SCHOOL LIFE

The Class of 1995 would like to thank two very special people who helped us make our high school years the greatest time of our lives. Without Miss Kelli Martin and Mrs. Amanda Palmer, we wouldn't have made it. We hope they never forget our Junior prom- Evening of Elegance and all the other memories.

As we, the Senior class, go out into the world we will never forget you! Thanks!!

Mrs. Palmer and Miss Martin

Dedication

I'll always remember Binghamton, flava ice, Steve Miller, and ABC- all of our "special" memories with Kim!

I remember when everyone sang "kiss the girl" to Johnathan and me in eighth grade.

I'll always remember my freshman prom dress "the big pink balloon".

I remember singing Ko-Ko with Kerry and going to David Copperfield, also the young and the wild and Jessica's seizures.

"Will you let your dogs out to chase us?"

I remember the summer of 1993- Bullwinkle, VHF, jetskiing, and being excluded from the "clique"!

I remember making forts in the bamboo with the SBC gang- EM, BH, CG, PK, and JC.

I'll always remember Krissy and the two Jessicas, you are the best.

I remember "Evening of Elegance" and Mike's "slumber party".

Our 2nd annual Wellness Day with Fonda-Fultonville was held on November 23, 1994. Due to the hard work of Mrs. Blowers, Ms. Martin, Mrs. Masten, Mr. Renda, Mrs. Sullivan, Mrs. Allegretto, and the L.E.A.R.N. students it was a success. Thank you to all who were involved.

Elf-er-cise '93

Project L.E.A.R.N stands for Lifestyles, Exercise, Attitude, Relationships, and Nutrition. It is a gym elective for Juniors and Seniors. We are involved in many activities including our weekly salad bar in the cafeteria, Wellness Day, and Senior Seminars. Boys' And Girls' State

B. Ballentine, J. Kane, R. Humphrey

In June of 1994, the annual Boys' State convention was held at Alfred State College. The participants stayed at the college for a week, learning about state and local government. Boys' State members also performed various military and marching drills, which culminated in a parade at the end of the week.

-R. Humphrey

Empire Girls' State 1994 was a very exciting and enlightening experience in which about three hundred girls participated. Through the program, participants created a mythical state and set up a government to run it. I was very successful in that I was appointed as commissioner of social services for our state. The week at Girls' State was also a great chance to make new friends. Overall it was a magnificent experience and I am very glad that I attended.

3 BPHS students commended in scholarship program

BROADALBIN - Broadalbin-Perth High School officials announced that three students have been named commended students in the 1995 National Merit Scholarship Program.

Kathryn Coloney, daughter of Mr. and Mrs. William Coloney of 139 County Highway 110, Broadalbin; Robert Humphrey, son of Mr. and Mrs. Robert Humphrey of 175 Progress Road, Broadalbin; and Jessica Kane, daughter of Mr. and Mrs. David Kane of RD 1 Van Epps Road, Glen, each received a letter of commendation from National Merit Scholarship Corporation,

which conducts the program will be presented by the school to these scholastically able seniors.

About 35,000 commended students throughout the nation are being honored for their exceptional academic promise. They place among the top five percent of more than a million students who entered the 1995 National Merit Scholarship Qualifying Test. Although the qualifying test scores of commended students are outstanding, they are slightly below the level required to continue in the competition for Merit Scholarships to be awarded in 1995.

A Merit Program spokesperson commented, "It is important to acknowledge the attainments of academically talented students and to credit schools for the key role they play in their development. We hope the recognition received by the able young men and women who are commended in this rigorous, nationwide competition will encourage them to take advantage of their opportunities for higher education and to diligently pursue their professional goals. The nation will benefit from the full development of this precious intellectual resource."

**World AIDS Day
commemorated
at B-PHS today**

BROADALBIN - Students at Broadalbin-Perth High School commemorated World AIDS Day today in a variety of ways.

Foreign language classes discussed the event in their respective languages. Project LEARN (Lifestyles, Exercise, Attitudes, Relationships, and Nutrition) participated in the day by sponsoring their own Awareness Day at the school. The group designed and created a giant red ribbon which was displayed in the school where students placed knowledge, statements, questions and personal views about AIDS.

