As parents or guardians, your cooperation is requested in complying with these requirements. Please respond to each of the four questions listed below as accurately as possible. For each question, write the name of the language that apply in the space provided. Please do not leave any question unanswered. *If an error is made completing this home language survey, you may request correction before your student's English proficiency is assessed.*

All provisional registrations due to incomplete immunizations will be null and void if 1) there is no contact with the school office before the end of the school year, or 2) records are not received by the office no later than **July 28, 2023**. Your child's doctor or clinic can fax the final immunizations to the office staff of your child's school of assignment, or parents/guardians can email a PDF copy to our school office.

For the 2023-2024 school year all immunizations must be completed and submitted to the school office **no later than July 28, 2023**. We do not accept text messages of medical documents for verification of immunization records. There will be no further reminders about this requirement.

**NOTICE: School Capacity/Overflow Notification (ELEMENTARY ONLY)**

It is always a possibility that any given school, based on the number of new students who register, can reach enrollment capacity in any grade. Therefore, we are accepting completed registration packets, but may be unable to enroll your child at the school of assignment based on address of residence for the 2023-2024 school year. *The priority registration window is December 5, 2022 – January 27, 2023.*

If space is not available at the school of assignment, your child will be placed at another school in the District where space is available. This is called an "overflow placement." Notification of placement will be made no later than two weeks before the start of the school, or as long as the need still exists. *Your child will remain at the overflow school for the remainder of the 2023-2024 school year and will be able to return to the school of assignment based on address of residence the following year.* Parents/guardians will have the option to request a transfer to stay at their overflow school in the coming year if they choose.

**Please plan to send your child to the school of assignment based on address of residence for the 2023-2024 school year unless you are notified by the school that your child has been overflowed.**
