**, **Sara Herba** and **Mike Graves**. It was great to see everyone. **Brittany Stewart** the high school administrator was answering questions about the computer problems that plagued the school this year. She was saying that the team of computer analysts including **Kyle Pulver**, **Anthony Denino**, and **Emily Roth** seemed to have fixed the problems rather quickly, and that they did not think the school would have any problems in the future.

I made it home in time to watch the end of the 10 o'clock news. The newscaster was finishing the newscast with a brighter note stating that **Sam Zullo** and his friend **Matt Werenzak**, both basketball coaches at the local college, were the latest lottery jackpot winners. They shared a ticket worth 52 million dollars. Moth men stated that they would continue to work but would like to be able to pursue their love of the stock market, and they want to invest in Yanzhou coal. The news was over so I decided to channel surf and see who was on the Letterman show and the Tonight Show. Letterman had comedian **Padrick Smith** and corporate Giant **Chase Contino**. The musical performance was grammy nominated band "Simple Disaster" starring **Dan Zielinski** and **Mike Graves**. The Tonight Show's announcer **Phil Sorbero** was introducing their guest movie critic **Sarah Lotey**. The Tonights Show's musical guest was guitarist **Dwight Wright**. I bypassed these shows and opted for a western movie starring **Katie Dopp**, **Eric Pelcher**, and **Shawn Osborne**. After a few minutes I felt the urge to surf again. I came across a basketball game the Lakers vs. the Mavericks. It was a pretty close game and as the cameras panned the audience I saw **Jared** and **Jeff Bunn**, **Chris Izzano**, **Corey Kaczor**, **Shane Kilinski**, **Mike Keuhner**, **Jason Reynolds**, **Lazlo Pacato** and **Anthony Cosentino**. During a commercial break I flipped the channel and came across an Oprah rerun on the Oxygen channel. In her audience I noticed **Sandy Dimarco**, **Josh Loveless**, **Hilary Manell**, **Isaac Martin**, **Serina Stanton**, **Abigail Tavolaro**, and **Scott Wicham**. I kept surfing and on CNN there was a story about a group of people lobbying for animal right outside City Hall. They were **Katie Fura**, **Kevin Orlinski**, **Logan Nedo**, **Mike Tambasco**, **Ashlet Tatlock**, **Keith Tooker**, **Jess Vannostrand**, **Jacquie Zugzda** and **Somrudee Yuwanna**. They wanted stiffer penalties for animal abuse. I started to think about my own animals and wondered how anyone could be cruel to them when some one shook my shoulder and called my name.

"Where did you go?" "I have been calling your name!" "You didn't answer me. Can you make the trip or not?"

I was quickly brought back to reality. I was at work, staring at my calendar. The date of the trip was June 26, 2019. When I looked at the date it struck me. That was the 15th anniversary of my high school graduation. Quickly I responded that yes, I could make that trip. It would be a perfect time to travel back to the old neighborhood.

"I find that the harder I work, the more luck I seem to have."

-Thomas Jefferson (1743-1826)

We would say you have worked hard and your mom and dad are very lucky.

You are the game....start now....

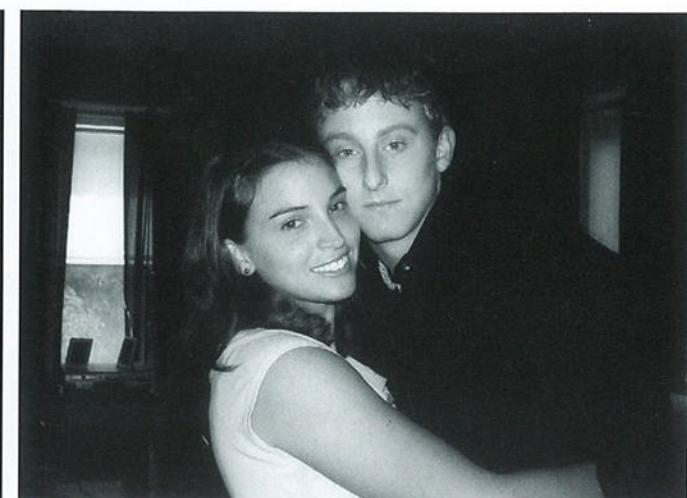

Love

Your family!

All of us...

Amy,  
We love you and are so proud of you! The best is yet to be!

Love,  
Bob, Mom and Chris

You are and will always be Daddy's little girl and Mom's little blessing. Never stop loving, caring or learning in your life ahead. Follow your heart and keep your beautiful smile. We are all so proud of you.

Love,

Mom, Dad, Billy, Chad, and Mallory

**Jacob,**  
**If God gave me the opportunity to create the perfect son I could not have created you. Since you came into my life I have learned and grown so much. I never could have imagined the total person you've developed into. I look forward to what the future brings with excitement along with a little sadness. You are moving on, taking the next step in your journey of life. We will miss seeing you everyday, but will look forward to the new ventures you will share. We are so proud of you and will be there to support and guide you whenever you need.**

**Love Mom and Bob**

The first day of school, you waved good-bye and climbed on the bus. I waved back but my heart followed. Wow! The years have flown by. It's been a pleasure watching you grow. Now it's time for you to move on. These bittersweet moments are killing me. Although I know you're ready, I wish the apron strings would stretch a little farther.

You have made good friends, worked hard, and learned well. You have always aimed high and given your best. Be proud of your accomplishments and the confident and caring person you have become. We wish you success and happiness. It is with great pride and a whole lot of love that we congratulate and celebrate YOU!

Hats Off To Stever Wienie!!

Love,  
 Mom, Dad and Katie
