Members of the Class of 1953

Time marches on. It seems only yesterday that I met most of you busily engaged in your eighth grade activities.

Your four years of high school have stamped you as a class that does things easily and thoroughly. Dances, parties, plays, yearbook, assemblies and other activities have been so well organized that your plans have been executed with remarkable success.

I trust that the high school years have been pleasant and profitable to each of you. Your continued success and good health, will be a source of mutual satisfaction to all of us, who have worked with you. T.R. Townley T.R. TOWNLEY
