# CLASS HISTORY

In September of 1947 the Class of '51 entered High School, Miss Miller was chosen our advisor. We will always remember her wise leadership. The early part of the term held a memorable day for the class--initiation. Our class was the last one to be initiated in Broadalbin Central School.

During our Freshman year we held such activities as: food sales, turkey raffles, a movie, and a Cabaret Dance. We also sold notebook paper and stationery. When we entered school, our class consisted of 47 students.

The following year our class had decreased considerably. Our activities during our Sophomore year were restricted to selling school supplies and sponsoring one movie.

Yes, we had advanced another step ahead; we were now Juniors. This year proved to be very profitable. It was then that we really began thinking seriously about our Washington trip. To increase our funds we sponsored many activities such as our never-to-be-forgotten Minstrel Show. Do you remember us in blackface? It was quite an experience. Then came the Talent Show. Remember our own orchestra stole the show? We also held an ice cream social and sold basketball schedule pencils and notebook paper. As was the custom that year, we had charge of the checkroom at the ball games. The highlight of our Junior year was of course receiving our Senior rings.

Can it be true? Seniors! Yes, we finally had made it, although we had lost a great many students. The years had rushed by so fast it seemed impossible. These truly were "the best years of our life."

During this our last year, we sponsored weekly movies and food sales. The Senior Orchestra played for Teen Age dances as a Saturday night recreation program for the students. We also sponsored a Minstrel Show presented by the "Hagaman Minstrel Boys" and held another Cabaret Dance.

This brought about our first attempt at the stage with a comedy hit "Parents Are Like That." Everyone agreed that rehearsals were certainly a lot of fun. Can we ever forget? Our play books and souvenirs will remind us.

Beside the Senior Play there were other memorable events. Picking out our green and white Senior Sweaters, the tiring work on the Yearbook, and the Senior Trip. But the most memorable moment of all "Graduation." Never again can we be Seniors in good old B. H. S. But before we leave we must stop to thank all who made this possible: Mr. Townley, Miss Miller and the teachers who have taught and led us in the best possible ways through our school years.

Our Class Officers for our four years of high school were:

## A FAREWELL

Here, on this great hilltop  
Our school stands proud and tall,  
It's to this place each morning  
That we come to the bells clear call.

Oh! We love our Alma Mater,  
Its classrooms and its halls,  
And we'll miss it when we leave here,  
Our dear friends, teachers, all.

But long after we have left it  
The memory will remain  
Of the happy times we've had here  
And the knowledge we did gain.

To our teachers and our classmates,  
To the school so stately, tall,  
We leave our fondest wishes  
And happiness to all.

Take care of what you have  
Make the most of all you can,  
Because soon, you too, will leave  
And you can't return again.

When that sad time rolls around,  
Remember these true words:  
You'll wish, you too, could return  
Like the Shepherd to his herds.

But now school days are over  
The words cut like a knife,  
For we'll always remember these  
times,  
As the best years of our life.

Yes, we've taken our place as  
Seniors,  
And the thirst for fun did quell,  
But before we leave, remember these  
words  
As the Seniors fond farewell.

Farewell to those who've helped us  
And taught us what is right  
Carry on the fine tradition,  
But don't give up the fight.

Yes, Graduation time has come  
The sound rings from hill and dell,  
For, the Seniors now are leaving  
And their last word is Farewell.

Elinor Seward
