To say how proud we are of you would be an understatement. With your drive and perseverance, there's not much that will stop you in achieving ALL your dreams. STOP FOR A MINUTE:

Everyone that knows you understands what a "go getter" you are. Tackling every possible task, knocking down any barrier in front of you. But always remember it's OK to take time to reflect and see all the good you have done. How your positive demeanor and influence has raised those around you. Take time to enjoy your accomplishments. Reflection can be a wonderful thing in time of need.

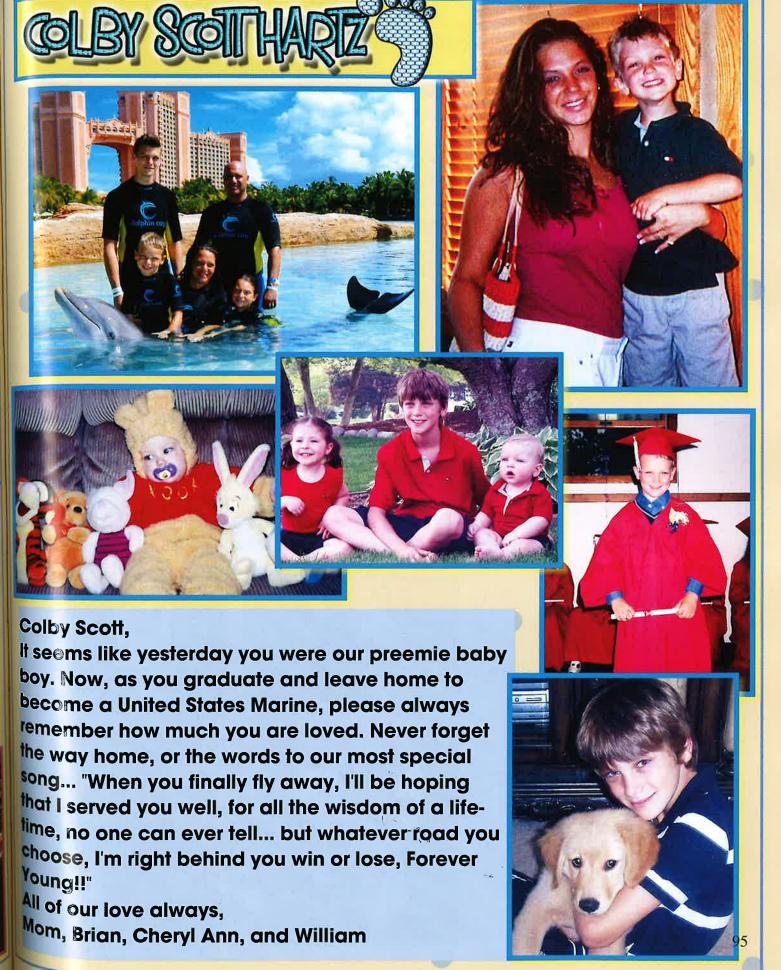

ENJOY THE JOURNEY:

You have been blessed with many valuable gifts. Enjoy the scenery along this journey you started to pave. We all know you're going to do exceptional things in life, make sure you take plenty of pictures for all of us to enjoy. We will always be there for you to share.

Don't ever forget: "Pins and needles, needles and pins, it's a happy Bethany that grins."

We will love you always, Dad, Mom, "J", Lex, and Kenzo

Congratulations to you and to the class of 2016! "Welcome my son, welcome to the machine."

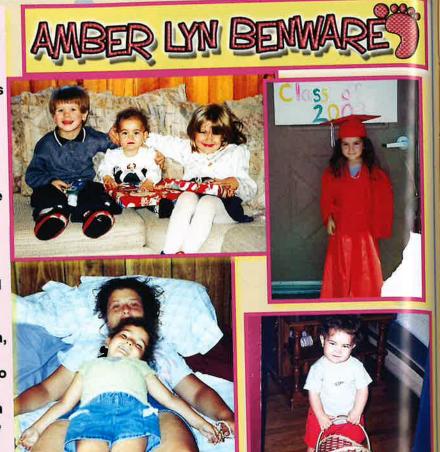

Hold up, a senior already! Where has the time gone? Can I turn back the clock? It seems like just yesterday that I was sending you off to start your 13 year journey at B-P and what a journey it has been!! Never a dull moment, that's for sure. Not only were life lessons learned and bumps in the road overcome but there were also so many achievements, triumphs, and most importantly, plenty of laughs along the way. I am so proud of the person you have become and I know amazing things are in store for you. Stand up for what you believe in Bean.

Thank you for all the laughter, tears, and joy you have brought into my life. Thank you for being my rock for the last 18 years, you have taught me to love unconditionally and for that I am eternally grateful.

Now, on to a new journey! Remember to smile, communicate, keep your head held high, make lots of memories, and above all else, be "YOU". I will be with you every step of the way to guide you if need be, give you advice when warranted, or to just lend a shoulder to lean on every once in a while. Remember, you hold the key from here on out. Keep reaching for those stars. You got this!!!

I love you to the moon and back again- Mom

You have grown to be such a wonderful person and have come so far. You make me proud to call you my daughter. Love you lots!

GAVIN DAVID LEAG

Dear G man: It has been our greatest joy to raise a child with so much artistic talent. You can create the most beautiful of life's blessings with your hands, your voice, and your creativity. You will continue to awe the world with your superior abilities. Never forget that others fail to see beauty where you know it is. Not everyone will understand you and that is what makes you superior to those who fail to understand your vision. We have always been blessed with your talent, it is time to share it with the world! Shoot for the stars Gavin, and then just keep going! You have no limit, the world is now your canvas!

Love, Mom & Jamie, Alley, Todd, and Bruce Jr.
