The Patriot

Dedication

Mrs. Majewski

Mrs. Majewski has been a member of the Broadalbin-Perth faculty since 1971. She has taught in the Business Department for a total of 34 years other than taking four years leave from teaching to raise her two children, Marc and Melissa.

She has taught throughout the "face lifts" of Broadalbin-Perth. Mrs. Majewski said the size of the school and the number of students attending has changed drastically.

Also, students currently have many more course selections, club and sports activities available to them. When asked what her most memorable year was, she said it was being junior class advisor at the time of the Broadalbin-Perth merger and having to combine the traditions of both school communities.

After she retires she plans to build a home on the Great Sacandaga Lake and travel, especially to ski in the Rocky Mountains. Her advice for future students is to make the most of their years in high school, to participate in school activities, study hard, and make your dreams happen.

walk off into the world. I'll always be there for you.

JOSHUA HALE

"He has achieved success who has lived
well, laughed often and loved much; who
has enjoyed the trust of pure women, the
respect of intelligent men & the love of little
children; who has filled a niche and
accomplished his task; who has left the
world better than he found it, whether by an
improved poppy, a perfect poem, or a
rescued soul... who has always looked for
the best in others and given them the best
he had."

Colleen M. Sheridan

*We hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger,
May you never take one single breath for granted,
God forbid love ever leave you empty handed,
We hope you still feel small when you stand beside the ocean,
Whenever one door closes, we hope one more opens,
Promise that you'll give faith a fighting chance,
And when you get the choice to sit or dance...
We hope you dance... We hope you dance!
We hope you never fear those mountains in the distance,
Never settle for the path of least resistance,
Don't let some hell bent heart leave you bitter,
When you come close to sellin' out... reconsider,
Give the heavens above more than just a passing glance,
And when you get the choice to sit out of dance...
We hope you dance... we hope you dance!
~LeeAnn Womack*
