Cait Getman

Catie (Bug),
Wow! Where has the time gone?
We can't believe it's time to graduate already.
You have grown into a beautiful, smart, fun, caring,
young woman. Follow your heart, chase your dreams,
continue to work hard, but most of all have fun
and you will continue to succeed.

Congrats!
We are very proud of you.
Love,
Mom, Dad, and Brett

Lexi DeZolt

Dearest Lexi,
We are so extremely proud of you!
You are an intelligent, determined and
gorgeous individual. You have
wonderful character and laser eyes!
Lexi, you have been a blessing to us
from the day you were born
in the sunshine state of Florida.
You have great ability to succeed in
everything and anything you put
your mind to. Our hope for you is that your
dreams take you to your true ability,
the highest of your hopes,
to the windows of your opportunities
and to the most special place
your heart has ever known.
Go Buffalo Bills!
We love you with all of our hearts!
Mom, Dad,
Juliana, Bethany and Mackenzie

Shania Bartholoma

Shania,
It seems like it was just yesterday that you were a cute
little girl just starting kindergarten and now here you are
a beautiful young woman graduating from high school and
getting ready to see what the future has to offer you.
We're very proud of you and we know you'll do your best
and will be great at whatever you choose to do in life.

Love,
Mom, Dad, Sara

Caitlyn Post

Caitlyn,
You were such a good baby!
Now you are a wonderful
young woman.
Love,
Mama

Dylan List

Dylan,

You roared into our lives and we
were soon captivated by your
dynamic personality. Your
charismatic way amused us at
first, but soon we learned you were
a born showman with a lot of flare.
Hold on to these traits as you
develop others as you grow into
a very well rounded man.

Love you,
Mom, Dad, Paul, Ali & Yogi

Bethany Sweet

Well Beth you did it! Not only did you make it to
graduation, you literally made it through life.
You showed those doctors! We are so very proud of you
and what you have become. It's too bad most of your
Class never got to know you due to their ignorance of a
disability. They would've loved your wit, charm and
humor, but oh well, their loss. You have endured more in
your 18 years of life than most people would ever
imagine they could. All those surgeries, procedures, etc.,
have made you all that much stronger and
capable of handling just about anything.
There are no words to say how proud of you we are
and how very much you are loved.

All our love, Mom and Dad

Elizabeth,

You're a special young lady and talented with a
bright future. May your dreams and stories take
you on wonderful adventures through life.
Here's to an amazing young lady
who is dearly loved.

Nana, Poppie, Uncle Pat and Michael

Elizabeth M. Aquino

Nick,

Mommy & Daddy are so proud of you.
We Love You Very Much. It's been a long hard journey for you.
So happy and proud of your accomplishments.

Henry Caughey

Henry,
We are so proud of
the person you have become.
Remember-
"Believe in yourself and your feeling.
Trust yourself to do what your
heart is guiding you to do.
Your intuition is powerful. Trust it."

Love,
Mom, Dad, and Eddie

Hunter C. Martin

Hunter,

We are so proud of the young man
you have become. We have felt enormously
blessed ever since the day you were born.

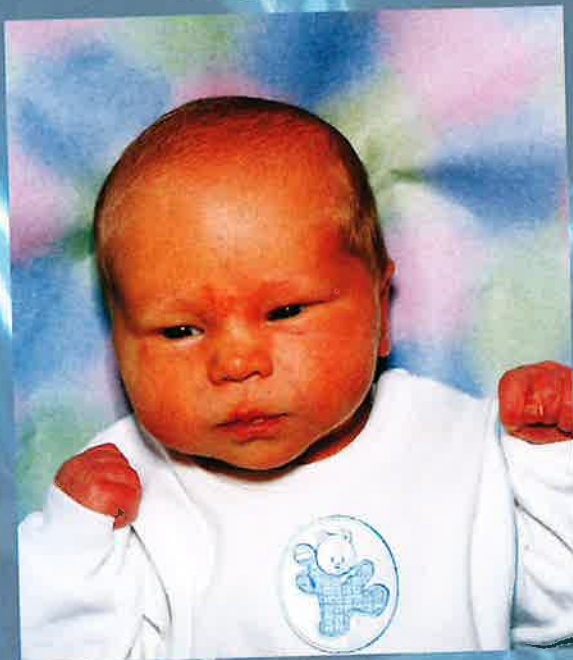

You are a joy and an inspiration!
You are such a bright, intelligent, caring,
considerate, and amazing young man.

It is incredible how you are able
to overcome any obstacle life brings you
and be so successful. You have a gift to make
people laugh and bring joy to the hearts of all
that know you. You will be successful in any
path you may choose. Please remember to
always stay positive and never sweat the small
stuff. There's nothing you cannot do when you
put your mind to it. We will always be here to
support you, and love you for the rest
of your life. We are so proud of you
and love you to the moon and back!

