Lianna Ferguson

Lianna Rose,

Love yourself.
Make peace with who you are
at this moment in time.

Listen to your heart.
If you can't hear what it is saying
in this noisy world,
make time for yourself.
Enjoy your own company.
Let your mind wander among the stars.

Try.
Take chances.
Make mistakes.
Life can be messy and confusing at times,
but it's also full of surprises.
The next rock in your path
might be a stepping stone.

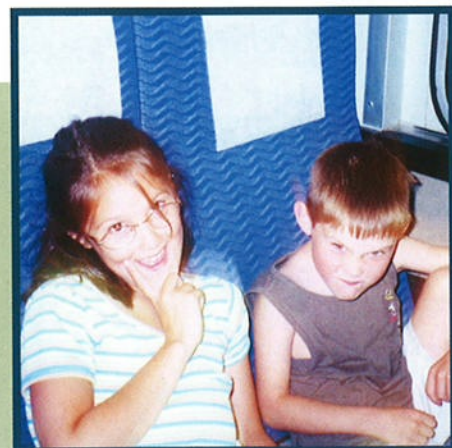

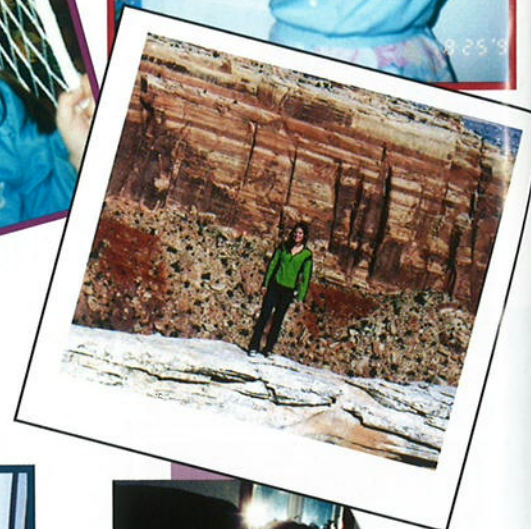

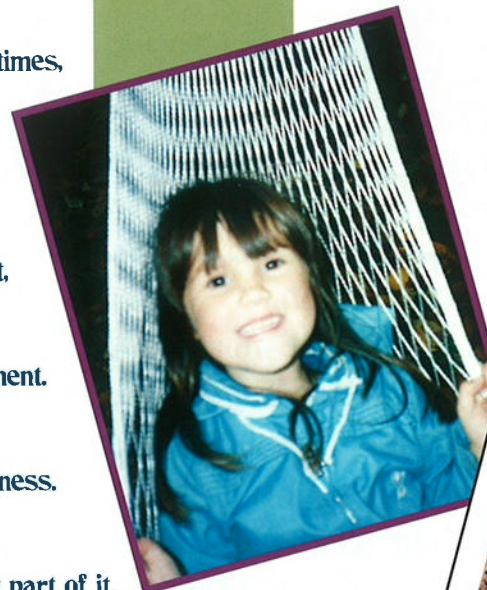

Be happy.
When you don't have what you want,
want what you have.
Make do.
That's a well-kept secret of contentment.

Be true to yourself
and you will travel the path of happiness.
There aren't any shortcuts in life.
You have to Make Your Own Way.
To know where you're going is only part of it.
You need to know where you've been too.
And if you ever get lost, don't worry.
The people who love you will find you.
Count on it.

Life isn't days and years.
It's what you do with the time
and with all the goodness
and grace that's inside of you.

We are incredibly proud of you.

Love,
Mom, Dad, and Justin

•To the nights we can't remember and ones we'll
never forget
Everything we treasure, even something that you said.
Homecoming, relationships, chasing chicks, taking trips
Food fights, prom nights, ball games, and Friday night
lights."
-Expo "This Night"-

"Here's to the nights
we felt alive."
-Eve 6-

"Some men see things the way
they are, and ask why.
Others dream things that never
were and ask **WHY NOT?**"
-George Bernard Shaw-

"Do not go where
the path may lead;
go instead where
there is no path,
and **leave a trail.**"
-Ralph Waldo Emerson-

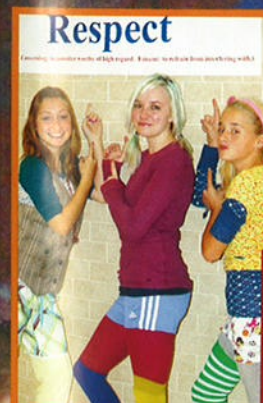

"I've learned that people will
forget what you said, people will
forget what you did,
but people will never forget
how you made them feel"
-Maya Angelou-

"Graduation is
not the end; it's
the beginning."
-Orrin Hatch

"All our **DREAMS** can
come true... if we have
the courage to pursue
them."
-Walt Disney-

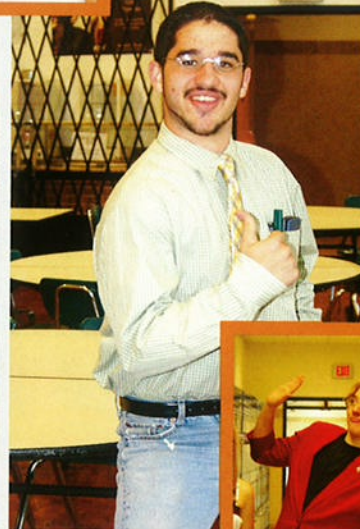

"Don't live down
to expectations.
Go out there and
do something
remarkable."
