

# July

## Practicing Kindergarten Skills

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	Read a book with a flashlight.	Lay down & look at the clouds. What shapes or objects can you find?	How many red stripes on the flag? How many white stripes on the flag? How many stripes all together?	Tell what you do today. (Beginning, Middle, End)	Hop on one foot while skip counting by 5's to 100.	
	Make a chart of the weather this week.	Hide something and give clues to find it. (over, behind, beside, etc).	How many words can you make from the word WATERMELON?	Play a board game.	Look for patterns outside.	
	Practice tying your shoes.	Write how to make a PB & J.	Tally count the windows in your house.	Read to someone on the phone.	Count how many steps it takes to get around the outside of your house.	
	Go for a nature walk.	Walk heel to toe on a sidewalk crack counting by 2's.	Write a story about swimming. It could be true or false.	Make a map of your neighborhood.	Write all the partners that equal 8. (5 + 3 = 8)	
	Make a list of verbs you do throughout the day.	Practice counting backwards from 30.	Circle sight words you find in a newspaper or magazine.	Write a list of words that rhyme with pet.	Write the teen number equation.
