Meeting called to order	4:39:24 PM
Participants invited to scan the bitly QR code	4:39:50 PM
Executive Director Rachael Freeman introduced herself and new Director, Adam Lewin	4:40:08 PM
Director Lewin reminded participants that what happens in the committee meeting should stay confidential, including conversations and materials	4:40:41 PM
Rachael Freeman read the mission, then introduced the new Superintendent, Dr. Wendy Eldredge.	4:41:22 PM
Dr. Eldredge, new superintendent made remarks about this being the most important meeting because students and staff must be safe	4:41:49 PM
Dr. Eldredge mentioned teacher retention and parent concerns in keeping safe	4:42:35 PM
Dr. Eldredge recognized Dr. Black Board President, and Trustee Brady.	4:42:46 PM
The microphone was passed around and each member introduced themselves, including name, role, campus.	4:43:40 PM
Rachael Freeman reviewed agenda	4:46:56 PM
Rachael Freeman reviewed fall meeting and read goals from the meeting	4:47:13 PM
Adam Lewin read the mission statement	4:47:53 PM
Rachael Freeman reviewed Sentinel of Safety program	4:48:15 PM
Rachael Freeman discussed grants applied for: SPAT Grant @ \$78K for Raptor and School Safety Grant at \$1.1M for Impact film, radio repeaters, fencing	4:49:35 PM
Raptor video played	4:49:53 PM
Rachael Freeman advised we use Raptor to check in visitors and background check volunteers	4:52:31 PM
Rachael Freeman advised there will be a learning curve, along with intuitive features.	4:54:41 PM
Raptor can account for other people's students.	4:55:32 PM
Adam Lewin discussed impact film may consume most, if not all the grant funds	4:57:14 PM
If there are remaining funds, radio repeaters, fencing needs will be addressed.	4:57:25 PM
Upcoming projects include K9s through Interquest, which manages the timing and procedure for searching. Rachael asked for feedback from campuses that currently have K9 searches. Feedback was positive.	4:57:41 PM
A survey will be sent out to principals and asst. principals to exclude dates, like STAAR or regular meeting dates around June.	4:59:17 PM
Vape sensors will be installed in secondary bathrooms this summer	5:00:09 PM
Sensors will also alert for louder sounds or if someone came in and didn't move for a while or if someone says help	5:01:43 PM

Rachael Freeman opened discussion with admins on opinion on increase in discipline, admins want them, and all high school facilities asked for them during their Fall Safety Team meetings.	5:05:59 PM
Role of security officers outlined	5:06:11 PM
Lead officers introduced	5:06:37 PM
RF discussed how role will be changing. Most new security officers haven't worked in schools before, so there was a learning curve	5:08:35 PM
Security Officers will take control of running drills and emergency management planning via the campus safety plan. This is meant to be a collaboration with campus admins, and not security taking control.	5:08:53 PM
Multi-Hazard EOP (MHEOP) Update - initial plan created in 2018 was not approved, and was resubmitted (3/15) and approved (3/20)	5:15:36 PM
Rachael Freeman will send our plan to committee to review prior to next meeting	5:15:50 PM
New Campus Safety Plans will have new format	5:16:41 PM
Campus Safety Plans will be due Aug. 9 (share google doc with AL and RF). They will work with the Admins & Security Officers on the development of this plan.	5:17:18 PM
Open Forum for questions: 2 questions received about Campus Safety Plans, which were addressed.	5:17:34 PM
New Twitter: @CFBISDSECURITY	5:23:35 PM
Meeting adjourned. Next meeting will be virtual	5:23:52 PM
