SENIOR PLAY

"LIFE OF THE PARTY"

The Hughes family moves to Butterfield and begins to choose friends. They make mistakes of course, but in the end they are wiser because of them. Mr. Hughes, played by Fred Earl, is to set up a branch office for his firm, flighty, funny Mrs. Hughes, played by Nancy Whiting, being something of a snob at first, has high social ambitions. Oldest daughter Mildred played by Sally Stevens, a college freshmen, fancies herself in love with the snooty son of a bank president. Imagine what happens to their aspirations when studious daughter Jean, played by Dawn Reed, under the illusion that she is in love with smooth-talking Mike Tisdale, played by Eugene Cloutier (who arranges the party and dupes Jean into playing hostess), flings off her glasses and her reticences and becomes the life of the party. And what a party! Dapper Teddy, played by Ronald Beatty, her brother, gets into a merry mix-up juggling four dates at once--until the girls get wise. And youngest daughter, Amy, played by Betty Brown, a roudy cheer-leader, falls in love for the first time.

## CLASS HISTORY

On September, 1945, a group of 36 terrified green freshmen entered High school. We were very proud of at last getting "upstairs", but that feeling soon left when we were initiated and a feeling of terror over what those cruel seniors would do took its place.

Our class assembled and elected officers to begin our new venture into high school. They were President-Shirley English, Vice President-Eugene Cloutier, Treasurer-William Werner, Secretary-Leland Houghton and Reporter-Betty Brown. Our advisors were Mrs. Dunham and Mr. Reynolds. We sponsored a movie that year to start our Treasury fund.

In our sophomore year we felt a little bolder and older as we watched the new freshmen being put through their paces. We had the same advisors this year and our officers were: President-Donald Dake, Vice President-Ronald Beatty, Secretary-Helen Zyromski, Treasurer-Sally Stevens, Reporter-Lenita Shattuck. This year we had a hay ride and a movie and sold everyday cards.

We were sorry to lose both of our advisors, Mrs. Dunham, and Mr. Reynolds, at the end of our sophomore year. We were very grateful for all their help during two tough years of getting acquainted in high school.

As our new advisor in our Junior year we chose Miss Mary Siraco. To aid her in managing the class we chose as officers: President-Ronald Beatty, Vice President-Donald Mittler, Secretary-Dawn Reed, Treasurer-Shirley English, Reporter-Betty Brown. During this year we had several movies. We also had a Junior Prom which was a great success. We ended that year with high hopes of our Senior year.

We entered our Senior year as a very large class of 40. One of the main features of the year was the Freshmen initiation. A committee appointed by the President had charge of the initiation aided by suggestions from class members. The program was held during the latter part of September. We finally got the satisfaction of ruling the Freshmen as those Seniors of '45 ruled us.

Another high spot of the year was the Senior Play which took place March 12. Mrs. Eddy and Miss Miller had charge of this colossal production. After many anxious practices and fear of a snowstorm delaying us, we finally held it. It was a great success played to a packed auditorium.

Then came our long awaited New York trip. We left March 26, and returned March 30. We had a wonderful time and if New York doesn't remember us we certainly will remember New York.

Our Senior officers who made this year possible were: President-Ronald Beatty, Vice President-Donald Mittler, Secretary-Lenora Steele, Treasurer-Billee Lasher, Reporter-Betty Pixley. Our advisor was Mrs. Siraco Eddy. We as a class are grateful to her for her hard work.

We chose as our class flower, the red rose, our colors are grey and maroon and our motto: A step forward, a glance backward and a goal ever upward.

We sponsored many movies, several square dances and a penny carnival. Our last wish as we leave B.H.S. is that all the following Seniors have as much fun and good times as the class of '48 did.

#### BASKETBALL WRITE-UP

A colorful and speedy Broadalbin Quintet again has wound up the current season of play with an excellent won-lost record of fifteen won, three lost. The major setback was suffered by B.H.S. at the hands of Wells by four points.

Over a span of twelve years Broadalbin has amassed a total of 108 wins against six losses in Tri-County League Play. As a result of winning the Tri-County League, Broadalbin qualified for the quarter finals in the sectional play-offs. Corinth ended the reign of supremacy of the blue and white by dealing a crushing 32-31 loss.

This year the team was ably captained by Co-Captains Dick Beatty and Mike Dobrowolski, who achieved the majority of points the former with 182 and the latter with 240. Note Kenyon, Rodney Sawyer, and Jake Deke displayed excellent defensive and offensive playing by handling the setting up of plays and continually breaking up the opposing teams offense.

Walter Lewis, John Bissett, Edgar Cronnell, Eugene Cloutier, Henry Cieply, and Bill Fischer were ready on reserve to take over if any of the starting five failed to click.

At the start of the season only two of last years regular varsity members had returned. Coach Stillman proceeded to build around these two men a team which would be capable of producing victory. There were a number of likely prospects from the preceding years Junior Varsity Team.