The Fulton-Montgomery AIDS Task Force provided red ribbons for all high school students and staff to wear for the day. Students in Project Learn include Jen Monhouse, Justin Guapinto, Rich Kishi, Steve Cerasia, Hollie Savoie, and Nana Shihab. Advisors are Kelli Martin and Robin Blowers.

High School Spanish classes and French classes participated in the red ribbon project by writing statements about AIDS in their respective languages. Joanne Beaton, High School Spanish teacher and Jan Swelling, French teacher discussed AIDS in their classes. The French class discussed the fact that the Eiffel Tower in Paris has been wrapped in a red ribbon in celebration of World AIDS day today.

Jen Morehouse, teacher Kelli Martin, and Rich Kosiba work on an AIDS ribbon today at Bryndalbin-Perth High School.

High School Principal- Nancy Allegretto

In the early 1960's, high school students were encouraged by President John F. Kennedy to, "ask not what your country can do for you; ask what you can do for your country." The condition of our world in the 1990s remains sadly in need of your collective energy and intelligence. You, the Class of 1995, can make a significant contribution to the betterment of humankind. We need you!

Mrs. Allegretto
High School Principal

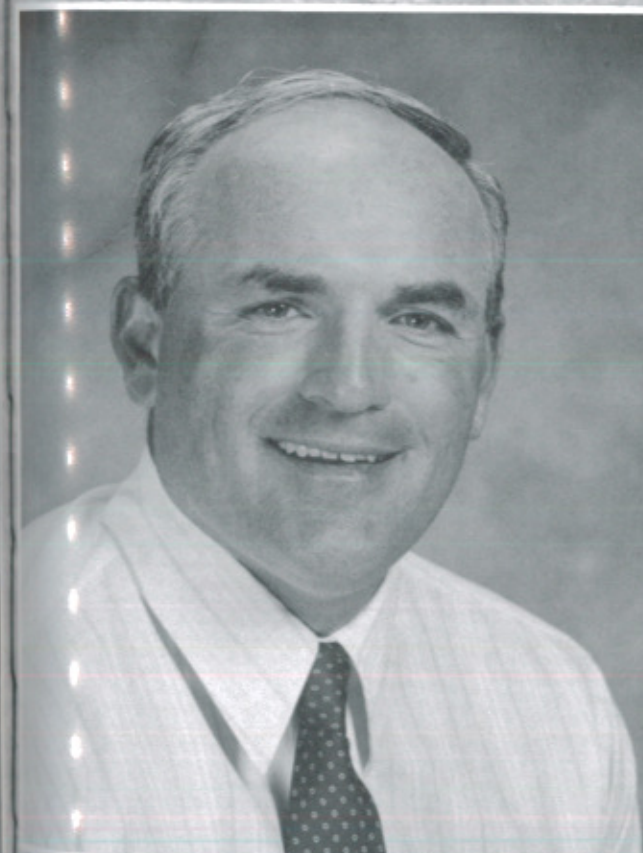

Assistant Principal- Art Cotugno

To the Class of 1995:

Graduation is a time of great joy and reflection upon your experiences and accomplishments during your high school years. It is also a new beginning, one of great anticipation and expectation of what lies ahead of you as you begin life's journey.

As you embark upon your chosen path, consider the words of legendary coach, Vince Lombardi. "The quality of a person's life is in direct proportion to their commitment to excellence regardless of their chosen field of endeavor." Wherever your journey takes you, pursue your goals and dreams with passion and commitment for it will be this pursuit of excellence through life's experiences which will fulfill and enhance the quality of your lives.

To all of you, I wish the best of luck in your journey. May your pursuit of excellence lead you to good health, wealth, and much happiness.

PATRON Nicholas and Margaret Boltash

Seniors, as our last day draws nearer and we go our separate ways, take the time to remember all the very special memories and friendships we have made in the past four years at Broadalbin-Perth. Don't let time, busy schedules, distance, or jobs come between us. Make the time to write or call. Make the time to reminisce, to laugh and cry. Make the time to remember. This was too precious to ever forget.

As graduation approaches and we go out into the world, Seniors, don't let the memories of laughter fade away ...
