MR. DANIEL KRAWCZESKI

Although Webster describes a shark as large, ferocious, and dangerous to man, we prefer the slang definition: a person unusually good at something, an expert. You've been the best, Sharky, for us! You've been an expert advisor to our class, an unusually good friend, and only occasionally dangerous and ferocious.

For all your efforts on our behalf, the class of 1980 dedicates its **Highlander** to you.

REPORT CARD

Football

This year's team has helped start football again after a year's absence. It was their dedication and hard work that has helped to maintain our tradition as a successful team. It was by no means an easy accomplishment. We were small and had no football experience. In the beginning, although we didn't have very many football skills, we learned fast, worked hard and achieved our goals.

We were very fortunate to have our seniors play, for they provided the leadership we needed. Next year's team and those in the future will be built on the Juniors, Sophomores, and Freshmen we have returning who will have gained that valuable commodity: experience.

We hope what has been started this year will be continued in all the ensuing years. We (the coaching

staff) are proud of our team and what we have accomplished.

Volleyball

The Girl's Varsity Volleyball team finished their season with an 8-3 record overall in the Tri-Valley League. Volleyball Sectional Competition was held at Ballston Spa High School December 22, in which the team took third place by defeating North Warren of the Adirondack League.

The support at all the games was greatly appreciated and we look forward to a good season next year.

Raiders' Baseball '79

Last year's Varsity Baseball team turned in a fine 16-2 record overall and defended its Class E Championship. The Raiders are four time consecutive winners. This year's team will have eight returning seniors. They include pitcher - shortstop Mike Brown, centerfielder Jim Prokop, leftfielder John Bucciferro, second baseman Doug Hall, third baseman Kevin Engle, infielder Brian Phillips, and outfielders Bob Bollentin and Ron Mole.

The two biggest problems the 1980 Raiders will face are a lack of consistent hitting and a lack of more than one experienced pitcher. Mike Brown, the only returning pitcher, led the Capital District with his 0.76 ERA and was 8-0 for the '79 season.

The loss of last year's seniors and of the many transfers, due to the defeating of last year's budget, will begin to take their tolls this year in what has always been a very successful program. The Raiders will hopefully accomplish another successful season, and possibly become the first team to win the Class E Championship five years in a row. Good luck, Raiders!

Honor Society - Mrs. Cernar, Advisor Sandy Flansburg, Sandy DePasquale, Valerie Clark, Sylvia Bojanowski, David Kutinskas, Pam Welke, Karhy Kwiatkowski, Carol Hallinan

The Perthshire Chapter of the National Honor Society underwent some dramatic changes this year. Instead of the usual two selection assemblies per year, it was decided that one program, to be held in February, would be more meaningful. The second change involved eligibility. Beginning this year, top sophomores would be inducted, as well as juniors and seniors.

Some internal changes were: a new advisor, Mrs. S. Cernar, plans for increased school involvement, such as tutoring services and fund raising. Arm patches, to be worn on graduation robes, were purchased for senior members.

It is hoped that Honor Society will maintain its tradition of being a goal for which students will strive.

The Student Council has been reactivated in the 1979-80 school year. It's members include the representatives of all class grades 9-12, elected representatives for each class, and a representative from each school club or activity.

The Council is in the process of reviewing its constitution, and of following through on student request for changes based on a student survey. The council also has acted as a liaison with the community by helping the PTSO at open house, at Teacher Recognition Day, and at the Olympic Torch Ceremony.

The following excerpt defines the purpose of the Student Council as set down in its charter.

1. Develop high standards of character, leadership, and school spirit in the student body;
2. promote and act as a medium for student organizations worthwhile activities;
3. promote the interests of students and student organizations while under administration jurisdiction;
4. build closer relationships between students, teachers, administration, the Board of Education, and the community and to act as the intermediary between these groups and the student body.

The Library Club is essentially a service organization. It is open to any student grades 7-12. It's members work in the library during their free time. Some of the tasks handled by these students include working at the circulation desk, carding and shelving books, straightening shelves, filing, and other general housekeeping jobs.

In addition to library work, club members have a few fund raising efforts throughout the year, including a paperback book fair. The money which is raised goes for the annual Christmas Card Project, some equipment or needed material for the library, and for a picnic at the end of the year. The Christmas Project, now in it's eighth year, includes the sending of a personally signed card to each resident of both Fulton and Montgomery County Infirmaries. We have been encouraged in this by both institutions with a very positive response.

This year the French Club enjoyed various cultural events and celebrations of French holidays. The students made crepes after school during October, a tradition celebrated three times during the year by the French. Also, the French and Spanish third year students prepared a full-course dinner after school during November. Some of the dishes prepared were: Coq au vin (chicken in wine sauce), Mousse au Chocolat, French bread and cheeses, plus Mexican tacos and Spanish paella.

During the Christmas season, French Christmas customs are studied, followed by a Cultural exchange between the French and Spanish classes. The French Duche de Noel (Chocolate Xmas log cake) was made for the occasion; the "feve" tradition was also observed. According to this tradition, a favor, or plastic bean is placed in a cake, and the person who receives the favor in her slice of cake is "Queen or King" for the day, and not required to do any work. The Spanish 2 class also made a pinata which was broken at this event. The annual Christmas party was held at the home of Andrea and Andy Fagan; presents were exchanged, and the group went Christmas caroling.

Senior Ball 1979

Keep smiling - everyone will wonder what you're up to.

I finally got it all together, but now I can't remember where I put it.

Dravo!

We're #1!

Best dressed Coach

Don't hit us, Our lawyer's in jail.

I'm not deaf, I'm ignoring you.

Thor! #1

Maybe if we all go out on the floor

Ugh!!!

Don't hassle me, I was hired for my looks.

Oops! We forgot our shakers!!!

What'd she have before the game?

Love spreads germs. Quick make me sick.

I've been reading so much about the bad effects of smoking, drinking, and sex that I've decided to give up reading.

My engine may be small, but look out for my steam!

Guess who?

Where's the ball?

New technique?

We, the editors of the 1980 Highlander, are proud of this year's edition. It is our hope that memories have been captured so that in years to come, these happy days will be revived.

We would like to thank everyone whose efforts contributed to its success: our staff, our advisor, our student photographer, Sue Taft, and the artists.

We're proud that members of the senior class were willing to pay an extra fee for color pictures; we believe that section makes the book unique. We do regret, however, the raise in the price this year, but publishing costs, like everything else, went out of sight.

We sincerely hope that the 1980 Highlander brings you pleasure today and in the years to come.

As The National Economy Tightens, One Of The First Cut-Backs A Business Makes Is In Its Advertising Budget, A Practice Resorted To By More And More Area Firms.

Yearbook Publishing Costs, However, Have Almost Doubled In The Past Few Years. Even With Considerable Price Increases, We Are Finding It Difficult To Meet These Costs.

We Are Especially Grateful, Therefore, To Those Firms Whose Ads Appear Here. Their Continued Support Is Essential To Our Survival. We Urge Our Readers To Utilize Their Services And Buy Their Products. Please Mention To Them That You Saw Their Ads In This Yearbook.

Thank You For Your Cooperation.

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.

Look To This Day

Look to this day,
For it is life.
The very life of life.
In its brief course lies all
The realities and verities of existence,
The bliss of growth,
The splendor of action,
The glory of power.

For yesterday is but a dream
And tomorrow is only a vision.
But today, well lived,
Makes every yesterday a dream of happiness
And every tomorrow a vision of hope.

Look well, therefore, to this day.

Sanskrit Proverb
