## Class History

### FRESHMEN

Timid, shy, giggly are all words fit to describe the class of 1960 when we entered our Freshman year. As 1956 wore on, however, we gained new confidence and were able to play basketball and to push our way into the lunch line with the best of 'em. As our president in our first "money making" year, we chose Alfred DiCaprio. His chief assistant, as vice president, was Richard Jablonski. Virginia Wagner was chosen as secretary, and our tremendous profits were to be recorded and deposited by Joseph Jablonski. Our profit making endeavors that year consisted of selling ribbon candy, which we continued to do for three years, selling cards, and sponsoring a square dance. Mary Nellis, Leona Vogel, and Barbara Shull joined our merry band in our Freshman year, and Danny Kline left us for the Southland.

### SOPHOMORE

The Sophomore year found Virginia Wagner at the head of the class, as president. She was assisted by Bill White as vice president; Donna Parker to take the notes; and Mike Healey to guard the safe. We were kept busy in the fall of 1957 by selling magazines and sponsoring a food sale. In the spring, many riotous hours were spent in cooking up the best fudge this region has ever tasted.

### JUNIOR

Sponsoring a square dance, selling ribbon candy, and holding the traditional Junior Carnival all proved to be profitable enterprizes undertaken by the Junior Class. Richard Jablonski was chosen as president, aided by Perry Vickers as vice president. The treasurer's burdens were given to Joe Jablonski, and the role of secretary was taken by Mary Nellis.

### SENIOR

Finally we arrived at our Senior Year. Patty Spragno and Martha Staley left us for bigger and better places, but we were joined by John Botta to make our class an even 32. I wonder if the people of the community will have any money left for next year's class, after all the soliciting we did this year. First of all there was the hilarious Senior play "The Antics of Andrew," which proved a tremendous success. Next we sold cards, year-book subscriptions, tickets to our record hop, and, of course, our Senior Ball. All in all, our stay at PCS has been very memorable. Some of the things we did may seem fatuous to us in future years, but I'm certain they all have made us better and happier citizens.
