KRONICLE

KENNYETTO KRONICLE 1980

VOLUME NO. 46

OUR DEDICATION: MR. CERRONE

We, the yearbook staff, dedicate this yearbook to Mr. Gary Cerrone. It is only fitting that this yearbook be given to the man who has worked as diligently for anyone particular group of students as he has. We know that you, Mr. Cerrone, will accept this book created from ideas without any basis to its majestic glory. The creation of this yearbook closely aligns itself with the growth of our class. Mr. Cerrone, being the vibrant man he is, molded our class from individuals with different goals to one with a common goal. During the three years we have spent with him, Mr. Cerrone has badgered, clearly persuaded and firmly dictated to our class in order to reach our goal. Mr. Cerrone, you as a success-driven man, have helped us to gain limitless achievements unattainable by any other. You have gained our respect and admiration for the perseverance and endurance you have shown. You have exhibited to us the fine traits of leadership. We would do well to endeavor to mimic them. We, the yearbook staff as well as the Class of 1980, thank you.

The Editor.

The Varden Portrait.
For some people, a diploma is not enough.

Ramark-Varden
Studios

Some people feel that there should be more
to graduation. More than just a diploma. A timeless
commemorative of your graduation is the Varden
portrait.

Your Varden portrait will speak with dis-
tinction. For over 30 years, the name Varden has
meant the ultimate in fine portraiture. When you
graduate, don't settle for less.