~We love you~ Mom and Dad

Ryan Charland

Ry: Love you today,
Love you forever as long as we're living,
our baby you'll be!
You are the best guy we know...
We are so proud!
Love,

Marissa Tambasco

**Marissa,
It is hard to believe you are graduating and will be off to college in fall.
How fast our little girl grew up. It will be one quiet house next
September and it is going to take us a while to get used to,
that's for sure.
You are such a bright and caring young woman. It is so hard to put into
words just how special you are. It doesn't matter whether if it's in a
classroom, on stage or just sitting around the house with friends,
you always stand out. You are talented in so many ways.
Never forget that. Your talent will help you achieve all the goals you
have set for yourself. You have such a big heart and that heart makes
you as beautiful inside as you are on the outside. Marissa, you make us
proud each and every day. Welcome the opportunities that college will
bring and make the most of them as you have throughout High School.
There is no doubt in our minds that you can accomplish anything
you set your mind to. Dream big and shoot for the stars.
Marissa, they are out there waiting for you.
We love you now and forever !
Love,
Dad, Mom, Courtney and Penny**

**Wow sissy,
I can't even express how proud I am of you.
You are so talented, funny, bright, and beautiful.
Always remember, no matter where we are,
who we are with, or what we are doing,
we will always be each other's best friends.
I love you forever and always!**

that's for sure.
You are such a bright and caring young woman. It is so hard to put into
words just how special you are. It doesn't matter whether if it's in a
classroom, on stage or just sitting around the house with friends,
you always stand out. You are talented in so many ways.
Never forget that. Your talent will help you achieve all the goals you
have set for yourself. You have such a big heart and that heart makes
you as beautiful inside as you are on the outside. Marissa, you make us
proud each and every day. Welcome the opportunities that college will
bring and make the most of them as you have throughout High School.
There is no doubt in our minds that you can accomplish anything
you set your mind to. Dream big and shoot for the stars.
Marissa, they are out there waiting for you.
We love you now and forever !
Love,
Dad, Mom, Courtney and Penny**

Kaylea DiGiacomo

Kaylea,
It is hard to believe that shortly you will be graduating from high school, seems like just days ago you were clinging to your "Pooh" as we sent you off for your first day of kindergarten, now you have matured into a beautiful and intelligent young woman. As one chapter of life closes it only means that a new one begins. Cherish all of the good memories and embrace the adventures in life that are yet to come! We are very proud of you and your past achievements and know that you will achieve all that you want in the future. You will always have our love and support.

Love you,
Mom & Dad

Garrett Wilkins

We are so very proud of you Garrett & cannot believe you are graduating. Where did all those years go? We will always remember your cuteness & how you loved to snuggle with your "Buddy". Our wish is that you remain true to yourself, keep your head up & embrace your success.

You can accomplish anything if you truly believe in it & work hard. Life may take you through leaps & bounds but don't be afraid to jump because God will always be there to catch you when you fall. Stay strong & dream BIG! It may be useful in the future as you know "dreams do come true"! We love you so much Garrett ~ God bless Mia & Papa xxxxx

My first born... Seems like only yesterday you took your first step, said your first word, stepped onto the school bus for Kindergarten. These years have flown by. Soon, I will be watching & cheering for you as you walk across a stage to accept your diploma. I'm blessed for the son you are and so proud of the man you have grown to be. God has a plan for you. Choose wisely and you will live without regret, real and lasting happiness has nothing to do with material possessions, it's a result of staying true to your values, even when it may seem difficult.

Senior year is a year of letting go... when motherhood becomes a complicated blend of pushing you forward and holding you back. Every day I shed a few tears when I think of you moving on. At the same time, I'm so excited for you to embrace this next phase of your life.

Have fun, work hard, and enjoy every single day.

You are my heart, my soul, my life, and my world.

I am always in your corner, your loudest cheerleader, and a very proud Mother.

I love you Garrett and thank you for the best 17 years of my life !!
Mom

Garrett,
I'm so proud of you. I know whatever you choose to do you will be great at it. I have always looked up to you. When dad isn't around I know you and I love you for that. Once again, I'm proud of you.

When you're a kid, they tell you it's all,
"Grow up, get a job, get married, get a house,
have a kid. and that's it." But the truth is,
the world is so much stranger than that.
It's so much darker. And so much madder.
And so much better.

Lisa A. Walendziak

Dear Lisa,

It's hard to believe that my baby sister is really graduating from high school. It feels like it was just yesterday that Mom was dressing us up in matching outfits and I was trying to get you to help me cover up my "experiment" of putting Play Doh on the wall. I know high school hasn't always been easy for you, but I am so proud of how hard you've worked to get where you are today. Wherever you decide to go next year, I have no doubts that you will succeed and have the time of your life.

Remember that I'm always here for you.

Even if it's 3 o'clock in the morning.

I'm always a phone call away.

Much Love, Your Big Sister/Idol, Amy

Lisa A. Walendziak

Dear Lisa,

How can it be that our baby is a Senior already? It seems not too long ago we were waiting for the bus at the main road - you, eager to start your career with Mrs. Morrissey, and we, as parents, not so eager to let you go. But off you went, and oh what a journey you've had! Thirteen years of near-perfect attendance - years of hard work, filled with exciting times, disappointments, triumphs and most of all, life lessons about teamwork, and learning about yourself. This will serve you well as you begin life after high school. You have managed to succeed in your own way, Lisa, and we are so very proud of your efforts. Always with a winning smile and a positive attitude, and the inner belief that your goals are within your reach. Remember that we are behind you every step of the way, always cheering you on! The world is waiting for you, Lisa; do good things, have fun, be safe, and most of all, never forget how very much you are loved!

