CLASS HISTORY

In September, 1941, our class entered a new world (high school), awkward, terrified, and green. We always seemed to be in the way of the upper classmen and nothing we did was proper.

Our first horror, which appears annually to all freshmen classes, was initiation. We were stage struck, at first, but we soon overcame this while accomplishing our miraculous feats. Numerous rules were published by the Seniors and we had to obey them or suffer the consequences.

Our first entertainment was a movie—"Movie Crazy"—and it proved to be very successful. We also sold Jello during our Freshman year, and sponsored a sleigh-ride, to increase our New York fund. Mike Shivka, Bill Cunningham, Marina Petoff, and Tom Swan were our class officers; Mr. Chous and Miss Elwood our advisors.

We entered our Sophomore year with big ideas. We still thought that studying in high school was easy, but we soon changed our minds when it came to geometry and Caesar. Nevertheless, having departed from the ranks of green Freshmen and advanced to those of wise Sophomores, we tackled the hard tasks ahead.

In order to build up our treasury account, we Sophomores got busy and sold notebook paper and stationery. We also presented another successful movie. Hilda Eaton, Marina Petoff, Evelyn Voorhees, and Marilyn Kissinger managed our affairs for the year.

We really began to feel very grown up (this may not have been noticeable to the faculty), when we entered our Junior year. As the time was growing nearer for our New York trip and Commencement, we decided that we must increase our funds considerably at once. Thus, for the first time in our lives, we were induced to dig in and work hard! We sold stationery and more stationery! We sponsored a dance. And we presented another one of our annual movies.

In May we were overjoyed to receive our Senior rings! At last, we felt, we had

reached the "peak." Our officers for the year were Tom Swan, Bill Cunningham, Jennie Nadwocki, and Hilda Eaton.

What! Was this a dream or were we really Seniors!!! It didn't seem possible that our four years of work in high school were almost completed! Our first duty and may I add, great pleasure, was to initiate the Freshmen. We forgot that three years ago we were in their same embarrassing position and made them do hard and embarrassing feats.

Early in November, we presented the play, "Night of January 16th." We had to work, but it was a great success. We, ourselves, were astonished to find such dramatic talent among our classmates.

The rest of the year was spent in performing traditional Senior duties. The selecting of sweaters proved to be a greater task than we had surmised. Due to war production, we had no choice but to take what was offered us.

Sponsoring weekly movies in the B.H.S. auditorium more or less completes our activity fund drive. As this article goes to press it is not decided yet whether the Seniors may go to New York. We all have our fingers crossed. Affairs were competently managed this year by Guy Pistilli, Hilda Eaton, Evelyn Voorhees, and Anne Ward.

When we all started as lowly Freshmen, there were about thirty-seven members in the class. Now the membership has dwindled to twenty-five. Let us especially remember those who have left us for the Armed Forces: Roger Dake (Navy), Roger Eaton (Navy), and George Noonan (Merchant Marines).

Now a hard and tedious struggle lies ahead of us, but we all feel that with a little ambition, and the assistance of the faculty, we will graduate with honors. Success to all our classmates.

All three acts take place in a courtroom. Karen Andre is being tried for the murder of her employer, Bjorn Faulkner. All the witnesses are brought up from the audience, and this makes the play doubly interesting.

In the evening performance, the members of the jury are drawn at random from the audience, so the conclusion of the "Night of January 16" rests solely upon their decision.

BASKETBALL

The 1944-45 basketball team continued the championship march in Tri-County play. Conquering all league teams, B. H. S. won their eighth consecutive trophy. The record after eight years of league play: won 78, lost 5, 57 victories being without interruption.

By virtue of winning the Tri-County League laurels our team again qualified for the Section Two play-offs of the New York State Public High School Athletic Association. We became the Section Two Class D Champions by defeating Kinderhook in the finals.

Capably led by Captain "Chuck" Warren, the team scored 17 straight wins. Impressive wins were registered over such outstanding schools as Johnstown, St. Mary's of Little Falls, St. Mary's of Amsterdam, Corinth and Fort Plain. A new scoring record eclipsed the 861 points set by the 1940-41 team was established. New individual records were created by Captain Warren: Most points in one game, 27; season, 363. Most foul points in one game, 10; 17 foul points made in 17 tries. Larry Olmstead scored 223, Big John Swan garnered 170, Bill Cunningham collected 85; "Rich" Coloney earned 31. Guy Pistilli, Mike Shivka and Tom Swan contributed in the balance of the scoring.

The Junior Varsity was a bright star in its own games. Remaining undefeated in the Tri-County loop in some close contests, they also copped a trophy.

The record was broken at eleven games straight by a powerful Johnstown quintet and then they dropped the next game to Fort Plain. As the record stands now, they have twelve victories as compared to two losses.

This is the fourth Junior Varsity of B. H. S. which has topped the Tri-County League. An interesting fact about this team is that it is composed of mostly Sophomores and Freshmen, who have at least two more years to play.

Third Row—James Cloutier, Peter Nysczy, Arthur MacVean, Harold Smith, Rodney Sawyer, Donald Dake, James Pelcher, Larry Olmstead.

The soccer team started fast and put up some Tri-County League record downing Fultonville on their field 18-0. The team reached its peak in three games, then had a slump and started dropping games. During the period they lost to teams which they had held scoreless before. They lost their chance for the Tri-County title in this slump by dropping games to Mayfield and Northville. Near the end of the season the team picked up again and started showing their old form.

The 1943-1944 team was an excellent ball club. Although there was no Tri-County League, the players took what opposition was afforded them. We played Mayfield, Fonda, and Northville during the regular season. After the season the ball-players remained together and played in the summer league at Johnstown. It was quite evidence that the league title was going to either Johnstown High or Broadalbin High. The league ended with those two teams tied for first place.

The Blue and White boys were a scrappy outfit and fought to the last inning. They downed some powerful teams, such as Fort Plain and Gloversville.
