Winterim 2024 Information

WHAT IS WINTERIM?

Winterim, is the name we use to describe our mini-semester alternative or authentic educational experiences. Through Winterim offerings, students interact and build relationships with fellow students and faculty in unique settings while participating in a variety of opportunities which meet one or more of the following goals:

- Educational: To use travel to strategically expose students to a carefully planned combination of tours, site visits and hands-on learning opportunities that will enhance their academic learning.
- Adventure: To teach the students skills through hands-on adventures and experiences, as well as build and strengthen relationships.
- Leadership Development: To strategically train and equip students with leadership skills through experiences in another environment or culture.
- Service and Mission: To provide an opportunity for students to physically serve and live amongst people in an impoverished community to primarily be the hands and feet of Jesus.

REGISTRATION

Registration for all Winterim trips and experiences will begin on the following dates at 8 p.m.

- Seniors – Aug. 21
- Juniors – Aug. 22
- Sophomores – Aug. 23
- Freshmen – Aug. 24
- Registration will close by midnight on Aug. 25.

SCHEDULE

Winterim is held during the last week of February. Experiences taking place on or near campus are scheduled from 8 a.m. to 3 p.m. Please note a teacher may give specific start and end times for their experience because of time constraints, activities, etc. Off-campus, overnight trips have their own schedule.

COSTS

Winterim trips will cost the most with local and/or on-campus course offerings costing less. Students will have the opportunity to choose from a variety of experiences, recognizing however, that the final listing of course offerings will be dependent upon student registration.

CREDITS

Every upper school student is required to participate in a Winterim activity and in doing so will earn .25 credit (per year) toward the total 1.0 graduation requirement. Winterim grades will be earned on a pass/fail basis and will not be calculated in the student's overall GPA. Should a student fail to earn a .25 Winterim credit during any given year, the student will need to make arrangements with administration to make up the credit. The title **Winterim** with a grade of pass and a .25 credit will appear on the report card each year. Specific experience offered to a student through Winterim may provide material for discussion in a college application essay.

Please note: Attending Winterim each year a student is enrolled in the upper school fulfills a graduation requirement. This experience does not count toward additional requirements for conservatory or service hours.

ATTENDANCE

Consistent attendance is critical. Absence of more than one day will result in the student being required to make up the hours. Arrangements will be made with administration. Each absence will be considered on an individual basis and must be approved by the principal.