With Love,
Mom & Dad

Taz Taylor

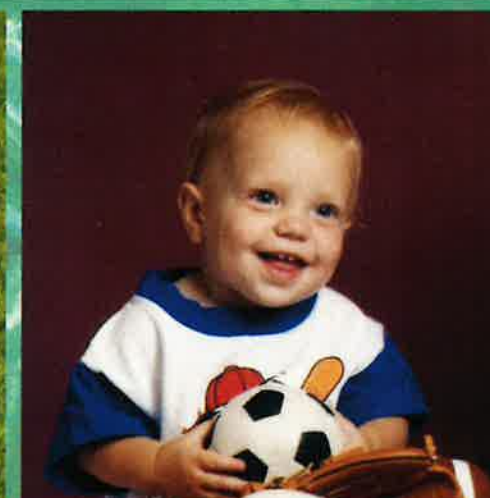

Taz,

Congratulations!

I can't believe you are a senior, it seems like yesterday I was watching you step on the school bus for the first time. I am very proud of all of your accomplishments and can't wait to see where the next phase of your life will take you. Follow your dreams wherever they may take you and remember no matter if you are a few miles away or thousands of miles away I am always here for you.

I love you and am incredibly proud of the young man you have become.

Love,
Mom

Emily Priamo

Dear Emily,

We are so proud of the wonderful person you have become. First, were the days of Shimalina and Kenny. Soon after that came a wonderful sister named Hannah, soon followed Grace, then Daniel and Natalie. It is no wonder that you fell into the big sister role so effortlessly. After all you had the perfect teacher in your Mom. As you learned how to lay the smack down when needed, show the Mama Bear claws when necessary and love so completely and unconditionally. You are a remarkable young lady that is about to embark on some of the best years of your life. Enjoy every single moment, you deserve it! We will always be here to support you and celebrate you. We will be here to lend an ear when needed and we know you have a very special person that will be watching from above. All of us here and up above are proud of you and

LOVE YOU VERY MUCH!!

Cait Hentnik

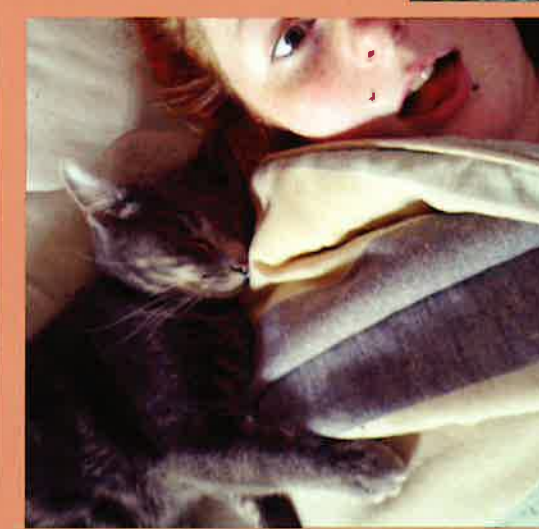

Howdy there!

I am Caitlyn Hentnik.

I love cats.

....also eating, sleeping,
reading, and acting.

My life revolves mostly around taking
care of my cat, Fredrick, and also
wasting my time on the interwebs.

Chris Smith

I am a Musician/ Guitarist. I've been playing guitar for 3 years, and my biggest influence/role model is Slash.

I got started when my stepdad showed me the music video to "Welcome to the Jungle". I love the 80's and 90's. To me, that's the time where Rock 'n Roll hit it's peak. I play on a Gibson Les Paul and a B.C. Rich Mockingbird.

My favorite album of all time has to be "Appetite for Destruction" by Guns n' Roses in 1987. It was raw, sleazy, bluesy, and very melodic. This record was named one of the greatest albums of all time. I am a varsity bowler with a 190 average and highest game is a 278.

Amber Passino

Hey, I am Amber Passino. I have many hobbies - such as reading, writing, and drawing.

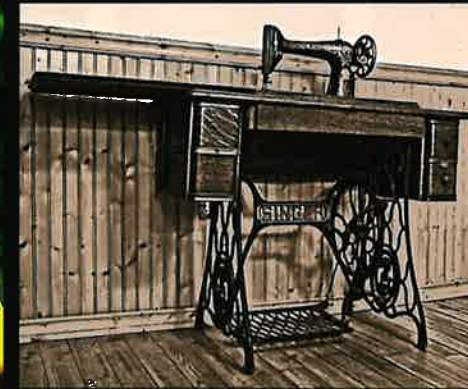

Drawing is something I have been doing for as long as I can remember. It wasn't until I was around 10, that I started getting into drawing anime and cartoons (thanks to the influence of my step - brothers).

Eventually, I started drawing my own characters and writing about them. Now, I even write my own stories. Someday I would like to publish some of my work.

Timothy Reynolds

I don't do very many things in my life, but what I do, I enjoy every minute of it.
