Principal's Message

Broadalbin Central School
Broadalbin, New York

To the Senior Class of 1952:

You are my first four year class in the Broadalbin Central School. In September 1948 we entered high school together. Then we were complete strangers; now we are cherished friends and staunch co-workers.

The years have passed too quickly for us. However they have been happy ones and I trust very successful. You have been an outstanding group to associate with in high school. You have been friendly, cooperative, industrious and loyal. Your graduation will be joyful for me, only if you return often in the future years.

I trust that we have guided you wisely in your plans for adult life. May God give you and yours the health to enjoy continued success and happiness.

Our Class In First Grade

Second row: Richard Bartholoma, Peter Cornell, Edward Dingman, Rene Gignac, Robert Haff, Leland Oath-out, Ronald Seeley, Mike Opalka, Richard Cunningham, John English, James Gibson, Lawrence Therrien, Charles Kenyon.

Class History

In the fall of 1948 we entered high school with big plans. It seemed to us that we had completed so much, and yet, now we realize that it was only the first step up the ladder to success.

We were under the supervision of Miss Violet Lockyer and elected the following officers:

President-----Michael Opalka
Vice President ----- Marlene King
Secretary and Treasurer -----Rae Brown
Reporter -----Douglas Pelotte
Student Council ----- Robert Donaldson
Beth Jones

During our Freshmen year we were not allowed to carry out any money - making projects. Our only income was the monthly dues which we paid.

On September 21, 1949 we held our first meeting as Sophomores. Miss Iona Cloutier became our advisor and has guided us ever since. As class officers we elected: Robert Donaldson, President; Ruth Mac Vean, Vice President; Gilbert Dannenberg, Secretary; John English, Treasurer; and William Porter, Reporter. To represent us in the Student Council we chose Donald Butkus and Sheila Taggart.

We agreed to pay 25 cents dues per month. Our only activity was to sell book - covers.

Then on September 3, 1950 we resumed school as Juniors. We held a classmeeting on September 8 and elected officers. Upon totaling the ballots we discovered these results:

President -----Beth Jones
Vice President -----Geraldine Small
Secretary -----Marlene King
Treasurer ----- Sheila Taggart
Reporter -----Ruth Mac Vean
Student Council ----- Rae Brown
William Beyer

During our Junior year we sold stationery, book - covers, and cone - hangers. We also held food sales, occasionally and sponsored a dance. In October we purchased our class rings. Our treasury still looked rather empty, however, so we entered our Senior year with one big problem, -- finances. We realized we were confronted with a busy year which has certainly proved to be true. The play, the yearbook, food sales, movies, the sale of cone - hangers and stationery, and selling refreshments at the basketball games occupied all our time. Every little bit helped to raise our funds, but the mounting expenses seemed to take a good share of them.

Our Senior class officers, President, William Beyer; Vice President, Jim Crannell; Secretary, Beth Jones; and Treasurer, Barry Chase; capably spurred us on.

Now as we complete our years in BHS we hope that we are leaving the favorable impression which we have tried so hard to maintain. We have enjoyed working together and as we say farewell, we say it with regret, for we know that life will never be more pleasing than our years in BHS.
