The Mission of Coosa Elementary School

Growing great leaders who dream more, learn more, achieve more, and become more...

Innovative Learning & Resources

Artsonia — Coosa student artwork is displayed online in a Student Art Gallery at artsonia.com. Our gallery continues to grow. Currently, there are more than 24,400 works of student art published on our Artsonia gallery. We have had almost 55,000 visitors to the site. For busy families and family members far away, it is a great way to see what our students at Coosa are doing in the art room.

Brain Boosters — A 1st and 2nd grade curriculum resource that encourages critical thinking and problem solving.

Gifted and Talented Education (GATE) — Classes designed to challenge qualifying 3rd, 4th, and 5th grade students.

Instructional Coach — Our instructional coach focuses on teacher professional development and teaching “best practices.”

Literacy Intervention Teachers — Two certified teachers provide intensive small group and individual reading instruction for students needing support. We also have three additional interventionists that provide intervention weekly.

Math Interventionist- A certified teacher provides small group and individual math instruction to students in need of support.

STEM (Science, Technology, Engineering, and Math) Focus – We are focused on integrating hands-on activities and learning experiences in the classroom across all content areas.

Technology:
Interactive Boards in all classrooms
PreK- 1 students have iPads
2-5 students have HP laptops
STEM Lab
Various applications on all devices

School Choice Options:
Leader in Me
Project Based Learning

The Leader in Me and school-wide Positive Based Intervention System (PBIS) — Coosa promotes building a force of future leaders who possess the core values of respect, responsibility, and integrity.

What is the School Improvement Council?

Mandated by law, the School Improvement Council (SIC) serves as an advisory group to the CES principal and faculty. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor and evaluate specific long-range goals (School Renewal Plan) for student achievement. Other duties include producing the annual report to parents which outlines the progress of that plan and advising on the use of school incentive awards.

About Our School

Coosa Elementary is honored to be the flagship Leader in Me School in Beaufort County, the 12th elementary school in South Carolina, and one of the Leader In Me Schools internationally to have been honored with Lighthouse status based on Dr. Stephen R. Covey’s books, *The Leader in Me* and *The 7 Habits of Highly Effective People*.

SIC Goals for 2022-2023

Goal 1: Establish initiatives to work collaboratively with other Lady’s Island fifth graders to establish relationships prior to students attending 6th grade. ie. Performances, pen pals, etc.

Goal 2: Evaluate current dismissal procedures and implement an electronic dismissal process if it increases safety procedures.
