Mission Statement

Regional School District #10 provides a safe and respectful learning environment to promote academic excellence and personal growth. We work collectively to cultivate the skills and knowledge of our students to create inquisitive learners, innovative leaders, and responsible citizens.

Core Values
(Dolphin P.R.I.D.E, Husky P.R.I.D.E, Spartan P.R.I.D.E)

A school's core values define those qualities that are foundationally desired to be both modeled by the educational practices within a school and to be intrinsically established in the practices of its students. Beyond academic proficiencies, these values are what we hope students take with them into their futures:

Perseverance
- *All learners will continuously improve, overcoming setbacks, to maximize their potential.*

Respect
- *All learners will develop an appreciation for a diversity of voices and perspectives in an increasingly complex world.*

Integrity
- *All learners will consistently reflect on their behaviors to act with honesty, holding themselves to high ethical standards.*

Discipline
- *All learners will achieve when held to high standards of academic excellence.*

Engagement
- *All learners will develop skills to be productive in varied communities.*

Vision of the Graduate & Learning Expectations

A Vision of the Graduate emphasizes a holistic view of expectations for students, including the transferable skills, content, understandings, and disposition that students should have by the time they graduate and a method of assessing a student's progress toward that vision.

Region 10 graduates will be:

Inquisitive Learners	Innovative Leaders	Responsible Citizens
- Apply critical thinking skills across multiple disciplines - Demonstrate resourcefulness to independently gather and evaluate evidence - Demonstrate curiosity and creativity through questioning and exploration	- Develop creative solutions to authentic problems - Articulate and communicate evidence-based ideas clearly and concisely - Collaborate with diverse partners on topics & issues using a variety of resources	- Contribute to the well-being of society through cultural awareness, civic engagement, and personal responsibility - Examine and understand multiple perspectives to cultivate relationships and build community - Make informed, ethical, and responsible decisions, including the use of technology
