During your short stay in our country, Sevim, you have had a chance to glimpse the lifestyles and customs of a small part of this great country. You have also given the students at Broadalbin an insight into your country, a land quite different from ours. We hope that your stay here has been enjoyable and profitable and that you have learned as much from us as we have from you.

DEDICATION

After your gone there will always
Be memories of you that
have still remained
the many years you have taught
and all the knowledge that
has been gained.

As our class advisor, Mrs. Brown
has always been there to
guide and help us through,
and from all of the seniors
We sincerely thank you.

Throughout the years you have
been here, there has been many
things you've done for Broadalbin High,
We shall all miss you tremendously,
and a farewell goodbye

APPRECIATION

In appreciation to the yearbook
We have selected
Miss Manuel.

Through the years she has worked
with the student body and
done her job well.

She is well liked by all the
students and is respected
by everyone.

She has helped the girls
sports become something
more than just fun.

For dedicating yourself to the
student body as you have
in the past.

The relationship you have
with the students in High
School is one that should last.

The Varden Portrait.

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in fine portraiture. When you graduate, don't settle for less.
