## ROSE DONNA DEUEL "DONNA"

The halls of B.H.S. resound,  
An echo of the past;  
A youthful group of freshmen sat--  
And watched the flag--half-mast.

And as the years have come and gone  
With time's incessant beat;  
That freshman class has traveled on--  
But with one empty seat.

Although she may not be with us--  
As Seniors we depart;  
We want the world to know that she,  
Still lives within our hearts.

-- Sandra Gottobed --

To the Members of The Class of 1957

Your class will not only be the largest one ever to be graduated from Broadalbin Central School but in my estimation one of the best classes with which I have ever been associated. You have been very cooperative, industrious and good leaders of our student body on all occasions. For those of us who remain behind, graduation will not be a very joyful occasion, as members of the class of 1957 will be missed a great deal, during the coming year.

As individual members of the class you have been noted for doing extra work on many occasions when it has not been required. May the small beginning that you have made in your high school course carry with you throughout the days of higher education and adult life, so that wherever you may locate in the future years, you will be a credit and inspiration as a member of our American Society.

We say to you, may God-speed and help you prepare for your family life in this great country of ours, the United States.

## CLASS HISTORY

'44 to '57 - We have known a bit of heaven.

Long, impatient grade school days,  
- Senior year - so far away -  
We will have these moments to remember.

Then Junior High, and problems start,  
Big romances - broken hearts,  
We will have these moments to remember.

Pony tails and boys' flat tops,  
Long hayrides and Sno-Ball Hops,  
We will have these moments to remember.

Though summer turns to winter,  
And the present disappears;  
The laughter we were glad to share,  
Will echo through the years.

Our Junior rings, (we soon exchanged),  
Our "Moonglow" Prom, all prearranged,  
We will have these moments to remember.

Learning lines for "Books and Crooks,"  
Meeting deadlines for yearbooks,  
We will have these moments to remember.

The victories that our team has won,  
The plans we made for Washington,  
We will have these moments to remember.

Our white diplomas, heavy sighs,  
Heartfelt tears and sad good-byes,  
We will have these moments to remember.

When other nights, and other days,  
May find us gone our separate ways,  
We will have these moments to remember.
